Grand Regent
GLEN J. SPERANDIO

Two things are necessary for continued success of any fraternal organization: good leadership and active participation by all of the members. We cannot all be good leaders, but we can all be good workers; and this is the thought I would ask each Brother to consider.

Leadership consists of two parts: showing the way so that others may follow, and pushing those who are slow to act on their own. It is vital to the growth of Kappa Psi and to each individual chapter that we select officers who can be good leaders, and that we continually try to develop superior officers from our new initiates.

Every Kappa Psi officer and committee chairman is a leader, chosen by his Brothers for a particular job. Thus he has an obligation to his chapter and how he meets this obligation will markedly influence the welfare of the entire group of members.

It is lack of good leadership that is at the root of the trouble in any chapter that is not doing well; and more often than not, the fault can be traced to the fact that the qualifications of the leaders concerned were not considered at the time of their election or appointment. It is the obligation of every member to help choose his chapter officers conscientiously on the basis of merit and leadership ability.

If you are one of our officers—or aspire to be one—you must be willing to accept responsibility and to work continuously. You must acquaint yourself with the complete workings of your chapter and learn its weaknesses and its strengths. You must correct the weaknesses and build on the strengths.

If you are a member without official position, you should realize that your voice is fully as important as any officer's. You should use your influence to see that good leaders are recognized and elected. You should seek out and support men who have a feeling for our Fraternity and what it stands for, and who have shown by past actions that they are willing to work for a cause in which they believe.

Kappa Psi has grown large and strong because we have had fine leadership. In this modern age, the burdens of being an officer grow heavier each year. Likewise, the care we take in choosing officers should become increasingly greater. At this time of the year many of our chapters will be electing new officers. It is my hope that each candidate named to an office will realize the obligation to his Brothers which he has assumed, and will work tirelessly to merit the title of his office.

"The final test of a leader is that he leave behind him in other men the conviction and the will to carry on."—Walter Lippmann

THE 33rd GRAND COUNCIL CONVENTION

Plans are now underway for the 33rd Grand Council Convention of Kappa Psi Pharmaceutical Fraternity which is to be held in San Francisco, California on December 27-30, 1965, at the Sheraton-Palace Hotel. An outline of the major features of the Convention will appear in the April-June issue of THE MASK. Chapters should plan now to send delegates to the Fraternity's most important event.

JOHN ATKINSON, Jr. APPOINTED GRAND COUNSELOR

The Executive Committee has appointed John Atkinson, Jr. (Theta) of Villanova, Pennsylvania who is associated with Smith, Kline & French Laboratories to complete the unexpired term of former Grand Counselor Gerald C. Henney. This to become effective as of January 1, 1965. THE MASK welcomes the new Grand Counselor John Atkinson, Jr. as a member of Alpha Chapter of Kappa Psi.

THE FRATERNITY AND THE COLLEGE*

The current controversy over the continued existence of Greek Letter Fraternities with a national affiliation, especially in tax supported institutions, has brought forth a variety of expressions of opinion both pro and con and in some cases, as in the State University of New York, has resulted in an enforced withdrawal of such fraternities from the college campus.

Here at the Albany College of Pharmacy we believe that our fraternities and sororities, all of which are nationally affiliated, have been most beneficial for both the college and the students. Private colleges thrive and achieve their educational and cultural aims largely through the loyalty and support of alumni. Taxpayer supported institutions do not need alumni support—and do not get it. Fraternities in general support closer ties with their college and their members are more likely to be active in alumni groups.

However, the chief objectives of a fraternity are concerned with the student and if these are not fulfilled, then its continued existence is debatable. In general, the primary objectives of a fraternity are (1) to promote brotherhood and (2) to encourage academic achievement. The right to choose its members to carry out these aims is inherent. Brotherhood denotes a unity of spirit. Those whose influences would introduce a divisive factor must be excluded if the purpose of the fraternity is to be achieved. The same would have to apply to those not likely to encourage the scholastic progress of its members.

We are grateful to Kappa Psi and the other fraternities and sororities at the college for their continued loyal support of the college and its administrators in the promotion of worthwhile college objectives and student activities. They have assumed more than their share of responsibility for the proper conduct of

* Dean Francis J. O'Brien of the Albany College of Pharmacy as written in the Beta Delta Newsletter, Volume I, No. 1 (1965).

student organizations and student activities. They have aided in the recruiting of good students, in the provision of incentive awards for good scholarship, and in the encouragement of students in overcoming the many difficulties associated with the obtaining of a college degree.

We are proud of Beta Delta chapter for fulfilling its obligations and responsibilities as a fraternity and are happy to promote and encourage its continued existence as a part of our fraternal system.

From the Central Office

Gerald C. Henney—Executive Secretary

As I assume the responsibilities as Executive Secretary of our great Brotherhood, I do so with increased awe and respect for Frank Hobart Eby and his very charming wife. No member of Kappa Psi can know what the Eby's have meant to the welfare and success of Kappa Psi until he has attempted to take-up where the Eby's have left off. A review of the financial history of the Fraternity over the last decade will show the astute management of the Fraternity's affairs which resulted in ever increasing wealth while always increasing the services of the Central Office to the Fraternity. A scanning of the volumes of correspondence and records reveal the tremendous job which was needed to keep the wheels of the Fraternity operating smoothly and efficiently. This has been my privilege in assuming the responsibility of the Central Office.

The Eby's dedication to Kappa Psi has made the transition of the Central Office a smooth and pleasant one. I have an advantage in my new position which Brother Eby did not have when he assumed the job a decade ago, experience and counsel to aid in the transition.

The Central Office is relocated and operating. The Central Office is dedicated to serve the Fraternity in any way possible. To this I pledge myself. In return I ask that you give me the same loyal support and cooperation which was given to Brother Eby. Your support is the key to my success or failure as Executive Secretary of Kappa Psi.

As I assume my new responsibilities I offer my services in tribute to "THE GIANT OF KAPPA PSI, FRANK HOBART EBY." My sincere wish is that I can adequately fill the tremendous void which Brother Eby's retirement has created. I also sincerely hope that when someone replaces me as Executive Secretary they can have the same feeling of gratitude for me as I have for Brother Frank H. Eby.

Report on Executive Committee Meeting Kappa Psi Pharmaceutical Fraternity

Washington, D.C.

November 6-7, 1964

Members of the Executive Committee, Kappa Psi Pharmaceutical Fraternity, met at the Howard Johnson Motor Inn in Washington, D.C., November 6-7, 1964. Grand Regent Glen J. Sperandio presided at all sessions and Ronald J. Sherman of Gamma Chi chapter served as the secretary pro tem. Present also were Charles Dakake, Jr., of Omega Chapter, Raymond J. Dauphinais, Frank H. Eby, Nicholas W. Fenney, Herman C. Forslund, C. Boyd Granberg, and Walter R. Williams.

Chairman Sperandio presented the report of the Grand Regent in which he reviewed major activities of the year including reference to the conferring of Honorary Membership on Senator, now Vice-President Hubert H. Humphrey, and Dean Daniel H. Murray of the University of Buffalo.

Grand Secretary-Treasurer Frank H. Eby reported that the Internal Revenue Service had approved group exemption from the payment of income tax for all Kappa Psi chapters. He also reported that the following had been approved by mail ballot since the last Grand Council Convention: (1) the selection of San Francisco as the site of the next Grand Council Convention, December 27-30, 1965, (2) tentative approval of Dr. Gerald C. Henney as the new principal executive officer and the transfer of the Central Office to St. Louis, Missouri, (3) a change in the Fraternity's fiscal year from the present dates July 1-June 30, to the calendar year and (4) the publication of a Rush Booklet.

Some of the items considered at the four sessions held in Washington by the Executive Committee and the results of the committee's decisions are recorded below:

1. Approval of Dr. Gerald C. Henney as the new principal executive officer of the Fraternity replacing Grand Secretary-Treasurer Frank H. Eby who previously announced his retirement from office to be effective January 1, 1965.

2. Approved change in the title of the principal executive officer from Grand Secretary-Treasurer to Executive Secretary.

3. Approved expenses for transfer of office furniture, equipment and records to St. Louis, Missouri and for new furniture and equipment, for rent and operational expenses for 1965.

4. Approved the audit of the Fraternity records and the transfer of all accounts to the new executive officer.

5. Approved a guide for allowable expenses for Grand Officers and committee members when performing duties, properly authorized, in the interest of the Fraternity.

6. The Publications Committee announced the distribution of the new Rush Booklet in October. Approval of the publication of the Handbook with minor revisions, when the present supply is exhausted, was given. The Constitution is being revised and all proposed amendments will be presented to the chapters before the next Grand Council Convention.

7. A budget was presented by a special committee appointed by the Grand Regent. It was discussed and with minor revisions was adopted for 1965.

8. An Educational Loan Fund proposed by Grand Secretary-Treasurer Eby was approved and will be established with funds set aside from each initiation fee. The fund will probably be available for loans in 1966.

9. John Atkinson, Jr. (Theta) of the Smith, Kline and French Laboratories

in Philadelphia was appointed Grand Counselor to complete the unexpired term of Grand Counselor Henney.

10. Approval was given to the appointment of Frank H. Eby for compiling a special history of Kappa Psi Pharmaceutical Fraternity.

11. Honorary Membership for two prominent members of the profession was approved and will be announced with presentations being made at the Annual Kappa Psi Breakfast in Detroit during the A.Ph.A. meetings.

12. Approval was given for the preparation of a new certificate designed to recognize those members of Kappa Psi whose membership extends over a period of fifty years.

13. Approval was given for the appointment of a Committee on Graduate Chapters.

14. Approval was given to the general arrangements and schedules for the Grand Council Convention to be held in December 1965 as presented by Grand Regent Sperandio.

15. Approval was given to the date May 30 as the official Fraternity Founders' Day. Each chapter is urged to recognize and celebrate the founding of the Fraternity at a time most convenient in each instance.

16. A charge of six dollars (\$6.00) was approved as the cost of the Citation of Appreciation Certificate which included the engraving not to exceed twenty words.

17. The Committee reviewed the various problems of membership. It was emphasized that the attention of all members and chapters be directed to the constitutional requirement that the payment of monthly per capita fees to the Central Office for each member in a chapter is the responsibility of the respective chapter. So long as a member is enrolled as a student and is attending classes, he is regarded as a full member of the chapter. There are no exceptions.

18. A special committee presented a report on the alignment of chapters in provinces. This matter was discussed very carefully and the report will be presented to chapters at a later date.

