WHOLE NUMBER 154

ANNOUNCEMENT OF THE KILMER PRIZE

Dr. Frederick B. Kilmer bequeathed to the American Pharmaceutical Association the sum of \$3,000.00, to be held in trust, the income to be applied to the awarding of a prize to be known as the "Kilmer Prize" for meritorious work in pharmacognosy, preference to be given to studies in vegetable drugs. The purpose of the prize is to encourage recent graduates of pharmaceutical institutions to assume an active interest in research in pharmacognosy.

The Chairman of the Kilmer Prize Committee of the Association hereby announces the offering of the Kilmer Prize by the Scientific Section, the award to be made during the annual meeting of the Association at Detroit, Michigan, August 17-23, 1941.

Rules on Eligibility

(1) The author of a paper on some phase of pharmacognosy, who is a member of the last graduating class of any college or school of pharmacy, prior to the annual meeting of the American Pharmaceutical Association, is eligible for the award. Candidates for advanced degrees are not eligible. Accordingly, students entering into competition for this prize must be members of the present senior class of a college or school of pharmacy.

(2) Papers eligible for the award must be the outcome of the student's own work, based upon either laboratory or library research or both, written during the last year of the candidate's course in Pharmacy and submitted in triplicate.

(3) The head of the Pharmacognosy Department in each school shall select the one to three best papers submitted by the graduating class of his particular school.

(4) Each school or college is privileged to send these papers to the Secretary of the American Pharmaceutical Association, 2215 Constitution Avenue, Washington, D.C. and in order to be entered for the 1941 award, they must be received by the Secretary *not later than June 1, 1941!* The paper or papers submitted must not reveal the identity of the school nor of any of the teachers connected therewith. A sealed envelope containing the summer address of the author and a certified statement from an officer of the institution that the contestant is a full-fledged senior and candidate for graduation in June, 1941, must accompany each paper.

(5) The Kilmer Prize Committee will select the winner from the papers submitted, and the winner will be notified about two weeks prior

to the date of the meeting in Detroit to enable him to her to make plans for attending it.

(6) If the Committee finds no paper sufficiently meritorious, no award will be made.

The Kilmer Prize consists of a gold key, suitably inscribed. The difference between the cost of the key and the annual income from Dr. Kilmer's bequest, amounting to about \$60.00, will be forwarded to the winner to assist in attending the meeting of the Association to receive the award and in defraying a portion of the cost of publishing the paper in the *Journal*, if it is recommended by the Scientific Section.

HEBER W. YOUNGKEN, *Chairman*

E. F. KELLY, *Secretary*

HENRY HURD RUSBY

Dr. Henry Hurd Rusby, long an outstanding specialist in the field of pharmacognosy, died November 18, 1940, at his home in Sarasota, Florida.

DR. HENRY HURD RUSBY, F

His widow Margaret Hanna Rusby, three daughters, two brothers and a sister survive him.

Dr. Rusby was born at Franklin, New Jersey, April 26, 1855, the second of seven children and until 1938 was a resident of Newark, New Jersey. He was a prominent figure in the civic affairs of that city as well as a counselor and confidant who was ever willing to be of assistance to the many who found their way to his door.

His early life was that of the average America boy in the rural sections. Educated in the typical country school of those days, the Doctor often pleaded guilty to his having been the big bad boy of the class. With such a reputation it is indeed strange that at an early age his interest in plants was so great that Gray's *Lessons and Manual of Botany* held first place in his reading. Still more singular, in view of the eminence he later attained, his formal study of botany was indeed meagre. But this lack was more than compensated by his ability to learn at first hand and from plants themselves rather than from textbooks.

The spirit of the adventurer was strong in his make-up and he was well fitted physically for the adventures encountered on his many botanical exploration journeys. However the hardships and adventures of these travels were always subordinated to his real purpose—the establishment of new sources of supply for drugs and the search for new drug plants. On the first of these transcontinental journeys from La Paz to Para in 1885-86, supplies of coca leaves, chequen, pichi and cocillana were sought. In addition an extensive study of *Cinchona* cultivation was made and a complete collection of South American *Cinchona* species prepared. The second journey in 1896 was a general botanical survey of that portion of Venezuela south of the Orinoco. The third of these surveys was in Mexico and was chiefly concerned with the discovery of possible rubber-yielding trees. The fourth and last exploration, in 1919, covered in part the same territory as the first and gave opportunity for comparisons with the conditions of thirty-five years previous. Dr. Rusby was then sixty-four years of age and had recently recovered from pneumonia. His family and many friends went to the steamer on the blustery March day of his departure. For most of us it was a rather sad occasion with the thought that he would not survive the journey uppermost in our minds. Despite his indomitable will he was forced to return ahead of the main party and continue his studies of the botanical results of the trip in the laboratory rather than in the field.

Rusby was a rare combination of research worker and teacher. He had the ability of imparting a knowledge of botany in such a fashion as to lead his classes to look upon it as a live subject. A bit of the philosophy of the older naturalists constantly appeared in his presentations and in his hands the involved terminology of taxonomy became more than a list of cumbersome words to be learned by rote. Teaching occupied the greater portion of his life and his first experience as a teacher was in a country school in 1882. He was Professor of *Materia Medica* at Columbia University College of Pharmacy from 1888 to 1930. Coincident with this appointment he taught *materia medica* in New York University Medical School and the New York Veterinary College for several years. With Professor Charles F. Chandler he was instrumental in bringing

about the affiliation of the New York College of Pharmacy with Columbia University in 1904 at which time he became Dean of the College of Pharmacy and served as such until 1930.