“Rights of Association and Peaceable Assembly”

On December 7, 1964 all member fraternities of The Professional Interfraternity Conference received the following bulletin from its president Meredith M. Daubin, This is of timely interest to all fraternities as it is a definite restriction in the 1964 Civil Rights Act which protects the “right of freedom of association and peaceable assembly” as guaranteed by the Federal Constitution in prior decisions of the Supreme Court. The president of P.I.C. states that “possibly this re-statement of ‘rights of association and peaceable assembly’ will result in a retardation of the zeal with which many college and faculty committees have persecuted fraternities to the point of campus elimination.”

A BULLETIN FROM INTERFRATERNITY RESEARCH AND ADVISORY COUNCIL, INC.

113 Broad Street, Boston, Mass.

The Interfraternity Research and Advisory Council (known as I.R.A.C.) believes you will be interested in such facts as it has concerning (6), Sec. 104, Title V of the 1964 Civil Rights Act.

In the forties, individuals, groups and parents began to resent the widespread use of questionnaires, as an intrusion of the traditional rights of privacy. Conferences represented in the I.R.A.C. recommended caution regarding questionnaires. One of the Conferences decided that no questionnaire would be answered unless cleared by a committee of that Conference.

In the fall of 1963, a questionnaire was sent groups on a University campus. The questionnaire requested information on membership selection and submission of national and local rules relating thereto. The letter transmitting the questionnaire was on stationery of the U.C. Commission on Civil Rights and was signed by the Chairman of the State Advisory Committee. A franked envelope was enclosed for the return of the questionnaire.

Inasmuch as the U.S. Commission on Civil Rights has subpoena power and also authority to set up State Advisory Committees, an especially difficult situation was created for the Conference that had decided to answer only questionnaires that had been cleared by its committee. So, it was necessary to ascertain whether a reply to the questionnaire could be compelled. Those who drafted the Civil Rights Acts of 1957 and 1960 were consulted, and also members of the Commission and members of the Congress.

Many Congressmen and organizations recognized the threat to the traditional “freedom of *association* and peaceable assembly” which protect many organizations known in the law as “voluntary associations,” and therefore the Congress provided against any misinterpretation of its intent by inserting in the 1964 Civil Rights Act, Title V, Sec. 104 (6), the following:

“Nothing in this or any other Act shall be construed as authorizing the Commission, its Advisory Committees, or any person under its supervision or control to inquire into or investigate any membership practices or internal operations of any fraternal organization, any college or university fraternity or sorority, any private club or any religious organization.”

The unanimity of the Congress for this provision, important to millions of citizens, was not widely publicized. Most news items related to debates regarding other provisions of the Act.

Province VIII Assembly

By Richard T. Schugel, Historian

The Province VIII Assembly was held on Saturday and Sunday, November 14 and 15, 1964, at the Twin's Motor Lodge in St. Paul, Minnesota with Epsilon chapter serving as the host. Representatives of the following chapters were present. Gamma Kappa (South Dakota State University), Beta Sigma (North Dakota State University), Beta Chi (Drake University), and Epsilon (University of Minnesota). Saturday evening representatives registered and an informal smoker was held.

The first business session began Sunday morning with a call to order and a welcoming address to the brothers by Ronald M. Sorenson, Regent of the host chapter. This was followed by an invocation by John Thatcher, Chaplain of the host chapter.

The Satrap, Gerald Gamrath, of Beta Sigma chapter was introduced and roll call was taken by acting secretary William Green. Members from each chapter were selected for the Legislative, Time and Place, and Resolution Committees to be presented during the afternoon session.

A delegate from each chapter gave a report on the activities his chapter had accomplished in the past year. After a recess of 20 minutes three panels, made up of a member from each chapter, went into discussion. The first panel considered rushing and pledging; the second considered chapter fund raising projects; and the third considered a national sweetheart pin. After the panel discussions the Assembly recessed for a luncheon.

When the Assembly reconvened an amendment by the Legislative Committee stating that the Assembly will meet once every year instead of once every two years was passed.

The next order of business was the election of officers. Reports of the nominations by the chapters were presented to be voted on. The following officers were elected: Satrap, Dr. Lee Schram (Epsilon); Vice Satrap, Peter Reunitz (Epsilon); Secretary-Treasurer, Thomas Tharldson (Beta Sigma); Historian, Richard Schugel (Gamma Kappa); and the Province VIII Delegate to the National Convention, William Green (Beta Chi). Fargo, North Dakota was selected by the Time and Place Committee as the site for the 1965 Assembly with Beta Sigma acting as host, the date to be the 1st or 2nd weekend in November.

Following adjournment of the afternoon session, a banquet was held for the chapters in the Hawaiian Room of the Lodge. Professor James Vacik, Third Grand Vice Regent and Supervisor of Province VIII from Beta Sigma, spoke on how the delegates of each chapter should put forth and apply what was carried out at the Assembly. On that fond farewell Province VIII Assembly adjourned.

Province X Assembly

Seattle, Washington—October 10, 1964

The biennial Assembly of Province X was held in Seattle, Washington on October 10, 1964. Chapters in attendance were Beta Zeta (Oregon State University), Beta Omicron (University of Washington), Beta Pi (Washington State University), Gamma Eta (Montana State University), Portland Graduate Chapter, and Seattle Graduate Chapter.

At 8:15 A.M. Satrap John Cook welcomed the visiting brothers and the invocation by Chaplain James E. Axelson was given. Dr. Louis Fischer (Beta Omicron) welcomed the delegates to Seattle on behalf of Beta Omicron, the host chapter of the University of Washington. Following this the roll call and seating of delegates took place. Secretary Frank Pettinato (Gamma Eta) read the minutes of the 1962 Assembly and these were approved. He followed with the Treasurer's report which was also approved. Grand Historian Leo A. Sciuchetti brought greetings from the Alpha Chapter and gave us an enlightening report on the National Convention.

Satrap John Cook called for reports of chapter activities by the delegates of each chapter at 9:00 A.M. There were 33 present for the assembly. This was followed by a coffee break provided through the courtesy of Beta Omicron Chapter.

At 9:50 A.M. Satrap Cook called the meeting back to order and asked for the presentation and discussion of topics, which had been previously assigned, by a representative from each chapter. The topics and responsible chapters were

"Desired Objectives of Pledge Duties and Pledge Assignments" (Beta Zeta), "The Role of Kappa Psi in Promoting Good Professor-Student Relations" (Beta Omicron), "The Responsibilities of a Chapter to Its Members" (Beta Pi), "A Program of Professional Events for a Collegiate Chapter" (Gamma Eta), "The Desirability and Feasibility of a Kappa Psi Student Loan Fund" (Portland Graduate Chapter), and "The Responsibilities of a Graduate Chapter" (Seattle Graduate Chapter).

The Nominating Committee submitted the following slate of officers and they were unanimously elected: Satrap—Dr. Lynn Brady (Beta Omicron); Vice Satrap—Dr. Frank A. Pettinato (Gamma Eta); Secretary-Treasurer—Dr. Melvin R. Gibson (Beta Pi); and Historian—Don W. Bollig (Portland Graduate Chapter). The Time and Place Committee recommended that Beta Zeta Chapter be the host for the next Province Assembly in the fall of 1966—the city to be determined at a later date. This recommendation was approved by the Province Assembly. The Resolutions Committee in its report recommended that Beta Omicron (University of Washington) receive the thanks of the Assembly for successfully arranging the meeting and its program. Satrap John Cook also expressed appreciation to Beta Omicron for the help in making this Assembly and the luncheon, which closed the 1964 Province X Assembly, a success.

Respectfully submitted,
DON W. BOLLIG, *Historian*

EPSILON—UNIVERSITY OF MINNESOTA

Epsilon chapter extends greetings to all brothers of Kappa Psi. We of Epsilon chapter have engaged in a most active program this school term. The majority of our activities have been oriented toward planning the Province Assembly and modifying the present policies of our chapter.

Activities during the months of September and October centered around planning the particulars involved in hosting the 1964 Province VIII Assembly, held at the Twin's Motor Hotel on November 14-15. The event commenced with an informal smoker Saturday night at which the delegates became acquainted with each other, and with Minnesota. Official business was enacted the following day. The possibility of the adoption of an official Province VIII "sweetheart" pin, a comparison of pledging procedures, and methods for successful fund-raising projects were discussed by panels consisting of members of the four states represented. The Time and Place Committee suggested that the next Assembly be held at North Dakota State University. The Nominations

Committee suggested Dr. Lee C. Schramm and Pete Ruenitz of Epsilon chapter be nominated for Satrap and Vice-Satrap, respectively. The decisions of both committees were accepted by the membership. This interchange of ideas between the participating chapters was felt to be of such benefit that it was decided to hold Province VIII Conclaves annually, rather than bi-annually, as formerly customary.

The entire event was culminated at a dinner on Sunday night, November 15. Several speakers from the chapters, including Dr. J. P. Vacik, informed the membership of the activities of Alpha Chapter. In addition, several manufacturer's representatives spoke and donated door prizes. Of special interest to Epsilon chapter was our presentation of a check for \$250.00 to Dr. Frank DiGangi for use in the Graduate Chapter's loan and scholarship fund.

The annual Student-Staff Directory, published by Epsilon chapter as a service to the pharmacy students, was distributed again this year. The publication is a listing of the students in the College of Pharmacy with their address and telephone number. We are also busy so-

liciting advertising for another of our publications, *PharmaCOPA* (the College of Pharmacy Annual). John Thatcher, chairman of the project, reported that with the help of all concerned, our goal of \$2,000.00 will be reached on schedule.

The present policies of our chapter was the main topic of discussion during the last several months following the convention. Compulsory professional dress was heavily debated at several business and special meetings during the past several weeks. It was felt that professionalism would be promoted throughout the College if the professional-dress requirement were put into effect. After several lively debates concerning its compulsory nature, the proposal was recommended to a committee to further study the issue. Consideration is also being given to increasing the number of social events per quarter to provide more frequent contact.

Our pledging program also was discussed in light of the ideas presented at the convention. Several revisions have already been made and others are being planned. Under the new format, four new brothers were welcomed to Kappa Psi: Thomas Pazdernik, Joseph Kostick, Gerald Dean, and Donald Thelen. The final stage of the initiation ceremony was completed on January 7, and the active members enthusiastically greeted our new brothers at a party which followed. A vigorous pledging program is now in progress for winter quarter in hope of keeping our membership constant after the graduation of ten seniors this year.

On behalf of Epsilon chapter, may the new quarter be as successful for all brothers of Kappa Psi as the last one has been for us.

Fraternally yours,
KEN STENGLIN, *Historian*

ETA—PHILADELPHIA COLLEGE OF PHARMACY & SCIENCE

Several new faces have appeared at our house since the last issue of THE MASK. One new brother was taken in through the fall pledging program, Bosco Lee. Congratulations, Bosco. The second new face is that of Dr. Sugita who comes to P.C.P. from Purdue University's School of Pharmacy. Indeed Pi's loss has been our gain. Brothers Tony DiSanto and Joe Garcia are to be congratulated for the fine work for which they were awarded scholarships at a recent assembly at the College.