The passage of the original Food and Drugs Act advocated by Dr. Harvey W. Wiley was facilitated through Rusby's personal investigations of the drugs then upon the market. Those investigations culminated in a sweeping denunciation of the conditions prevailing in drug commerce prior to 1907 which strengthened Dr. Wiley's contentions and overcame all opposition. After the passage of the Act, Dr. Rusby was appointed Pharmacognosist at the Port of New York and had much to do with establishing an effective drug inspection control over imports. Wiley and Rusby were men of similar characteristics, physical and mental. Both were men of strong convictions with a willingness to stand their ground for a cause they believed in and with but little thought of the consequences as far as their personal affairs were concerned.

Dr. Rusby's interest in the field of botany early influenced him to become an active member of the Torrey Botanical Club. He was President of the Club from 1905 to 1912 and this association was particularly appropriate because in 1829 Dr. John Torrey was one of the first professors in the newly organized College of Pharmacy. As a close friend of Dr. Nathaniel L. Britton, Dr. Rusby shared in the founding of the New York Botanical Garden. As one of the incorporators, chairman of the scientific directors and Curator of the Economic Collections, he witnessed the continuous development of that institution. The herbarium of the Garden contains the type specimens of his collections sharing this distinction with the herbarium of the College of Pharmacy. Dr. Rusby estimated that he had collected more than 45,000 specimens on his several journeys, many of them being hitherto unknown.

Although the recording of a botanical description requires an exactness in the choice of terms used and Rusby was a master at this sort of writing, he also possessed an admirable facility of expression in less technical types of writing. Sharing the same office with him gave me frequent opportunities of listening in when he was dictating to his secretary. At such times the words of an article or other piece of writing flowed continuously and with but little interruption for reconsideration or correction. The total amount of his written work is not accurately known but it must be great. Aside from his contributions to the literature of taxonomy, education in pharmacy and writings upon other subjects he was author or co-author of the "National Standard Dispensatory," "Morphology and Histology of Plants," "A Manual of Botany," "Properties and Uses of Drugs," "Essentials of Vegetable Pharmacognosy" and "Jungle Memories."

The honors which were bestowed upon him were richly deserved and came to him without directed effort on his part toward their attainment. He was president of the American Pharmaceutical Association in 1910; one of the organizers of the Conference of Pharmaceutical Faculties, forerunner of the American Association of Colleges of Pharmacy; long a member of the Pharmacy Council, Education Department, New

York State; member of the Revision Committees of the Pharmacopoeia of the United States and the National Formulary; Remington Medallist (1923) of the American Pharmaceutical Association; Hanbury Medallist (1929) of the Pharmaceutical Society of Great Britain, and recipient of the Flueckinger Medal (1937) of the Society of German Apothecaries.

Possibly the real character of a man is most fully revealed in the personal letters he writes during his lifetime. They are seldom written with any thought of future publication and therefore give one a better appreciation of the man as he actually was than could be had from a biographical sketch. From a close association of over thirty years, it would be possible for me to give my impressions of Rusby as a scientific worker, a preceptor and a friend, but I prefer that he should speak for himself through the following quotations from my file of his letters.

"I cannot say too strongly that in my opinion the first and most important consideration is absolute loyalty in adhering to principle. This does not mean stubbornness in having your own way when the decision is against you. It may be necessary to yield in practice but you are not compelled to admit a wrong principle."

"The trouble (with educational institutions) is that there is too much right doing that is didactic and impractical. Real success requires that we use the best means at our command with a steady advance toward improvement."

"Unfortunately honesty frequently does not yield results which are sufficiently immediate to warrant the old adage. Perhaps the dishonest people do win at the expense of the others yet I would adhere to the honest course to the very end as the ultimate good of humanity depends on that sacrifice and the one object is the improvement of human character."

CHARLES W. BALLARD

NU—CONNECTICUT COLLEGE OF PHARMACY

37 High Street, New Haven, Connecticut

DEAR BROTHER BLISS:

A very successful annual spring dinner-dance held last March served as a stimulus for still greater social activity in both the graduate and collegiate chapters of Kappa Psi Pharmaceutical Fraternity, here in New Haven, Connecticut. Over forty-five couples including members and friends attended the dance at the fashionable Waverly Inn, in Cheshire, Connecticut. The success of the affair was due to the fine work done by the following brothers: Grieb, Bacchiocchi, Sullivan, Scarpelli, and Zygun.

Nu chapter opened its social calendar Wednesday, November 13, 1940, with a banquet held at the Green Room, of the Hotel Garde, in New Haven, Connecticut. About fifty members and ten prospective pledgees attended the banquet. They were entertained by one of New Haven's

best comedians and dancers, a variety of moving pictures was shown, and several informal talks were given by some of our prominent members. Dr. Henry S. Johnson, Dean of the Connecticut College of Pharmacy, told of the value of the Fraternity to a worthy member. Mr. Williams, instructor in Chemistry at the College gave an enlightening history of Kappa Psi. Sergeant John Nosal, who has just finished a three-year enlistment in the U. S. Army, told of his many experiences in the service as a Pharmacist. He answered many questions concerning the position of a Pharmacist as affected by the recent conscription law.

A vote of thanks must be given to the Banquet Committee which was responsible for the excellent program. Members of the Committee were: Nicholas Fenny, instructor of pharmacy; Charles Geniesus; Robert Grieb of the Graduate Chapter and Joseph Kanieski, Italo Scarpelli, and John White of Nu chapter.

Plans are in progress for several informal dances for the coming school year and we are all looking forward to the annual spring dinner-dance.

Fraternally yours,

JOHN WHITE, *Secretary*

OMEGA—RUTGERS UNIVERSITY

DEAR BROTHER BLISS:

Omega chapter has been very active during the past few years, building up its membership and increasing interest in the chapter.

This year, under the able leadership of the regent and his officers, the chapter has had a most successful and active year. Banquets, a smoker, regular meetings and outside activities have kept the interest alive and the members coming out.

The first event of the year was a banquet held in October at the Franklin Arms Tea Room with the regent of the chapter presiding. The speaker of the evening was Robert W. Rodman, editor of the Practical Pharmacy edition of the *Journal of the American Pharmaceutical Association*, member of the Pharmaceutical Recipe Book Committee, and a graduate member of Omega chapter. Mr. Rodman gave an interesting talk concerning Fair Trade and other present-day problems of pharmacy. Short talks were also given by faculty members, including Dean George C. Schicks, Grand Historian of Kappa Psi, Dr. Richard A. Deno, chapter advisor, and Professor Cyrus B. Cox, Secretary of Province II of Kappa Psi. There were twenty-eight collegiate members present at the banquet.

Since the banquet, meetings have been held regularly. The meetings have been conducted so as to be instructive, constructive, and creative, and a definite attempt has been made to develop the abilities of the individual members. Parliamentary law and rules of order have been inculcated into the chapter meetings, and selection of candidates has been based on scholarship and character. Speakers at various meetings

OMEGA CHAPTER, RUTGERS UNIVERSITY

1. Donald N. McHenry, Regent. 2. Chapter Group. 3. Dr. Richard A. Deno, Faculty Adviser. 4. Rutgers University College of Pharmacy. 5. Dean Ernest A. Little. 6. "Pledges." 7. "Pledges."

have presented topics based on some phase of pharmacy or chemistry. Also at the meetings movies and entertainment provided by the members have been enjoyed. Not to be forgotten are the refreshments had at each meeting prepared by the boys themselves.

In February, a smoker was held to which prospective members were invited. Movies were shown and a talk given to the prospective members by Dr. Deno. The increased interest and activity displayed at this meeting is shown by the fact that there were forty-five present including collegiate, prospective, faculty and graduate members.

The pledgees have been chosen, after carefully considering marks, attitude, personality and school interest. At the present time they are busily engaged in "pledge week," bowing to the demands of the members. There are twelve men pledging who will help to fill the gap to be left by the eleven graduating members.

The big affair of the year is a formal dinner-dance to be held on March 15, 1941, at the Aviation Inn, Bendix, New Jersey. This is an annual affair to which we have all learned to look forward with keen anticipation. A large turnout of collegiate, graduate and faculty members is expected.

The officers of the chapter are as follows: Donald N. McHenry, regent; Michael Ricciardi, vice-regent; Edward J. Szymanski, secretary; William Benica, treasurer; Jack Schermerhorn, secretary; Fred Kressaty, chaplain.

The other members are as follows: Richard Bely, Theodore Bischak, Dallas Billman, Patsy Caravaglia, Pelligrino Coppola, John Dykman, Tony Foresta, Richard Kedersha, William Kozma, Michael Madura, Robert Parentini, Harold Parentini, Con Pankevitch, Harry Pifer, Eugene Sasso, Charles Sprague, Frank Szegeski, Ralph Taurozzi, George Ventolo, Sigmund Wernicki, Walter Wuggatzer and George Zeevalk. The men to be initiated are: Ralph Tomaino, Hudson Maunahan, Stanley Riker, Rosario DiBunardo, Ralph Alven, William Wetzal, Ralph Mofey, Justin D'Allegro, Paul Ent, Edward Rola, Robert Todd and Walter Fromholz. Faculty members to be initiated are: Michael Stopin and Martin Ulan.

Omega chapter hopes it has left with you an idea of what its activities at Rutgers have been and the members of Omega extend to all their brothers in Kappa Psi wishes for success such as they feel they have enjoyed this year.

Fraternally yours,

DONALD N. MCHENRY, *Regent*

OMEGA (2)

DEAR BROTHER BLISS:

There have been no new brothers initiated since the last report of former treasurer, Brother Frank Matheke, which you received either June 2, or June 3, 1940.

Omega held its annual opening dinner on October 25, 1940, at the Franklin Arms Tea Room in Bloomfield, New Jersey. Brother Rodman, editor of *The Druggist's Circular*, was guest speaker.

Last night we held our first regular meeting and, if anything can be judged from it, Omega will have a very active year.

Fraternally yours,

WILLIAM BENICA, *Treasurer*

BETA-GAMMA—UNIVERSITY OF CALIFORNIA

DEAR BROTHER BLISS:

Received your two letters this week. Many thanks.

We received a letter from past regent B. P. Hammerstadt. He is working in Hawaii, T.H. He seems to be enjoying the territory. He sends his regards to the members of the Grand Chapter.

Last week we received a letter from past chaplain E. Chilgren. He is working in Philadelphia, Pennsylvania, for John Wyeth & Co. He is doing analytical work for the company.

Three brothers of our Fraternity took the state board for their assistant papers. These seniors I am happy to say just barely missed getting a 75%—per cent required for a registered pharmacist. The successful members are Elmer H. Forsher, Stanley R. Marincik, John R. Ringgold and Regent Jerome M. Yalon.

The Fraternity has had a little dance already this term as well as having a skating party. All the members attended both affairs and they were enjoyed by one and all. We have plans for a banquet on March 18 or thereabouts for the third degree for the Fraternity. Also on the calendar is a banquet with the alumni chapter on April 18. We are having a formal dance in the last week of April for the graduating seniors. The day after our last final examination the Fraternity will meet with the members at the annual picnic. Those are the schedule dates for the social affairs.

I guess this is all the news for the present.

Fraternally yours,

PAUL A. GYSELS

BETA-KAPPA—UNIVERSITY OF PITTSBURGH

373 S. Winebiddle, Pittsburgh, Pa.

DEAR BROTHER BLISS:

Please accept my apologies for not having written to you sooner. This is my senior year, and it has been a very busy one so far. The Fraternity has been very active the last two months but I haven't had time to write you.