In looking toward this new year I would hope that we will see a re-awakening of our society to the real meaning of life. In the complexity of daily living we tend to become too concerned with the material things. There is a good side to this life; those who say they cannot find it cannot because they are either looking in the wrong places or are not looking at all. The answer is not to be found in materialism. We in medicine who work so hard to save and prolong lives cannot possibly be satisfied with merely giving people more time to waste in the drudgery of life as it is lived by many today. Indeed we must use our many advantages of close contact with people to encourage the living of life as our Creator intended it to be lived.

Fraternally,
DONALD JONES, *Historian*

THETA—MEDICAL COLLEGE OF VIRGINIA

Greetings and best wishes for the new year from your Brothers of Theta Chapter.

Prospects are bright for us this year as we complete plans for pledge season which is near at hand, and by publication time Theta Chapter will have added many new candidates to its ranks. As usual, we have been busy since the start of this term planning our political strategy for upcoming school elections which will have been held before next issue and if we stay true to form, Theta Chapter will sweep the slate again, repeating last year's landslide victory.

Before leaving for Christmas vacation, we annually make it a point to share our good fortune with others doing what we can to aid a deserving family or giving toys to our local crippled children's hospital. This year Brothers Hayden L. Austin, III and Richard H. Barnes distributed toys and gifts to the crippled children. Brother Richard D. Martin and his committee sent Christmas cards to the students in our school of pharmacy here at the Medical College.

We welcome into our chapter Brothers Thomas A. Middlebrooks, C. Leroy Wilson, Jr., and Richard E. Stotler who come from Gamma Tau Chapter of George Washington University.

Until next issue, I remain

Fraternally yours,

MU—MASSACHUSETTS COLLEGE OF PHARMACY

1964 was a year to remember at MCP, and 1965 promises to be even greater. December was a busy month here with the election of class officers taking place. Louis Imbriano was reelected as president of the class of 1965, and John Rossetti is Class historian. In the second year class Ken Wilson was elected president, John Tisdell as vice president, and John Campbell is the Student Council representative.

Congratulations are extended to Brother Leonard F. Tibbetts upon his recent election as president of the Massachusetts College of Pharmacy. Brother Tibbetts is an initiate of Mu chapter, proprietor of a retail pharmacy in Arlington, Mass., and is also a member of the Massachusetts State Board of Pharmacy.

On the evening of December 5, the Annual Dinner-Dance was held at Valle's Steak House. Most of the undergraduate brothers were in attendance, as were many of the faculty and other graduate brothers. The highlight of the evening was the arrival of Santa Claus and one of his reindeer. Santa took time from his rigorous schedule to talk to the brothers and distribute presents to each facultate member.

Beginning soon will be a series of evening meetings for Mu chapter brothers. These meetings will consist of matters of a business and professional nature. They were adopted by the brothers, because MCP is a commuting college and time for meetings is limited.

Soon Pledge Period will be upon us. Hopes are high at school this year, and Mu chapter anticipates another large turnout of top quality pledges.

On January 30 a Tri Fraternity Dance will be held at MCP. Kappa Psi will again join forces with the other two fraternities to put on another one of these affairs. These dances have enjoyed much success in the past, and this year's promises to be no exception.

Coming up soon is the Mu Chapter Annual Smoker at the Towers Motor-In on Route 128 in Dedham. This affair will be held April 3. Also on the agenda is the Formal Dinner-Dance at the Chestnut Hill Country Club in Newton May 5.

Until the next issue, I remain,

Fraternally yours,

EDWARD P. LAFLEUR, *Historian*

NU—UNIVERSITY OF CONNECTICUT

The best of the season's greeting to all Kappa Psis from Nu Chapter at the University of Connecticut. We hope you had a restful vacation and are ready for all the rigors of finals.

We returned to campus on January third and were welcomed by the first significant snowfall of the year. Many of the boys are planning ski trips for the semester break and some have driven down-state to Powder Hill in order to improve their form before heading north to Vermont. Some of the brothers who are going to Vermont are Joe DeLucia, Jim Carley, Ed Chmielewski, and Larry Nappi.

Once again we are fighting it out for top spot in intramural sports. We are presently in second place, but are only a few points in back of the leaders. Our record in basketball is 6-1 and this is our best record in many years. Besides basketball, we are presently participating in handball doubles and table tennis doubles. Soon indoor track and swimming meets will be held. These have been our strong points in team sports in recent years. George Pollio and Steve Lako won their class competition in the weight-lifting meet which took place before Christmas. George is our sports chairman for the year and is doing an excellent job recruiting brothers for the various events.

Nu Chapter has been strengthened by the addition of new members to its ranks. They are Brothers Roy Frangiamore, Don Hincks, Joe Kahrmanis, Ed McGee, Joe Petricone, Leo Roberge, Dennis Shultz, Jim Wojnar, and Ron Szydlo. New faculty brothers are Professor Chris Rodowskas, Dr. Ronald Wulf, and Gary Dugan. New pledges are John Fontaine, Fred Tieman, and Al Hale.

Recently engaged Brothers are: Peter Parisi to Miss Charlotte Hirst, Rocco Inglis to Miss Mary Ann Raucci, and Jim Elias to Miss Jeanie Gordon. Lou Scianna was married to Miss Susan Slater in December. Their home is in Middletown.

We are looking forward to our annual Sweet-heart Formal which is to be held January 9 at the Grantmoor. Following the formal our next big social event is Winter Weekend which will be held at the end of February.

I would like to take this opportunity to thank the brothers of Nu for letting me serve the office of Historian. It has been a reward-

ing and enjoyable experience working for the house and serving with my fellow officers. We elect new officers this week and I wish them the best of success and help, which I received when needed.

Fraternally yours,

PETER PARISI, *Historian*

XI—OHIO STATE UNIVERSITY

The brothers of Xi chapter extend their warmest greeting to all brothers of Kappa Psi.

Our chapter officers for this year include: Raymond Anderson, Regent; Donald Harris, Vice Regent; Robert Lemon, Social Chairman; William Latta, Chaplain; James Worthington, Secretary; Lawrence Lewis, Treasurer; and Lawrence Salyer, Historian. We are involved in preparing our various undertakings of the chapter for the year.

Congratulations are in order for Brothers Russell Gortner, Raymond Anderson, Donald Harris, Timothy "TR" Rogers, Thomas Sherrin, and James Worthington, as they all have "tied-the knot" since last June. Congratulations are also in order for many of our new pledges. David Wright was married this summer. Pledge William Brown (and his wife) are expecting their first child in March.

Our pledge class this year is one of the largest ever, with fifteen going through the program. We are happy to find out that this group is "quality" as well as quantity in that four of the Sophomore pledges attained scholastic marks good enough to earn them a place on the Rho Chi Honor Plaque (requiring 3.00 pt. hr. ratio and be in the top 20% of their class). These include pledges Douglas Rollins, Vincent Stevens, Daniel Snavely, and Thomas Klosterman. Brothers Bill Latta and Larry Salyer will be in charge of the pledge program this year. Pledges going through the program are: Bill Brown, 'Charlie' Deaton, Bob Green (member of the Junior Class), Roger Braun, Tom Gasser, Dan Snavely, Jack Siddle, Jim Munson, Bill Finefrock, Bob Mathia, Tom Klosterman, and Vincent Stevens.

Our annual get-together with in-coming Sophomores as part of our "rush" program proved to be again a great success. This year we had a smorgasbord supper at the Worthington Inn in Worthington, Ohio. Faculty members Dr. Arthur Tye, Dr. Sokoloski, and our chapter advisor Dr. Earl P. Guth were invited. Dr. Guth and Dr. Tye were speakers for the event. We had a good turn-out and everyone had a good time. We found out that pledge Bill Brown plays a mean guitar, only not loud enough. We had only one chapter luncheon this quarter, but it proved to be one of the biggest successes in this type of function that we have had. Dr. John Nelson was guest faculty speaker, and related to us some of the true (he swears!) experiences which had befallen him in the time that he had worked in a drugstore. Again, the chapter extends its thanks to Brother Lemon for his efforts in bringing such fine social functions for the chapter.

Fraternally,

LAWRENCE E. SALYER, *Historian*

PI—PURDUE UNIVERSITY

With the first semester coming to a close the brothers of Pi chapter find themselves quite busy. In addition to the final exams, commitments are busy working on the upcoming initiation banquet, and plans for the spring dance.

This year the brothers were looking for ways to improve attendance at the meetings. It was suggested that we could get short movies to show after the meetings. Two interesting movies have been seen to date. One was on auto drag racing and the other was on how to make beer. In addition we are having speakers appear at our meetings. Dr. Alfred Martin was our first speaker, and he gave a slide lecture describing his year stay in Paris. The movies and the guest speaker program are interesting and they have improved the attendance.

The new pledge class is to be initiated Sunday, January 10, and their banquet will be the following Tuesday. The brothers are looking forward to their steak dinner during the finals. Dean Jenkins, Dr. Sperandio, and our advisors Dr. Banker and Dr. Shaw will be our guests. Dr. Sperandio, Grand Regent, will give a talk to the brothers.

Before Christmas vacation the brothers went caroling with the Kappa Epsilon girls. We visited a number of the faculty homes and later went to Dr. Sperandio's home for a party. A good time was had by all the brothers.

The date for the annual Sweetheart Dance has been set for May 15. There will be a dinner early in the evening, and later at the dance in Duncan Hall the new Sweetheart will be honored.

With the new year upon us the brothers of Kappa Psi should dedicate themselves to making this a prosperous year for the Fraternity. Best wishes from the brothers of Pi Chapter.

Fraternally yours,
JIM FITES, *Historian*

CHI—UNIVERSITY OF ILLINOIS

Warmest greetings to all brothers in Kappa Psi from the brothers of Chi Chapter. After an interesting experience in learning, the brothers are ready to stave off another attack from the ever-menacing faculty. Our successful quarter started with the usually successful smoker which netted 16 fine pledges. As the pledge program progresses, we find ourselves increasingly pleased with them and ourselves. Elected, accepted, and initiated as faculty members were Robert Mrtek, a doctoral candidate in pharmacy, and Dr. Luis de la Torre, assistant professor of zoology at our university.

Athletically, our volleyball entry brushed aside all competition and climaxed an unbeaten season by taking the campus championship and pharmacy tournament for the fourth consecutive year. On a lighter note, the actives subdued the pledges in a football tussle in Chicago's frozen Grant Park. Revenge was sweet, however, as a December sleigh ride turned into an active-pledge snowball fight with the pledges coming out less than second best. A pledge class project turned out to be unusually successful as food was collected to be distributed to less fortunate folks in Chicago

to make Christmas a little merrier. The whole chapter also participated in a Christmas carolling project at Du Page County Hospital. We believe this to be a quite worthy project and enjoyed ourselves quite a bit even though we probably sounded less than practiced. Our post-finals party and Christmas Dance featuring a pledge class skit proved enjoyable as always, and we believe we had quite a complete and successful quarter.

Fraternally yours,
TIM SVOBODA, *Historian*

BETA GAMMA—UNIVERSITY OF CALIFORNIA

Greetings to the brothers of Kappa Psi from Beta Gamma Chapter, University of California School of Pharmacy. Believe it or not, another semester in our pharmaceutical training is about to become past history in the minds of the brothers, and we are all getting primed and prepared for that grueling academic orgy referred to as Final Week. After weathering that storm we will all be able to enjoy a two-week semester break.

The beginning of the semester saw the usual rush activities. Again, as always, Beta Gamma chapter accepted as pledges a very studious, astute, and playful group of young men. We are exceedingly proud of each and everyone of these pledges and have great hopes for their future success and service both to the chapter and to the profession of pharmacy.

The following are new pledges of Beta Gamma chapter: Clinton Baughman, Ron Cavallo, Don Darmstadt, Gary Forsell, Martin Jinks, Gary McCart, Dennis Michaud, Kenneth Nitta, Jim Pyott, Pete Penna, Gary Price, Richard Sakata, Paul Schmidt, Curtis Tibbs (Pledge Captain), and Tosh Tsuda.

BETA DELTA—ALBANY COLLEGE OF PHARMACY

The brothers of Beta Delta send their greetings and hope the first semester was a success for all their fellow brothers.

At the recent Annual Awards Seminar of the college several brothers were honored. Richard Miller, David Jackson, Thomas Zalondek and Charles Stewart received Scholarship Keys. Others receiving prizes were Robert Phelps, Scott Heise, and William Quackenbush.

Five brothers have recently become engaged: Regent Jim Preston to Miss Connie Dougherty, John Henty to Miss Jane Persons, Frank Conti to Miss Marilyn Hauver, Tom Drahushuk to Miss Frances Burden, and Doug Linstruth to Miss Sally Ann Lougheed.

At the Province I Convention Professor Rinaldo DeNuzzo was elected Satrap. The next Province Convention is scheduled for Beta Delta in the spring of 1966.

Beta Delta has been cooperating with the other fraternities and sororities of the college to reactivate the IFSC. The council hopes to better regulate the social calendar. One of the first actions was to do away with freshman pledging.

Because of the IFSC ruling, there were only three in this year's pledge class: Thomas Ward, Gary LePrell, and Jack Napoli.

The chapter has just published the first edition of its Newsletter which will be issued three times a year. The first issue has brought very favorable comment for editor Tom Breon. Copies are distributed to the collegiate and graduate members and the chapters of Province I. The purpose of the Newsletter is to inform the brothers of the activities of the chapter and to provide the graduate members with a means of communication. The ultimate objective is the reactivation of the graduate chapter.

The annual banquet was held on October 26. Professor John Flynn spoke about his experiences with the United Fruit Company in Latin America.

Beta Delta is planning a toboggan and beer party for February 6.

The annual Sweetheart Weekend will be held on the weekend of May 1. It will include a beer party on Friday, a formal dinner-dance on Saturday and possibly a clambake on Sunday.

In closing the chapter wishes to extend its best wishes to Dr. Frank H. Eby as he leaves his post. Beta Delta will continue to have a warm spot in its heart for Brother Eby, "Mr. Kappa Psi."

Fraternally,
CHARLES N. STEWART, JR., *Historian*

BETA EPSILON—UNIVERSITY OF RHODE ISLAND

The brothers of Beta Epsilon Chapter at the University of Rhode Island extend best wishes

for the New Year to all fellow brothers of Kappa Psi.

As this term closes the brothers of Beta Epsilon can look back over a full and progressive semester. The Province I Assembly, of which we were host chapter, opened our semester with an excellent program and good attendance from all participating chapters in the Province.

In accordance with our plans for expansion of the chapter membership, the brothers under the leadership of Tom Gibson, our Regent, have begun a pledge drive. This drive was initiated by a coffee hour to gain the interest of the new Pharmacy students and introduce them to the brothers and faculty who are members of Kappa Psi. It is our hope to bring these students to realize the importance of the professional fraternity in their future in Pharmacy and in the future of Pharmacy, itself.

Looking to the coming semester the brothers of Beta Epsilon have an exhaustive schedule before them. The new pledge training period is set to begin, followed by initiation, and our Spring social events.

In closing the brothers of Beta Epsilon wish all our fellow brothers in Kappa Psi continued success, especially in the coming semester.

Fraternally yours,
THOMAS E. NEEDHAM, JR.

BETA ZETA—OREGON STATE UNIVERSITY

Greetings to all Kappa Psi brothers from the members of Beta Zeta. We sincerely hope that a pleasant holiday season was enjoyed by our brothers everywhere.

At our last dinner meeting thirty new brothers were added to the rolls of Beta Zeta chapter. The new brothers are: John Brady, Fred Corbin, Mike Douglas, Allan Hall, Bill Johnson, Bing Mah, Katsuyoshi Murano, Bob Oliver, Robert Olson, Ted Patchin, Leroy Roberts, Wayne Wilkinson, Willard Wilson, Mike Calaba, Richard Cancilla, John Dayton, Dean Frischknecht, William Geil, Robert Harel, Richard Irwin, Carel McCann, James Mutch, Gordan Nielsen, Ronald Noble, Curtiss Peterson, Douglas Provan, William Rogers, Edmond Searcy, K. C. Siu, and James Thielke.

The November blood drive sponsored by the men of Kappa Psi was a huge success and once again the brothers of Beta Zeta feel honored to have served their school and the Red Cross in this professional capacity.

The brothers of Kappa Psi will serve as guides for the January 23 Beaver Preview, which is an annual event sponsored by Oregon State University for high school seniors throughout the state. The brothers will take interested students on tours of the Pharmacy Building and answer questions concerning careers in Pharmacy.

Plans are being made for Beta Zeta's annual Apothecary Ball to be held in the near future. The Apothecary Ball is an all school dance highlighted with refreshments and door prizes furnished by the local pharmacies.

Brother Gerald Hutchinson presented a paper entitled, "Desired Objectives of Pledge Duties and Pledge Assignments," at the Province X Assembly held in Seattle last October 10. Other

members of the Beta Zeta delegation included Grand Historian Dr. Leo Schiuchetti, Regent Emil Evenson, and Brothers Nolan Hasegawa, Dave Bystrom, and Dave Heitz.

In closing Beta Zeta extends the best of luck to all Kappa Psi brothers during the new year.

Fraternally,
DAVE HEITZ, *Historian*

BETA KAPPA—UNIVERSITY OF PITTSBURGH

Greetings to all Kappa Psi brothers from Beta Kappa Chapter at the University of Pittsburgh. The brothers here at Pitt sincerely hope that all Kappa Psi men enjoyed a most pleasant holiday season and are well on their way to a successful and prosperous new year. We would like also to thank those chapters who remembered us with a Christmas card.

The four pledges taken last trimester are now active brothers. We welcome Nick Bassar, Eric Nestier, Mike Wetzel, and Lou Williams as brothers of Kappa Psi. The third degree ceremony was conducted at the chapter house on November 23, with our chapter advisor, Dr. Paul Wurdack and all the brothers present. Brother Nick Bassar wishes to thank all the Kappa Psi chapters who cooperated with him in his pledge project, and asks that the remaining few who have not yet sent them in, help in completing our collection of prescription labels. The completed collection will be incorporated into the Greek letters Kappa and Psi, to be hung in the chapter house.

The Professional Activities Committee announced that this trimester's professional series will consist entirely of movies, presented monthly throughout the term. Our spring rushing program was held from January 11 to January 31. An informal rush party, plus the traditional semi-annual formal rush dinner were held. The chapter is also planning their annual Spring Dinner Dance which, in the past, has always been the big social event of Kappa Psi life here at Pitt.

With best wishes to all for a continued successful year, I remain,

Fraternally,
STU FOLINO, *Historian*

BETA PI—WASHINGTON STATE UNIVERSITY

Winter greetings to our brothers of Kappa Psi from Beta Pi chapter here in the snowy Northwest. As the first term draws to an end we look back upon the past few months as being prosperous ones for Beta Pi.

The fall rush function was enjoyed by the brothers and prospective pledges alike. Brothers Sam Deliganis and Dale Robinson gave highlights of their European tour taken last summer. Rush was quite successful as we initiated 14 new brothers into this great Fraternity on January 8 at our initiation banquet. The Kappa Psi clasp was extended to the following: John Meier, Bob Tekel, Richard Gustin, John Herda, Lance Aamot, Charles Eyer, Gary Fletcher, John Loney, John Kilbourn, Larry Morgan, Gary Siegal, Bruce Wherry, Bill Liu, and facultate member Dr. William Johnson.

December 11 was the date of the annual Beta

Pi stag party. Suitable refreshments, cards, and the movie of a previous Pharmic-Vet basketball game provided entertainment for the affair.

On the sports scene, the Beta Pi intramural basketball team has been working hard. We don't plan on being at the top of our league this year, but are already looking forward to the next season.

The officers of Beta Pi were dinner guests of our advisor, Dr. Melvin Gibson, before we left the campus for the holidays. Dr. Gibson's superb cooking was definitely a factor in making a very pleasant evening.

That is about all of the news I have to report from Beta Pi for now. Until the next issue of THE MASK, I remain

Fraternally yours,
JIM WERNZ, *Historian*

BETA RHO—UNIVERSITY OF MISSISSIPPI

Brothers of Kappa Psi, greetings, from the Beta Rho chapter of the University of Mississippi. We sincerely wish everyone a pleasant and prosperous new year.

The year 1964 has been richly rewarding for our chapter, and we have prospered with the year under the able leadership of Regent Bobby Morgan, Vice Regent Bob Davis, and our other officers. Our most sincere thanks go out to Brothers Bob Davis, Vice Regent, and Leon Williams, Treasurer, for jobs well done, since they will graduate in January, 1965.

As mentioned, our chapter has prospered throughout 1964. Several of our brothers held honored positions within the School of Pharmacy. President and Vice-President of the Pharmacy Student Body were Brothers Eddie Barnett and Bob Parks, respectively. Vice-President of the student branch of the American Pharmaceutical Association was Brother Larry Holder. Brother George Bergold is Vice-President of the Senior Class, and Vice-President of Rho Chi. Several of our brothers hold positions outside of the Pharmacy School. For example, Brothers Larry Fox and Bill Wells were members of the campus senate, the student governing body of "Ole Miss".