The Beta Kappa chapter opened its social season, January 24, with a formal initiation at the Fort Pitt Hotel. It was a very bad evening, the roads were very slippery, but the members showed up just the same. I

can honestly say, it was the finest initiation of Kappa Psi, that I have ever attended. Dr. Claus was very pleased. The pledges initiated were, Steve Hilovsky, Winfield Smith, and William Stout. After the initiation, the members and the newly initiated members went bowling. This was the second official affair of the fraternity. The first was the Theater Party for the Pledges.

Friday February 7, the chapter held an informal dance at Bill Green's Casino. Breakfast was served at 12 o'clock. The dance was very nice, and we must give credit to Jack McCurry for the very fine arrangements. This was a private dance within the Fraternity, for members only.

Last night we held a Third Degree Banquet at the Fort Pitt Hotel. We met in the dining room at 6:30, after eating we went to one of the private rooms in the hotel. The third degree was very impressive, especially to the new members. Dr. Claus showed he was very pleased, by the smiles on his face. The speech he gave after the ceremony made not only the new members think, but the old ones also. He warned the members not to be too hasty in asking in new members to try to build up the membership. At the present time there are only 12 active members, but it's quality that counts, not quantity. Every one of the 12 members has shown his interest by working on committees. Instead of all the work falling on one or two members, everyone is sharing in the work. A committee was appointed to thoroughly investigate the pledges before they are even considered for membership.

April 25, is the date set for the formal dance of the Fraternity. We will dance to Mickey Ross' Orchestra at the Keystone Hotel. The members are very excited about it, and are willing to do anything to help. Brothers Wyble and Dickie went to every hotel in Pittsburgh getting prices for rooms. Brother McCurry contacted several bands and went to hear them play.

We held election of officers today: Results, regent, William R. Rowse; vice-regent, Edwin J. Wyble; secretary, William F. Lester; treasurer and faculty advisor, Dr. Edward P. Claus; historian, Frank A. Schmidt; chaplain, John B. McCurry.

William R. Rowse: If anyone deserved to be Regent, he did. He has served one semester of fine, dependable work. He has never done anything to disgrace the Fraternity in any way. He has a clean appearance, a nice personality, and is a hard worker. I believe the Fraternity will make new gains under his guidance.

Edwin J. Wyble: He has shown that he is an active member by the fine arrangements for the initiation and third degree banquet. As I said before, he visited every hotel in town to get bids for rooms for our formal. He is very capable of the office.

William F. Lester: A very modest fellow, a hard worker, but you wouldn't know it because he never tells you about it. He worked very hard this summer, sending out notices of a Scholarship Fund to all the passed members of Beta Kappa. It was a hard, tiresome job, but he didn't ask for help. He is well suited for this office because he is neat and dependable. I believe he will be one of the finest secretaries this

chapter has ever had. I will guarantee you that he will write you frequently.

Frank A. Schmidt: An active, fast rising brother, who is very enthusiastic about the Fraternity. He has worked on many committees especially the pledge committee.

John B. McCurry: A hard working Junior. He has arranged the dance band for the formal and the informal dance held February 7. He has also worked on many committees, at present he is chairman of the initiation committee.

Dr. Edward P. Claus: Through his efforts, the Fraternity is rapidly rising with a fine group of members. He is the hardest working Faculty Adviser the Fraternity has ever had and will ever have. Even while working for his Doctor's Degree, he set aside a certain amount of time for the Fraternity. Although he was very busy he attended as many of the meetings as he could, and missed very few. I hope to see the write-up about him in THE MASK because he deserves it. It would be easy to write a book on the things he has done for the Fraternity. His experience has taught us many lessons.

I regret that I have only a few more months in the active chapter of Kappa Psi. The chapter seems to get better every day. The members are active, and are determined to make our chapter one of the first. By the time the next semester starts, the Fraternity will be in fine condition. I believe they will have one of their most active years next year.

I have enjoyed being a Fraternity brother of Kappa Psi, and my three years as secretary. I have enjoyed writing to you and receiving your letters. I have made some personal friends in the Fraternity, friends I hope to remember for a long time. I feel that the new officers are very capable of taking over.

The new officers will be put into office at the next meeting on Wednesday.

Please don't forget about the write-up about Dr. Claus.

Please excuse the writing and English, I am trying to write this letter during working hours.

Faternally,

BILL HAECKLER, *Secretary*

BETA-KAPPA (2)

DEAR DOCTOR BLISS:

Our social activities began December 7, 1940, when fourteen couples attended a theater party at Loew's Penn theatre and then went to dinner at Child's Restaurant.

Our pledges were given the first and second degrees of the initiation at the Fort Pitt Hotel, January 24, 1941, and February 18, 1941, in the same hotel, the initiates received the third degree at the third degree banquet. The new brothers of Beta Kappa Psi are: Winifield Smith, Steve Hilovsky and William Stout.

Active in promoting interest in recent pharmacy, brothers William Fleming and William Haeckler gave a demonstration of action of drugs upon the intestine. This was given at a meeting of the A.Ph.A. at the Falk Clinic in Pittsburgh on February 11.

The annual formal dance will be held April 25 in the ballroom of the Keystone Hotel with Mickey Ross and his orchestra supplying the music.

Fraternally

WILLIAM LESTER, *Historian*

BETA-XI—UNIVERSITY OF NORTH CAROLINA

DEAR BROTHERS:

For the school year of '40-41 Beta Xi has ten active members with the following officers: J. C. Watkins, regent; A. L. McLean, vice-regent; E. H. Smith, secretary-treasurer. The chapter boasts of sixteen pledges consisting of the most outstanding men in the freshman and sophomore classes.

Present location of the Beta Xi chapter is No. 6 Fraternity Row. This is an ideal location being only two blocks from the pharmacy school.

The chapter has always sought to attain the highest ideals in the profession of Pharmacy. Every quarter the members and pledges have the privilege of hearing at the meetings three or four guests speakers. These include members of the faculty of the Pharmacy School and eminent pharmacists throughout the state.

Fraternity members and pledges have maintained an average of C for the past four quarters. Our social activities included an annual party for the freshman class, and a party in honor of Kappa Epsilon, national pharmacy sorority. Every year the Beta Xi chapter holds a dinner-dance in conjunction with the annual pharmacy school dances. In previous years the chapter has sponsored a banquet for Kappa Psi members from throughout the state. This banquet is usually held during the convention of the state pharmaceutical association. This year the convention meets in Durham, a neighboring city, and the chapter has already begun elaborate plans for the occasion.

Last year the Beta Xi chapter established an annual award to the student attaining the highest average throughout his junior year. This award given for the first time this year, was a Bastedo's Therapeutics and Materia Medica. This year the annual award was received by Hamilton Underwood. The school was very much pleased with the establishment of this award.

The Beta Xi chapter at present consists of the most outstanding men in the school of pharmacy. Our members hold the offices of president, vice-president, secretary-treasurer, representative to the honor council, and representative to the student legislature of the student body. The names of the presidents of the senior, sophomore, and freshman classes are also included in our roll.

We intend to do as much, if not more, for the profession of pharmacy in North Carolina this year as we have done in the past.

Fraternally yours,

E. H. SMITH, JR., *Secretary-Treasurer*

BETA-PI—WASHINGTON STATE COLLEGE

DEAR BROTHER BLISS:

With the opening of the fall term in late September, Beta Pi chapter of Kappa Psi began its activities by securing many new pledges. The following were those pledged: Philip Westling, Hebert Netsch, William Schultz, Mason Hill, Dan Schierman, Warren Westerman, John Hubbert, and Gerald Thompson.

The officers for the fall semester, with Gene Johnson as regent, began their active duties at the first Fraernity meeting on September 30. Clarence Helgeson, William Rack, Robert Brannon, James Wilson, William Beach assisted him as vice-regent, secretary, treasurer, historian, and chaplain respectively.

On October 11 at the Pharmacy Mix, the chapter presented a medical dictionary to the outstanding junior student in the School of Pharmacy. The award is made on the basis of scholarship and activities. As in the past, a banquet was given on October 15 at the chapter house for the pharmacy faculty and assistants.

During the annual Homecoming Week-end on October 19, several

BETA PI CHAPTER, WASHINGTON STATE COLLEGE,
PULLMAN, WASHINGTON

alumni, Joseph Frederick, Laurence Klock, John Scheel, and Orion Furness visited the chapter house. The following week-end the annual Pledge Dance, under the direction of chairman Kenneth Johnson, was held, the house being decorated in a Halloween theme. The patrons and patronesses were the faculty of the School of Pharmacy and their wives.

Following the Armistice Day vacation, four pledges: Robert Hendrickson, Kenneth Johnson, John Petty, and Henry Bosshard became members. Upon the return to school following the Christmas vacation the officers for the Spring semester were chosen. Those elected were the following: regent, Carlton Peterson; vice-regent, William Rack; secretary, Robert Hendrickson; treasurer, Robert Brannon; historian, James Wurtz; chaplain, Gordon Dewey. An appreciation vote was given to the previous officers with the hope that the coming semester would be as successful.

Throughout the semester several informal dances were held as well as many after-dinner dances with the various sororities on the campus. Plans are now being made for the main social event of the Spring season, the Apothecaries' Ball which is a semi-formal dance. A new project, which is being investigated and which promises to make its appearance in the near future, is a biannual publication concerning the activities of the chapter. This paper will be sent to the alumni of the chapter.

Fraternally yours,

CARLTON D. PETERSON, *Regent*

BETA-UPSILON—INDIANAPOLIS COLLEGE OF PHARMACY

DEAR BROTHER BLISS:

On being elected secretary of Beta Upsilon chapter of the Fraternity, I was given a letter that you had written to the past secretary. I will attempt to give you the information asked for in your letter.

We have a meeting every two weeks at the Indianapolis College of Pharmacy's library. Some of the members come early to the meeting and engage in several ping pong games before the meeting. The meetings are usually called at 7:30.

We had an election of officers several weeks ago and the new officers are as follows: regent, Donovan Davis; vice-regent, Graydon Blue; secretary, Kenneth Mann; treasurer, Harold Clark; chaplain, William Ellis; historian, Richard Niles; sergeant of arms, William Michel.

The historian of our chapter publishes a paper every month with all the information of the meeting and events of the preceding month. Some of our members are working and are unable to come to all of the meetings. This is our way of giving them the information they should know.

Before we take new pledges we usually have two smokers. We have these social functions at the school. They consist of ping pong, cards, refreshments and a general get together between members and prospective

pledges. We had a formal dance at one of our hotels and the dance was a real success. Every spring we have a faculty senior dinner dance.

We sent greeting cards before Christmas and invitations preceding our social events to all of our graduate members. Our graduate members are very active in accepting our invitations and coming to our social events.

I hope this is all the information you need, but if I have omitted anything, I will try to give you any information I can and will give you my full support.