Several of our brothers attended the Province VII Convention of Kappa Psi in Austin, Texas. Those in attendance were Bobby Morgan, Regent; Ron Edwards, Historian; Bill Wells, Sergeant-at-Arms; and Larry Holder.

Brothers Bob Davis and Bill Harlan attended the American Pharmaceutical Association Convention in New York City. Brother Bill Harlan was selected as Chairman of the Membership Committee of the Student Section of the American Pharmaceutical Association. Our congratulations go out to each of these.

Among the activities undertaken in 1964 by the Beta Rho chapter was a blood drive. The brothers contributed blood to a mobile blood bank, with the blood being banked so as to be available to anyone in this area who might need it.

Another activity undertaken by the chapter during 1964 was the establishment of a fellowship supper on the first meeting night of each month.

We feel that the year 1965 will be even more rewarding than 1964. We now have seventeen

Fourth row—Ladner, Legett, Rogers, Davis, Buster, Bergold, McCollum, Mann, Odom

men who will soon be ready for initiation, bringing our active membership to forty-eight. Our second semester rush "Smoker-Supper" is already planned. We are awaiting the end of exams so that we might enjoy a dance which will be well needed by then. Plans are also being made for the chapter to undertake a Diabetes Detection Drive. This will cover the campus as well as the adjoining town of Oxford, Mississippi.

We are also looking forward to capable school leadership under new officers. Kappa Psi brothers who will take office next semester will be Brothers Bill Harlan and Ron Edwards, President and Vice-President, respectively, of the student branch of the American Pharmaceutical Association, and Brother Lynn Britton, President of the Pharmacy Student Body.

Beta Rho wishes to acknowledge the appointment of Dr. Gerald Henney, of Province VII, as the new Executive Secretary of Kappa Psi.

Brothers, good luck with your exams. Again, may 1965 be prosperous for each of you. Until the next issue of THE MASK we remain fraternally yours.

BETA SIGMA—NORTH DAKOTA STATE UNIVERSITY

Once again I send greetings to all from the brothers of Beta Sigma chapter.

As mentioned in the previous issue of THE MASK, one of the big highlights of our Fall quarter was the dedication of our new house. The event took place on November 14 and we had a great turnout from both alumni and chapter members. Among the dignitaries which were present were Ansul Suckerman, a Charter Member and Dr. James Vacik, the Third Grand Vice Regent of Kappa Psi. The dedication ceremonies took place at noon with a luncheon for all the guests immediately following. Among those that spoke at the dedication ceremonies were Dean Clifton Miller and Dr. Vacik. The ceremony was highlighted by the hanging of a plaque with the names of all those who con-

tributed \$100 or more to the building fund.

On the eve of the dedication we held our Fall Term Party. The theme of the party was "The Seventh Wonder of the World," with the eighth wonder being our new house.

The all-campus "Ugly Man" dance was held the same night and we were represented by Brother Lynn Ferrin. The dance is sponsored by Alpha Phi Omega and the winner is picked by votes cast by orphans at the Jamestown, N.D. village and by the number of chapter members present at the dance. Brother Ferrin was sponsored by Kappa Kappa Gamma Sorority and carried home the trophy.

I also mentioned in the last issue of THE MASK a little bit about our Homecoming activities. Once again we brought home the trophy for the most beautiful float and we also won house-decorations. Brothers Dave Hughs, Chuck Primozich, and Roger Berg are to be congratulated for their efforts in their respective jobs.

Since the last issue of THE MASK two new brothers have joined our midst. They are Glenn Aho and Patrick Klein.

Before Christmas the brothers of Beta Sigma held a party for the children of the local pharmacists in Fargo and Moorhead and the faculty of the College of Pharmacy. The party was from 6:00 to 8:00 P.M. and the children were entertained by the brothers until Santa Claus arrived with a toy for each of the children present. The children were also treated to a lunch of Christmas cookies and hot chocolate.

A few of the brothers have lost their freedom this last quarter by becoming pinned or engaged. They are Brother Dave Shelver to Linda Klug, Kappa Delta; Brother Roger Berg to Cheryl Shane from Jamestown, North Dakota; Orland Amundson to Diane Domeck, St. Lukes Nursing School; and Brother John Swanson was engaged to Karen Smith.

I hope that the weather in your respective area is better than the bitter North Dakota weather we are having now, but I guess this kind of weather is an incentive to stay in more and study.

Fraternally yours,
HARLEN HENDRICKSON, *Historian*

BETA PHI'S EARL MACK AS SANTA

At the Zeta Tau Alpha Sorority Christmas Party.

BETA PHI—UNIVERSITY OF CINCINNATI

The Brothers of the Beta Phi Chapter trust that all Brothers of Kappa Psi had a merry Christmas and that they will enjoy a happy and successful 1965. The Brothers of Beta Phi are beginning the Winter Quarter and a long Christmas vacation. Beta Phi climaxed the vacation with the second annual Kappa Psi New Year's Eve Party held at Schultes' Garden. Approximately forty-five couples danced, blew party horns and popped party poppers to the music of the Cartisians. The Brothers of Beta Phi would like to thank Brothers Fred Rizzo, Terry Metzler, Harry Seurkamp, and Art Adams for setting up such a swell party while the other Brothers were out of town.

The annual Pledge-Active football game played November 12, 1964, saw the actives romp over the pledges 18-0. The actives won the "Little Brown Psi Award" back from the pledges after they beat the Actives 6-0 last year.

To show that Beta Phi has a competitive spirit, we turned the tables on the Kappa Epsilon Pharmaceutical Sorority. Kappa Epsilon had their annual fund-raising bake sale during noon break on November 24, 1964. This year, a chill went through their hearts (or was it anger?) as Beta Phi set up their own shop directly across the hall from them. Cries of "unprofessional," "discounter" and "unfair pricing" were heard. The Brothers replied that they believed in fair trade, honest competition and the lowest price possible for all Pharmacy students. The highlights of the bake sale were the presentation of Kappa Psi's profits to Kappa Epsilon and the raffling of a Kappa Psi Pledge for fifteen minutes. The winner was Miss Sandie Trifilio, a member of the Zeta Tau Alpha Sorority. The Pledge was Earl Mack, and Sandie had him play Santa Claus at the Zeta's Annual Christmas Party.

Beta Phi is making plans for the initiation of eight pledges in February. Until the next issue of THE MASK, I remain,

Yours truly,
DAVID GACKENHEIMER, *Historian*

BETA PSI—UNIVERSITY OF WISCONSIN

From the campus of the University of Wisconsin Beta Psi chapter sends greetings to all of our brothers and hopes that your Christmas holidays and final exams were excellent.

Here at Beta Psi it is hard to dig in for finals after a wonderful holiday. However, one consolation for some of the brothers is the mid-semester tour they have planned. A number of interested men will be traveling in the last week of January to visit the facilities of Smith, Kline and French and Merck, Sharpe and Dohme. While in the Philadelphia area the brothers will visit Eta chapter at the Philadelphia College of Pharmacy and Beta Omega chapter at Temple University.

A bigger and better rush schedule than ever has been planned for the second week of the new semester and we expect to see a lot of new faces. New brothers will join the Agora the third week of the semester.

Beta Psi's Christmas party this year was a very heartwarming event. There was the usual delivery of gifts by Old Saint Nick (Brother Wayne Schultz). And among the gifts there was something special for our housefellow, Brother John Merianos. John received a round-trip airplane ticket enabling him to fly from Madison to Sparta, Greece near his home town for the Christmas vacation. John has been a wonderful housefellow and a true brother to us all. We hope that these tickets can in some way show our appreciation to a wonderful fellow.

As graduation day draws ever nearer the young ladies seem to become a little more charming and persuasive, I wonder why? Graduating Brothers Bob Hall and Sidney Finn have pinned two young lassies and Brother Allen Liegel is engaged to his choice. Brother Ward Pollack is recently married.

A recent chapter meeting and election produced new officers for Beta Psi's next school year. Officers elect are: Regent, John Boray;

BETA PSI'S CHRISTMAS PARTY

Old Saint Nick (Brother Wayne Schultz) presents round-trip airplane ticket to Brother John Merianos enabling him to fly home to Sparta, Greece, for the holidays.

Vice Regent, James Hahn; Secretary, Jack Radloff; Treasurer, Ted Luther; House Manager, Robert Yokel; Steward, James Sheahan; Professional Chairman, Phil Mersberger; Social Chairman, Michael Makoid; Athletic Chairman, John Leary; Historian, Thomas Derleath; Chaplain, Ronald Lutterman.

We hope that these men will serve and hold ideals in the best interests of Beta Psi chapter and Kappa Psi Fraternity.

The second semester of school promises to be just as rough as the first but we wish all of our brothers the best of luck and a fraternal new year.

Until spring returns I and Beta Psi remain
Fraternally yours.

BETA OMEGA—TEMPLE UNIVERSITY SCHOOL OF PHARMACY

Fraternal greetings to the men of Kappa Psi from the brothers of Beta Omega. We hope that everyone enjoyed their holiday and had a successful first semester.

Our annual Tri-F Dinner was held at The City Line Motor Lodge Open Hearth Inn. The guest speaker was Mr. Dick Porter, a former professional baseball player of the late twenties and early thirties who showed films of the 1963 World Series and the 1960 Championship Season of the Philadelphia Eagles, which were thoroughly enjoyed by all present. We were also honored at the dinner by the presence of our now retired Grand Secretary-Treasurer Dr. Frank H. Eby. Dr. Eby made presentations of National Scholarships to senior brothers Tom Campbell and Frank Tiano. Chapter awards were presented to senior brothers Pete Arcuri and Clint Roderick and to sophomore brothers Don Schell, Larry Lesko, Ken Miller, Rudy Palladino, and Jerry O'Hara. Congratulations to these men for proving the scholastic dominance of Kappa Psi.

On the social side we have had several open parties recently which were all very successful. Plans are now being made for several theme parties for second semester which include a Roman Toga Party, a Pajama Party, a Champagne Party, and of course the Social highlight of the year, our Spring Formal. Graduated brothers should be receiving letters in the near future about the affair. We hope that you can attend and certainly hope that all will be present.

Recent additions to the house have included storm windows for the back rooms and a complete repainting of the first floor by our pledges. The House Committee has done an excellent job in maintaining the condition of the house.

The intramural basketball team from the school of pharmacy is being led to a very successful season by Brother Jim Gannon who at the present time is high scorer in the league.

Final exams are upon us now and by the time the next issue of THE MASK is produced new officers will have been elected.