Fraternally yours,

KENNETH MANN, *Secretary*

COLUMBUS GRADUATE CHAPTER

2826 Kensington Place East, Columbus, Ohio

DEAR BROTHER BLISS:

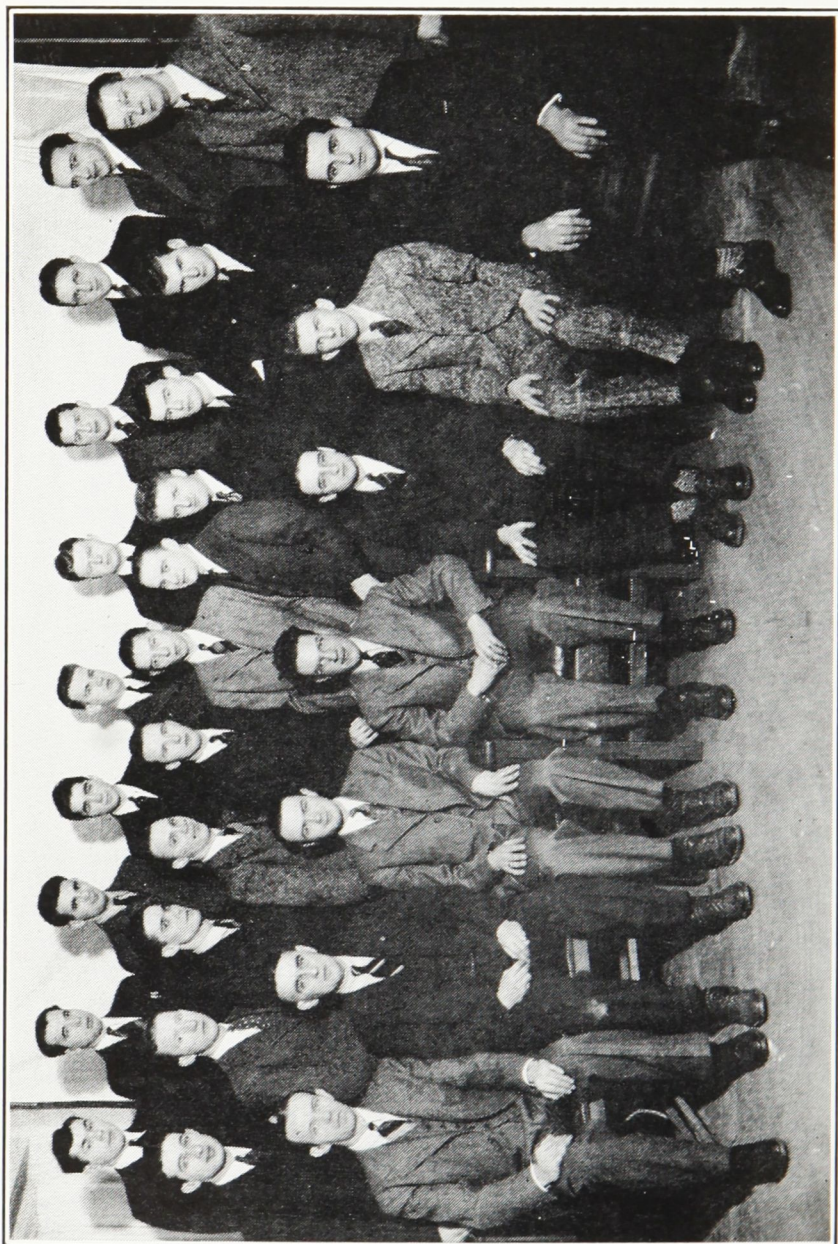

At last another Kappa Psi year is closing with perhaps many things done and many more to do.

I'm sure you are interested in knowing something of the activities of the Columbus Graduate Chapter in the past year. After we felt our organization was solid, committees were formed on membership and entertainment which have done splendid jobs. In June of last year a banquet and get-together was arranged for all Kappa Psi men with whom we were in contact. Something in the neighborhood of 18 or 20 attended coming from as far away as Akron. It is the desire of this chapter to establish this dinner as an annual affair so that Kappa Psi men in Ohio will look forward to it each year as a time to renew old acquaintances and make new ones.

In December of 1940 an open meeting was held with Dean Raabe of Ohio Northern University as speaker, having as guests the faculty of our own College of Pharmacy as well as friends of the various members to the extent of 35. This meeting started a realization among many that Kappa Psi was no longer dead nor even dormant in Columbus, but actually quite active. It was my pleasure to meet Brothers Pair, Worton, and Warren, all of whom are your boys I believe, at this meeting and I hope we shall see much of them in the future.

In the way of active membership may I state that since our installation in January 1939 we have increased in numbers from six to eleven, all active. Recently invitations were extended to three outsiders (two graduate students in the College of Pharmacy and one young store owner), who have never belonged to any fraternity, to become members in Kappa Psi. All readily accepted and I hope will be initiated within the next month. Of course with an inactive chapter (collegiate) for eight years you realize our graduate membership is somewhat limited and we must carefully select good pharmacists as they present themselves.

Last, but by all means not least, one of our first goals is beginning to shape up nicely. Since our meeting in December we have been able

BETA-OMEGA CHAPTER, TEMPLE UNIVERSITY

Front Row: Mr. Lynch, Dr. F. Eby, T. Lake, Regent E. Kimes, A. Grube, H. Stoner and D. Marcantonio. Middle Row: P. Chianco, B. Elkin, A. Pachuta, G. Emanuel, E. Fulman, E. Mateer, K. Liebensperger, P. Irwin, J. Lewis, R. Palmer, H. Frantz. Back Row: T. Manzelli, H. Zaccaria, F. DeVito, M. Papa, E. Flanagan, R. Myers, J. Marilino, B. Borr and J. Gerrity.

to create interest among the undergraduate students in starting Xi chapter again. At a meeting at my home a week ago twelve enthusiastic boys attended to learn something about Kappa Psi. You may rest assured that between Bros. Stine, Guth, the other members and me we left no stone unturned. I find already we have two men active members in other Kappa Psi chapters and one pledge enrolled in the College Pharmacy, all working for the cause.

In the recent election of officers Brother Ralph Stine whom you will remember as the regent of Xi during the two school years 1926-27 and 1927-28 was elected regent. In him we have a fine leader, an excellent personality, and a true Kappa Psi.

In closing let me thank you for the many favors I have received from you personally in helping the Columbus Graduate chapter, and the many kindnesses shown me during my two years as regent. It has truly been two of the busiest and most pleasant years I have ever had.