Fraternally yours,
GERALD P. O'HARA, *Historian*

GAMMA GAMMA—UNIVERSITY OF TEXAS

It will be my pleasure to serve Gamma Gamma as Historian for the coming year. As

another semester draws to a close, we say goodbye to the following brothers: Jim Bates, George Bean, Clyde Brownlow, John Collier, Adolph Crixell, Bill Daniels, Keith Dunavant, Jim Easley, Joe Hall, Mike Simpson, Gary Weaver, Walter White, and Roland Winn.

The Fall semester Pledge Class consisted of 41 men who will soon become brothers in Kappa Psi. As a service to all pharmacy students, Kappa Psi has been sponsoring a free movie each week based on recent pharmaceutical research.

November 7 and 8 were the dates of the Province VII Assembly and Gamma Gamma was proud to serve as host. We enjoyed a very informative and refreshing visit with our brothers from out of state. Dr. Glenn Appelt, Grand Council Deputy of Gamma Gamma, was elected Satrap for the coming year.

The Christmas Dance was held on December 18 at the Terrace Summer House as the brothers gave an early start to the holiday spirit.

With the beginning of the Spring semester, the new slate of officers will consist of: Regent, Cliff Drummond; Vice Regent & Pledge Trainer, David Lackey; Secretary, Al Klaus; Historian, Walter Hoke; Chaplain, Lewis Smith; Rush Chairman, Darrell Ballard.

Brother Joe Kiowski was selected as editor of the Province VII Newsletter.

I leave you fraternally with the following statement: In the Orange Bowl—TEXAS 21—ALABAMA 17.

GAMMA EPSILON—UNIVERSITY OF NEBRASKA

We at Gamma Epsilon extend the Greetings of the Season to all members of Kappa Psi. Prosperity for Kappa Psi and Pharmacy is our goal for 1965. How about you?

In appreciation, Gamma Epsilon chapter would, consisting of 31 members, like to say, "THANK YOU, Doctor Eby, for a job well done." We at Nebraska are deeply indebted to you for all you have achieved for Kappa Psi. Good Luck in all your future endeavors.

We would like to extend our hand of fellowship and congratulations to Mr. Gerald Hennev. We will co-operate fully to help make your job easier and more efficient.

This fall, the red blazers which are worn by almost 100% of the members received many nice compliments from student and faculty members alike. We feel this was a very worthwhile project, to help stimulate interest and spirit within the ranks of Kappa Psi. We are now certain that almost everyone in the college of pharmacy knows who are Kappa Psi members and leaders of the college.

The annual coffee hour was held after the Homecoming Football Game this fall and as usual was termed a success by those attending. This coffee hour, although sponsored by Kappa Psi members as a service project, is open to all interested people.

On November 9, 1964 a memorial service was held for our brother, Thomas Cunningham, who lost his life in an automobile accident on November 1, 1964.

On November 11, 1964, we held our annual fall banquet for alumni, faculty, and active

members. After the banquet, we held a smoker for prospective members of Kappa Psi.

Until the next issue of THE MASK, I remain

GAMMA ETA—MONTANA STATE UNIVERSITY

Greetings from the frozen northland of Gamma Eta chapter. Having returned from the Christmas holidays and gay New Year's festivities we are once again settling down with the books. Already, the corps of engineers are preparing plans for the quarter's social gatherings to include the annual ski party at Marshall Ski area, a smoker to arouse interest in prospective members, and an ice skating party.

This quarter we plan to have a luncheon every other week replacing the monthly noon gatherings customary of the past. These prove to be very successful and are a welcome change from the daily can of soup and peanut butter sandwich.

Last quarter the Kappa Psi brothers gave their dying best on the volleyball court. We didn't win the trophy but the opposition knew they were up against some stiff competition when the apothecaries came onto the floor. This quarter we are throwing our finest talent into the mortar and intend to triturate them into a winning combination on the basketball court.

The annual Christmas party was held December 4, 1964 and was very successful receiving the largest turnout ever at the joyous social gatherings. During the evening a transistor radio and a camera were given away by Kappa Psi.

Almost before fall quarter finals were over Brother Dean Knudson was on a fast airplane for Texas to change his marital status. Dean is back in school now with the new Mrs. Knudson and we wish them the best of luck in their venture.

We heartily congratulate our latest initiates Terry Donahue, Henry Nelson, Clark Richter, Ken Hurt, Bill Kimball, Ernie Koestner, Jack Parker, Doug Linsted, Doug Rives, and Dave Wichman. We know they will prove to be very worthy members and will give their utmost to strengthen and improve the profession of pharmacy and Kappa Psi.

GAMMA THETA—UNIVERSITY OF MISSOURI AT KANSAS CITY

Greetings to the brothers of Kappa Psi from Gamma Theta chapter. Another semester has drawn to a close and we can look forward to the beginning of the second semester. Our chapter wishes every Kappa Psi brother the best of luck in this forthcoming year.

On November 14, 1964 Gamma Theta held a party which was attended by the majority of the actives and pledges, who were accompanied by their wives and dates. Folk singing was provided by Brother Gene Longevin and Pledge John Foxworth. The members wish to thank Brother Longevin and Pledge Foxworth for their outstanding performance.

Gamma Theta's initiation of nine new members will take place in the first week of Feb-

ruary. Those who will become actives are: William Buntin, Gary Burney, Larry Dowd, John Foxworth, Carl Haines, Joseph Macan, Evan McNemar, Jerry Stevenson, and Jim Tilghman. Another important event coming up February 21, 1965 is the dedication of the new pharmacy building. It will be quite a change for both the faculty and students to start out the second semester in different surroundings.

Those who have taken the marriage vows since last summer are Brothers Randolph Flett and Fletcher Gray. We wish to take this opportunity to congratulate them.

Until the next publication of THE MASK,
Fraternally yours,
RONALD C. HALL, *Historian*

GAMMA IOTA—STATE UNIVERSITY OF NEW YORK AT BUFFALO

The brothers of Gamma Iota extend their greetings to all brothers of Kappa Psi. As of now semester finals are approaching and most fraternal activities have been halted to devote full attention to the school work.

At the last meeting of the first semester Gamma Iota held nominations for fraternal officers and at the first meeting of the second semester we will elect these officers.

First semester pledging is over and thirteen pledges were accepted and initiated into Gamma Iota. The pledge class was a very active one, giving the brothers several free parties with the money from a pledge project.

In addition to the many informal gatherings of the brothers, our activities this semester included a Halloween costume party and a victory over our rival pharmacy fraternity Beta Phi Sigma in a football game. We also held a hayride during which it rained and I'm sure no brother will forget that. The latest event to take place was the Pharmacy School Christmas Dance on December 11. Before the affair Gamma Iota held a cocktail party. The dance was heavily supported by Kappa Psi and many of the brothers participated on the dance committee.

The brothers of Gamma Iota are looking forward to the new year and wish all the brothers of Kappa Psi success in the new semester and new year.

Fraternally yours,
GORDON AMBON, *Historian*

GAMMA KAPPA—SOUTH DAKOTA STATE UNIVERSITY

The brothers of Gamma Kappa wish all their brothers across the nation a happy and prosperous year in 1965. We at SDSU started the year out with an active program for thirteen pledges. Brother Mel Henrichsen headed the program and as usual, some new and highly amusing methods of testing the prospective brothers have turned up.

Eleven brothers attended the Province VIII Assembly in Minneapolis, Minnesota on November 14 and 15. Our delegates included: James Nelson, Clayton Pike, Richard Soukup, Merlin Snyder, Richard Kingdon, Steven Hoy, Richard Schugel, Duane Plender, Derald Shaw, Thomas Ehrhardt, and Dr. Kenneth Redman. They re-

ported an enjoyable time fraternizing with brothers from Drake University, North Dakota State University, and the University of Minnesota. Dick Schugel of Gamma Kappa was elected Province Historian. The meeting renewed professional interests and strengthened brotherhood within the Fraternity.

Preparations are being made for our annual drive for the South Dakota Heart Fund. The citizens of Brookings have become accustomed to finding a Kappa Psi man at their door, greeting them with a smile and a request for contributions. Our efforts are always rewarded with several hundred dollars for the fund.

Until the next issue of THE MASK I remain,
Yours for the profession of pharmacy,
DON SPAWN, *Historian*

GAMMA LAMBDA—NORTHEASTERN UNIVERSITY

Greetings from Boston-town. Hope that Christmas and New Year's was pleasurable for all our Kappa Psi Brothers throughout the country and may 1965 bring much success scholastically and fraternally.

Gamma Lambda Chapter hosted the many pledges (and some brothers) from UConn's Nu Chapter a few months ago. We certainly hope that this pledge trip was a memorable event in their pre-brotherhood activities. All the brothers attending from our Chapter certainly had a good time. Many thanks to our Danny Sullivan who sort of coordinated the happenings. We also thank the Wheaton College ladies whose presence added much to the evening.

By the time we read this Newsletter, our annual smoker will have taken place. It is scheduled for January 14, Thursday night in Medford, Mass. A great effort to make this the most successful smoker ever is underway by division B Brothers on the Northeastern campus. A rebuilding of our chapter is necessary. Graduations and a work/study cooperative educational system has weakened our numbers and spirit greatly in the last few years. 1965 and this smoker will see a rebirth of Gamma Lambda Chapter. We all hope that as many co-ops away from the Boston area were able to attend and help out. If this smoker was anything like those in previous years I'm sure the rushees all had a good time and gained friendships with our brothers.

Not all of our graduate Brothers left Northeastern University. A few remained for further education in Northeastern's Graduate School of Pharmaceutical Sciences. William R. Principe studying medicinal chemistry and Edward J. Flynn studying pharmacology are still active in our Chapter.

Recent marriages include Brother Principe and Brother Paul Myron. Graduate Brother Myron is doing very well in New Hampshire with his newly acquired position with a large pharmaceutical firm. This information came to me by Brother Merrill Dole, a long time member of the same company.

Until spring, fraternally yours,
BILL WEINER, *Historian*

GAMMA NU—UNIVERSITY OF THE PACIFIC

Greetings to all members of Kappa Psi from their brothers of Gamma Nu.

We hope that the close of the fall semester found all brothers with academically high grades and new hopes for the spring semester. Also the best of good wishes are extended to all our senior brothers who are taking their final semester of professional work.

We are about to embark on the new rushing activities with high hopes of securing another top pledge class for Gamma Nu. We begin with a pizza feed capped by the talented performances of Bill Cody and Dean Ganes in an "ethical pharmacy" and guest speaker Dr. Jose Ricardo Filice. Then following this event will be our rush dinner to be held at The Ranch and which will feature guest speakers such as Robert Jackson, first Regent of Gamma Nu, and members of the pharmacy faculty. Following preference day the rushees who are accepted by Kappa Psi will be formally presented to the members in the Morris Chapel on Campus.