Fraternally yours,

EDWIN F. HOFFMAN, *Regent*

BETA-OMEGA—TEMPLE UNIVERSITY

DEAR BROTHERS:

The Beta-Omega chapter opened the 1940-41 session with seventeen active members. During the years so far the following new members were added to the chapter roll: by transfer from Eta chapter, Elwood Mateern; by initiation, Patrich Devito, Philadelphia; Edward Flanagan, Trenton, New Jersey; Harold Frantz, Philadelphia; Paul Irwin, Philadelphia; Phil Lowry, Philadelphia; Joseph Marlino, Philadelphia; Russell Palmer, Morrisville, Pennsylvania; Thomas Stantucci, Wilmington, Delaware; Hugo Zaccharia, Philadelphia. Thomas Manzelli would have been included in the above list but a serious illness kept him in the hospital for several weeks and he will be initiated later. The membership at present is the largest in the history of the chapter at Temple University.

As usual the members are taking an active interest in college activities. Stoner and Emanuel are stars on the College of Pharmacy basketball team; Grube is President of the Student Branch, A.Ph.A.; Chianco is president of the Italian Society and Grube and Irwin are members of the University Band.

The first important activity of the year was the smoker given by the Philadelphia Graduate chapter which our Professor Eby is directing this year as regent. The smoker was held at the spacious home of Eta chapter and the members of Eta chapter and Beta-Omega chapter had a fine time as guests of the local Graduate chapter. These smokers usually bring out about seventy-five or more members of Kappa Psi in the Philadelphia area and they have created a fine fraternal spirit among the collegiate and graduate chapters.

The chapter initiation was quite an affair this year with more than the usual fun. Rus Palmer will probably long remember his several hours detention in a Philadelphia police station as a "suspicious character" however Rus is the last fellow anyone would suspect of looking suspicious even early in the morning.

On February 25 Dean H. Evert Kendig, the present President of the American Association of Colleges of Pharmacy was a guest of the chapter at a testimonial luncheon. Sixteen Faculty members were also guests of the chapter and a good number of alumni brothers were in attendance. Earl Kimes the Regent presented the Dean with a gift from the brothers and Professor Eby was toastmaster. This was one of the finest affairs ever put on by the chapter.

The chapter expects to send a large delegation of members to the Province meeting which will be held at New Haven in March. These meetings are always interesting and we look forward to meeting other brothers from the several chapters in this area.

We have plans under way for a large dinner-dance this spring but news of this will follow later.

Fraternally yours,

ALTON GRUBE, *Secretary*

February 19, 1941,

Luzerne, Pennsylvania

DEAR BROTHERS IN KAPPA PSI:

I wish to express by sincere thanks for the honor bestowed upon me in awarding the Grand Council Key to me.

It is an award that I shall cherish dearly. I shall strive to my utmost to be able to live up to and be worthy of the high ideals and aims which it symbolizes.

Fraternally,

VICTOR W. SHIVY
(Temple University, 1940)

PHILADELPHIA GRADUATE CHAPTER

DEAR BROTHERS:

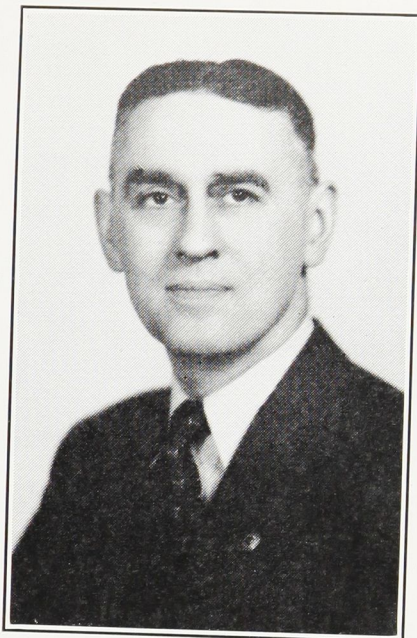

The Philadelphia Graduate chapter has completed a very active year since the chapter was reorganized last winter. Under the leadership of Regent Frank H. Eby and brothers Malcom W. Cox, George W. Patterson, Rudolph Blythe, William Heyman, C. H. A. Streamer, Geo. C. Davy and others on the Executive Committee, the chapter has carried on a program of considerable interest. Special attention was given to the matter of creating a closer fraternal spirit among the brothers in the Philadelphia area. During the year two smokers were held at the home of Eta chapter and on both occasions the members of Eta and Beta-Omega chapters were guests. These social affairs have brought together

many alumni members of both Philadelphia Collegiate chapters and the alumni members of other chapters who are now living in the Philadelphia area. The large attendance at the social and business meetings indicates that there is a fine Kappa Psi spirit in the eastern part of Pennsylvania and neighboring New Jersey. The chapter has set no geographical limits for the area from which members may be drawn hence any one who is within a convenient distance of Philadelphia and wishes to join the chapter may do so.

During the past winter a large delegation of members attended the Province meeting in New York and actively participated in the program. It is expected that a large delegation will attend the spring meeting scheduled to be held in New Haven in March. These Province meetings are excellent for bringing together the representatives of the different chapters and we strongly urge that other Provinces give some attention to holding at least one good meeting, more if possible, each year.

Fraternally yours,

JOHN A. LYNCH, Beta-Omega
Publicity Chairman, Philadelphia Graduate chapter

DR. FRANK H. EBY, BETA-OMEGA
Regent, Philadelphia Graduate Chapter.