New officers were installed into Gamma Nu prior to the Christmas vacation. They are as follows: Regent, Jack Reed; Vice Regent, Gordon King; Secretary, Akira Aoyama; Treasurer, Jim Jacobsen; Corresponding Secretary, Richard McNeese; Chaplain, Robert Ostrom; Sergeant-at-Arms, Phil Gains; and Historian, Jim Brodsky. We hope that new officers will be as successful as the out-going officers. In a ceremony honoring the past officers an engraved gavel was presented to Regent Stan Poncetta by Regent Reed. Also honored were Vice Regent, Ron Koren; Secretary, John Reis; Treasurer, Royce Friesen; Corresponding Secretary, Jack Schalo; Chaplain, Bill Cody; Sergeant-at-Arms, Tom Tucker; and Historian, B. A. Alexander.

This year's Christmas Dinner-Dance was a rousing success. It was held at the Ambassador Hotel. The post-dinner dancing was highlighted by the music of the Mellow Tones and featured Kappa Psi soloist Dean "Big Tuna" Ganes singing his annual "White Christmas" and Joel Slutske singing "Hava Nagecla." Also Regent Jack Reed demonstrated why he is considered a virtuoso on the saxophone. All members who attended will long remember the events and entertainment which transpired.

Kappa Psi's intramural basketball team is off to a rousing start and features the point scoring of Ed Fruza and Dave Van Steyn along with Phil Gaines, Tom Gong, Mike Crawford, Wild Bill Cody, and G. J. Jacobsen.

We would like to extend our congratulations to Brothers Vito Fabrizio and Joel Slutske, whose lucky women found engagement rings under their Christmas Trees.

In closing we would like to wish all brothers success in this semester and in the future.

Fraternally yours,
JIM BRODSKY, *Historian*

GAMMA PI—ST. LOUIS COLLEGE OF PHARMACY

We of Gamma Pi are just rounding out our fall semester and "hopefully laboring" for the semester break.

This semester has seen the addition of four

brothers to the ranks: Gary Melton, Jeff Metter, Mitchell Radinsky, and Bob Zucco.

To correct the list of officers installed to the Gamma Pi graduate chapter earlier in the semester, the entry should have been: Jack Jalowiec, Regent, Ted Porter, Vice Regent, and Dr. Joe Haberle, Secretary-Treasurer.

Congratulations and best wishes down the road of happiness to Brother Rich Maleri, who was recently married; and Brother Tony Bartal who plans that trip in the near future.

On November 25, the actives and faculty members participated in the annual Old Newsboy Day, where a local paper provides a day for organizations to sell newspapers with the profit going to charity. Brothers worked hard and early that morning to make their part of it a success.

We also have been participating in a new service project where we periodically send a group of brothers to a state mental sanitarium to do nothing but work to help put a special look about the place.

After our "real" vacation—the semester break—we're coming back ready to put our back to the "grind" once more. We wish our brothers an enjoyable vacation and good fortune on their return.

Fraternally yours,
JAY C. GOBBLE

GAMMA UPSILON—UNIVERSITY OF ARIZONA

This fall our chapter officers included: Charles Mee, Regent; Stan Gilliland, Vice Regent; Ed Gatti, Secretary; Wayne Stolfus, Treasurer; George Flushman, Historian; Rick Matey, Ser-

geant-at-Arms; and Fred Moore, Chaplain. During the semester we elected Mike Cohen as additional Recording Secretary and Jim Gilbert as Corresponding Secretary.

Three of our brothers deserve special recognition for their outstanding achievements. They were recipients of the annual Kappa Psi Awards. They are Michael McBride, Gerald V. Spelbring, and Richard M. Wiedhopf. Mike received the Outstanding Sophomore Award, Gary the Outstanding Senior Award, and Dick the Outstanding Undergraduate Award.

Brothers Jim Gilbert and Les Peterson originated *The Balance*, our official College of Pharmacy student news bulletin. Due to their great effort and the enthusiasm of its current editor, Brother Leo McStroul, *The Balance* has performed well the task of keeping our students informed about college news. In addition, Brothers Bob Kass and Tim Lind, both staff members of *The Balance*, have worked hard for its success.

Now for some news topics of special interest:

This fall semester finds our bowling league "off and rolling." Our Regent, Charlie Mee, organized the idea and with the help of the co-chairmen, Brothers Phil Cherlin and Dick Bruckner, we really are off to a flying start.

Also, in the sporting vein, we have a brother in the crowd who is a letterman. Congratulations go to Dick Smith, who has earned his varsity letter in La Crosse.

The entire active Chapter of Gamma Upsilon extends its appreciation to Dr. V. Simonian, faculty advisor for our chapter. After the initiation of each semester's pledges, he and his family graciously invite the new actives to a dinner at their home.

Spring Rush will be held from February 27 until March 6. Rush co-chairmen are Brothers Charles Mee and Dick Wiedhopf. Members of the rush committee include: Tim Lind, Phil Cherlin, Jim Gilbert, and Bruce Semington.

We will have had final exams here through the last week in January. During the semester break, we have a "snow trip" planned via Greyhound Bus to nearby Mount Lemon.

A special congratulations goes to our Regent Charles E. Mee. Not only is he president of Rho Chi, but has just recently received the distinction of being initiated into an honorary chemistry fraternity. He is an active member of the Phi Chapter of Phi Lambda Upsilon. In addition, Charlie has been primarily responsible for organizing most of Kappa Psi's activities this

fall. He also spear-headed the idea for a Kappa Psi Bowling League and has qualified as a recipient of the American Foundation for Pharmaceutical Education Scholarship.

FRED MOORE, *Chaplain*

GAMMA PHI—UNIVERSITY OF GEORGIA

Greetings to all brothers of Kappa Psi from the University of Georgia.

We started this year in a new fraternity house and a new pharmacy building. Thirty-three brothers returned for fall quarter.

A rush party was held in October and seven men pledged and were initiated December 5, 1954. The new brothers are David Brisendine, Dwight Morrison, Jimmy Larson, Gary Moore, Dan Windham, Mike DeGennaro, Allen Goldstein, and George Wright.

Brothers Dan Baker, Robert Goodson, Alex Quarterman, Harry Hicks, Al Schwamlein, and our advisor Dr. D. N. Entrekin attended the Province IV Assembly held at Auburn University on October 10, 1964.

All the brothers of Gamma Phi are members of the Student Branch of The American Pharmaceutical Association. All offices in the organization this year are held by brothers of Gamma Phi. As one of our projects this year, we are selling lab jackets and pharmacy emblems to students in the junior and senior dispensing laboratories.

We have again entered the intramural program for the winter quarter. We defeated the Phi Delta Chi's in football fall quarter.

Two of our brothers, Bill Chandler and Max Brown, took the big step and got married during the Christmas holidays. Congratulations to both of them.

Brothers Ed Bagwell, Dan Baker, Bill Barton, Doug Boatwright, Max Brown, John Candler, Bill Chandler, Ed Floyd, Raymond Floyd, Robert Goodson, Phil Lazarus, Harry Mathis, Sammy Park, Bill Phillips, Charles Rinn, Al Schwamlein, Jim Strickland, Bill Strickland, James Tennyson, Marion Wainwright, Jimmy Williams, Kenneth Willis, Bill Winslette, Alan Goldstein, and Jimmy Larson, all had a great time at Upjohn and Parke-Davis during our senior trip in October.

GAMMA CHI—FERRIS STATE COLLEGE

Gamma Chi chapter wishes all Kappa Psi brothers a very happy and enriching New Year.

Gamma Chi has initiated the new year by beginning preparations for our fifteenth annual Sweetheart Ball. Much work and planning must still be done to bring the traditional dance once again to the Ferris students in keeping with the spirit of Valentine's Day. The dance will be held on February 20th in our student center and will feature the Billy May Orchestra.

Later during the month of January the senior brothers along with the rest of the seniors at Ferris will take a leave of absence from the books and visit the Upjohn Company in Kala-

mazoo. They will also tour the Parke, Davis & Company in Detroit. The pre-seniors will be the guests of the Eli Lilly and Company in Indianapolis during the first week of February.

During the fall quarter the brothers assisted the community of Big Rapids in administering Sabin polio vaccine to the public. The rest of the term kept the brothers busy with studies and meetings. As the quarter ended, so did the college careers of two of our brothers. Rocky Gravina and Walter Franczek graduated and are now working members of the profession.

The winter term began with Gamma Chi concentrating on rushing and pledging. Along with hard work and new ideas for rush parties, the rushing program was quite successful.

On January 4th Gamma Chi formally initiated two new members. We are proud to welcome into our midst Richard Campbell and David Zuthof.

We at Gamma Chi take deep pride in the fact that our Brother, Ron Sherman, has been appointed as a collegiate member of the Executive Committee of Kappa Psi. Our congratulations also go out to the other newly appointed members.

Gamma Chi would like to extend their deepest appreciation to Brother Frank H. Eby for the fine job he has done as Grand Secretary-Treasurer of Kappa Psi. Our continuing admiration will follow him as he leaves this position in which he has served so well. We also extend a welcome to Brother Gerald C. Henney as he proceeds to take over the vacated office.

LARRY R. HOOPINGARNER, *Historian*

GAMMA DELTA—OHIO NORTHERN UNIVERSITY

Fraternal greetings from the men of Gamma Delta to all of our brothers in Kappa Psi. All of the brothers here at Gamma Delta are looking forward to this Spring when we will be host to Kappa Psi's Province V meeting. Chapters from Ohio, Michigan, and Buffalo will be represented.

Two new brothers were initiated into Kappa Psi at the start of the new year, they being Donald Berlin from Canfield, Ohio and Harvey Hanna from Hudson, Ohio. Pledging will begin January the eleventh with prospects at this time looking favorable.

Professionally, we have enjoyed an interesting variety of programs offered by our student branch of the APhA. We have had one meeting each week this quarter and some of the programs have been: "The Pharmacist's Role in Civil Defense" from the Summit County Pharmaceutical Association; a report from the delegates to the national convention of A.Ph.A.; "The Cost of a New Drug" by Dr. Stuart; a program on syringes from the Bectin-Dickenson Co.; "Bridge to Tomorrow," a film presented by Brother Ralph Cole; a talk on graduate school by Dr. Taito Soine, from the University of Minnesota; and a talk presented by Mr. Salisbury, a member of the Ohio State Board of Pharmacy.

The junior class of the pharmacy school visited the Upjohn Company this fall. Everyone enjoyed the trip very much.

Brother John Hurst has been made a proud

father the second time around with the birth of David Michael Hurst to Mrs. Kay Hurst. On the social front four brothers to become engaged over Christmas; Chuck Fowler to Miss Carol Anne Greisinger, Jim Hardin to Miss Barbara Anglin, Jack MacCartney to Miss Sandy Giresi, and Art Vernon to Miss Sandra Woodward. Brother Charles Brown and Miss Becky McPeck will be married on the twentieth of March.