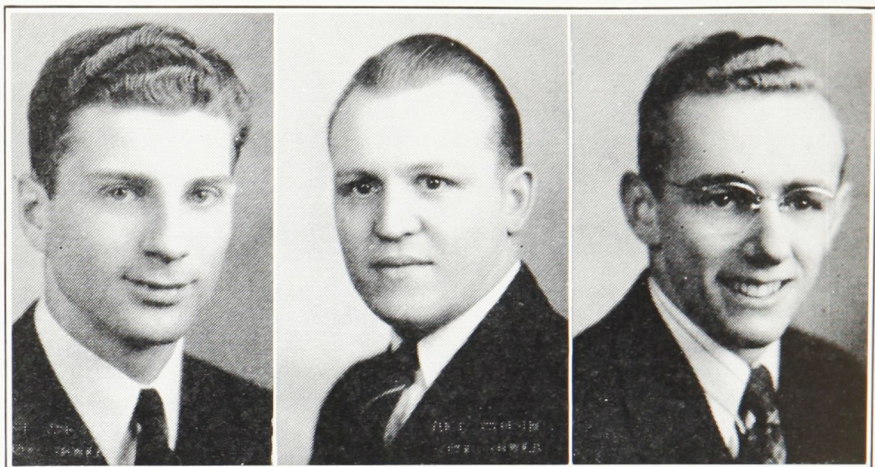

GAMMA-ETA—MONTANA STATE UNIVERSITY

DEAR BROTHER:

Enclosed are pictures of Gamma-Eta's present officers: Edward J. Herda, regent; Glenn H. Hamor, vice-regent; and Jack M. Asal, secretary-treasurer. All are graduating seniors.

Handicapped by lack of active members, Gamma-Eta has not been able to actively participate in as many extracurricular functions as previously but has been active within itself during the school year. Plans have been made for formal initiation of four new actives in the near future and formal pledging ceremonies will be held March 28, in the new Kappa Psi room of the Pharmacy-Chemistry building.

Educational and recreational meetings are held every two weeks with

EDWARD J. HERDA,
Regent, Gamma-Eta.

JACK M. ASAL, Sec.-
Treas., Gamma-Eta.

GLENN H. HAMOR, Vice-
Regent, Gamma-Eta.

the pledges in which speeches of importance and interest to pharmacy students are given. Much valuable information has been derived from round-table discussions also.

After planning to send two delegates to the National Convention in Louisville, Kentucky, in December, we were keenly disappointed to learn that it had been cancelled. We count strongly on attending next year's.

Jack Asal, secretary-treasurer, also an active member in the Pharmacy Club, will receive his commission as Second Lieutenant in the Infantry Reserve Corps of the U. S. Army in June.

Glenn Hamor, vice-regent, the only member belonging to a social fraternity, wears the badge of Sigma Alpha Epsilon. Glenn is also a valuable man in the Pharmacy Club.

Edward Herda, regent, is a member of Kappa Tau, University Senior Scholastic Honorary; of Phi Sigma, National Biological Honorary Society; and of the M.S.U. Pharmacy Club.

Dr. John F. Suchy, charter member, has, as usual, been very active and helpful in guiding and advising the chapter in his position as faculty advisor.

Fraternally,

GAMMA-ETA

GAMMA ZETA—HOWARD COLLEGE

DEAR BROTHERS:

Due to the graduation of ten active members, Gamma Zeta began this session with fewer members than usual. The remaining members, however, are enthusiastic and energetic Kappa Psi men, and they soon had

things started off in fine shape. Our members are among the highest in scholastic standing, a fact of which we are very proud.

The last meeting of the chapter was held Friday, March 14th in the Fraternity Room on the college campus. It was decided to hold a banquet in the Colonial Room of the Tutwiler Hotel on April 11th. A large group of alumni will be there, Kappa Psi members of the faculty and our Grand Secretary-Treasurer, Dr. A. R. Bliss, Jr. At this time, six new men will be initiated into Gamma Zeta.

Among the graduates who keep in close touch with the activities of our chapter are: John R. Warren, now an executive in The Warren-Teed Products Co.; Robert Vogt, who holds a responsible position with the Peoples Drug Co. in Virginia; Jerre Watson, Lane Drug Co., Aniston, Ala., and the former Regent, Frank Butenschon, now in business in Oxford, Ala.

Our new officers are: Norris Able, Regent; Billie B. Roberts, Secretary-Treasurer; and Tom M. Jordan, Historian.

Fraternally yours,
BILLIE ROBERTS, Secretary, Gamma Zeta chapter

Harry D. Poulston, member of Kappa Psi (Ohio Northern University, 1923), was recently elected an officer of Rotary International. He was named Governor of District 157 by delegates representing the 5,000 Rotary clubs of the world at the annual international convention in Havana, Cuba. Mr. Poulston, who is a pharmacist in Lima, Ohio, is a member of the Ohio State Pharmaceutical Association and of the National Association of Retail Druggists. He is also active in the Boy Scouts.

As a District Governor of Rotary International, Mr. Poulston will visit the Rotary clubs of 47 Ohio cities which comprise the 157th District and will counsel with and advise club officers on matters pertaining to Rotary service activities and club administration. He will hold office until the 1941 convention in Denver, Colorado, next June.

THE MASK regretfully announces the death of Augustus LeRoy Shackelford, Trenton, Tennessee, member of Gamma-Zeta and Psi chapters. Died: December 26, 1940.

NOTICE

Beta Kappa chapter announces the expulsion, on constitutional grounds, of Silvestri Silvesti and Frank Perry Bowser.

Signed, William F. Lester, Secretary

CHAPTER VISITATIONS

Visitations to the Collegiate Chapters of Kappa Psi are now being made by the officers of the Grand Council and will proceed as rapidly as possible during the present year. The purposes of these visitations are to better acquaint the brethren with the work being carried on by the Grand Council and to inspect the chapters.

The postponed National Convention is being planned to be held the last two days of the present year. It will be necessary for the Collegiate Chapters to vote again on the place of meeting, and each chapter will be given an opportunity to help decide this question in the near future. It is absolutely necessary that every chapter make plans now for sending one or two delegates to the National Convention, and each chapter Secretary is requested to send the name of the voting delegate to the Grand Secretary.

Fraternally yours,

H. W. YOUNGKEN, Grand Regent