Early Fall Quarter we were fortunate to have Dr. Stuart and his wife, a new faculty member, down to the chapter house for dinner.

Again this year we invited the pharmacy faculty and their wives over to the fraternity house for a Christmas dinner. Following the meal Brother Roger Thomas appeared dressed as Santa Claus to present humorous gifts to the faculty. The evening was brought to a close by singing Christmas Carols around the piano.

In the athletic department we managed a second place in foul shooting. Those brothers who participated were Chuck Brown, Chuck Dasher, Dave Barclay, Phil Oleson, and Art Vernon. We won the championship in volleyball with an undefeated season. Team members included Bob Ritzman, Pete Ritchey, Dave Barclay, Art Vernon, Phil Oleson, Larry Pullin, Chuck Dasher, and coach Tim Fair. These sports are considered in the contention for the All Sports Trophy awarded at the end of the academic year to the fraternity with the best record of wins. We have just begun basketball with a devastating loss to another fraternity 56 to 13. The team consists of Brothers Chuck Brown, Tim Fair, Dave Barclay, Phil Oleson, Bob Ritzman, Art Vernon, and Larry Pullin.

Well that about covers it for now. We wish everyone success and a Happy New Year.

Fraternally,

JIM HARDIN, *Librarian-Historian*

on December 22, with about 175 attending. This is our big event of the year and it was a complete success.

Congratulations are in order to Dr. Howard Mossberg, our Grand Counsel Deputy, appointed to assistant dean of the school of pharmacy here at Southwestern, effective June 1, 1965. Congratulations also to Brother Richard Harris of Delta Beta, elected to the office of Province VII Historian at the convention in Austin; to Brother Arvin Short of Delta Beta, recently accepted into the University of Oklahoma Medical School for the fall of 1965; and to Brothers Claude Rose, Arvin Short, and Leland Wehde for being named to "Who's Who In American Colleges And Universities."

In closing I want to wish everyone the best of luck in "Finals" and hope that we will all try to make 1965 a great year for Kappa Psi.

DELTA GAMMA—AUBURN UNIVERSITY

Fraternal greetings from the men of Delta Gamma to all of our brothers in Kappa Psi.

Fall quarter was a busy quarter for us here at Delta Gamma. The first thing on the agenda was the Province IV Assembly here at Auburn. Chapters from Alabama, Florida, and Georgia were represented. We also had the honor of being host to Dr. Frank H. Eby, the Grand Secretary-Treasurer. The chapter officers had a meeting with him at a dinner and afterwards, Dr. Eby addressed the chapter at a special meeting. We were more than pleased when our Grand Council Deputy, Dr. L. O. Wilken, Jr., was elected Satrap for the Province.

Our combined Rush-Homecoming Party at the V.F.W. was a "smashing" success. We offer our condolences to Brother John Campbell whose car stalled on the road, and thereby was "forced" to escort his date on that long, dark stretch of road to the V.F.W. However a rescue party was soon launched under the able direction of our gallant Grand Council Deputy, Naval Commander L. O. Wilken, Jr. Needless to say, the mission was a success.

This term we initiated four new members

into the order. They are Brothers Troy Curtwright of Tuskegee, Alan Mumm of Fairhope, Robert Parham of Dothan, and Benny Roberson of Brundige.

Congratulations are extended to Brothers Dave Lyon and Alan Mumm upon being selected for membership in Omicron Delta Kappa, National Men's Leadership Fraternity.

The Chapter extends its best wishes and congratulations to Brother Stanley Malkemus who has departed Fall Quarter via graduation.

Fraternally yours,
W. C. HARRIS, JR., *Historian*

MU OMICRON PI—WAYNE STATE UNIVERSITY

New Year's greetings are extended to all brothers in Kappa Psi from the men of Mu Omicron Pi with the hope that 1965 brings much happiness and prosperity.

We are proud to announce the addition of four new brothers to our chapter during the past quarter. Congratulations are extended to brothers Anthony Boutt, Joseph Ponchart, Michael Preuss, and Richard Sawicki. The new brothers were formerly welcomed at our semi-annual pledge banquet which was held at Jeri's Restaurant and Cocktail Lounge on January 6th. At the banquet, Brother Mike Preuss was awarded an engraved plaque which is to be hung at the fraternity house for his nomination as best pledge. With every new pledge class, a new name will be added to the plaque.

Election of officers for the new year were held in December. Heartiest congratulations are extended to the following new officers: Regent-Ben Price, Vice Regent-Norb Laskowski, Secretary-Pete Krajewski, Treasurer-Gerry Deoster, Historian-Warren Stretke, Chaplain-Paul Anderson, and Sergeant-at-Arms Frank Nemeth.

On January 15, we are sponsoring a reception for pre-pharmacy students with the faculty and representatives of the student body of the college of pharmacy. The main purpose of the affair will be to help stimulate interest in pharmacy among these students, many of whom, we are sorry to say, end up in fields other than pharmacy.

We are also looking forward to the annual A.Ph.A. convention to be held here in Detroit during the latter part of March. To all Kappa Psi brothers we are extending the hospitality of the fraternity house and it is our sincere hope that we will be able to entertain as many brothers as possible during the convention.

Fraternally,
BEN PRICE, *Secretary*

BOSTON GRADUATE CHAPTER

Hi again from the brothers of the Boston Graduate Chapter.

There is plenty to report from the Hub and environs in this early post-holiday period. Our sincere congratulations to Brother Leonard F. Tibbetts on his recent election as president of the Massachusetts College of Pharmacy. An active member of the chapter, we offer our cooperation to him, as Brother Tibbetts has done for us over the years.

During the Province I Assembly held at

the University of Rhode Island in October, Brother Bob Crisafi was elected Secretary of the Province and Historian Norm Campbell was elected Vice Satrap. Many thanks to our fine hosts from Beta Epsilon and the Providence Graduate Chapter. Next time how about a little less rain and mud, fellas!

On December 5, fifteen graduate brothers braved the elements to attend the Christmas Dinner-Dance of Mu chapter. They included: Regent Ray Gosselin, Vice Regent Joe Pierce, Bill Hassan, Bill Parsons, Jim Mickles, Win Lange, Norm Campbell, George Page, George Narinian, Jon Anderson, Dave Hurwitz, Sam Jones, Fred Pruyn, Tony Ricciardone, and Ed Carey. Congratulations to Jon and Eleanor! We warned him!

Reserve the date now!—Saturday evening, April 3, 1965. Following the Annual Mu Smoker, the Boston Graduate Chapter Annual Business Meeting will be called to order by Regent Gosselin. Let's see a record turnout that evening at the Towers Motor Inn, Route 1 at Route 128, Dedham, Massachusetts. There is much to be done to implement the program and plan new ones in this national convention year.

Until April 3rd. . . .

Fraternally,

NORMAN A. CAMPBELL, *Historian*

BUFFALO GRADUATE CHAPTER

Greetings to all of Kappa Psi from the Buffalo Graduate Chapter. The brothers from the Niagara Frontier wish you all a happy and prosperous New Year. We in Buffalo are still rejoicing over our triumphant world champion football team, the AFL Buffalo Bills. Throughout the season Kappa Psi has been one of its boosters and the brothers have enjoyed going to their games. We in Buffalo are also happy at the new ownership of our Buffalo Bison Baseball team and we are going to support any measures that will enable us to build a new sport stadium for our community.

Our first meeting of the fall season was held in October. It was held in Niagara Falls, New York, and the brothers from the Cataract City hosted the chapter. The meeting was Niagara Falls Night and it was held at the Crown and Anchor Restaurant. After a brief meeting the brothers enjoyed delicious steaks and other refreshments.

Our second meeting was held in December at the Niagara Manor Restaurant in Tonawanda, N.Y. Regent Maurice Van Sice has done a fine job in coordinating the various committees in the chapter. A sports program has been set up between Gamma Iota and the Buffalo Graduate Chapter. The program under co-chairmen Timothy Collins and Salvatore Balone will organize various sport teams throughout the year to play the collegiate teams and at the end of the year, the chapter that acquires the greatest amount of overall victories will be awarded the annual sports trophy at our dinner-dance. The brothers are all very enthusiastic about the rivalry and the trophy will be worth fighting for.

As usual, the brothers of the Buffalo graduate Chapter have distinguished themselves by their

professional and community services. Congratulations to Brother Don Arthur on his brand new store in Black Rock. Congratulations to Brothers Don Arthur, Jan Madejski, and William Kent on being new officers of the Erie County Pharmaceutical Association. Congratulations to Brother Bill Kent as president of the Pharmacy Alumni Association. Congratulations to Brother Francis Enzinna on his new position as medical service representative of the Geigy Pharmaceutical Company. He will work beside Brother Jerome Rutkowski, who has done a lot in public relations concerning our chapter. Congratulations to Brother Professor Melvin Monteith for his Hospital Pharmacy Course at the State University of Buffalo Pharmacy School, and his faithful service to our chapter, and the Western New York Chapter of the American Society of Hospital Pharmacists. The member hospitals in the area, cooperated with Brother Monteith's students field trips in hospital pharmacy demonstrations and instruction. Congratulations to Brother Grand Council Deputy Roger Mantsavinos on the recent birth of his daughter. Congratulations to Brother Clifford Schmitt on his coordination of visits of pharmacists in our area to the Parke, Davis and Company in Detroit. Congratulations to Brother Robert Fitch on his arrangements of the trips to the Eli Lilly and Company. Congratulations to Brother Herbert Riemer on his Chairmanship of the Hospital Pharmacy Seminar to be presented in April by the Western New York Chapter ASHP. Congratulations to Brother Allan E. Cole, Editor of the Province V Newsletter on his forthcoming issue of the Newsletter. The brothers in Buffalo commend this fine piece of work that Brother Cole and the other brothers of Gamma Delta have created.

The brothers of the Buffalo Graduate Chapter wish to express their appreciation for the magnificent job that Dr. Frank Eby has done for Kappa Psi and we thank him for all the courtesies and valuable assistance he has given us.

Fraternally,

DETROIT GRADUATE CHAPTER

The Detroit Graduate Chapter has been very active the past several months. We are looking forward to the A.Ph.A. meeting in Detroit and we all expect to renew many old acquaintances at the Kappa Psi Breakfast to be held in conjunction with the annual meeting.

The chapter has gone back to the ranks and re-elected Tony Andrews a past-Regent to guide the ship again for the next year. Tony and his staff are anxious to keep the group active as we have been the past two years under the guidance of Regent Facione.

At our December meeting at the Fraternity House the following brothers were elected: Regent, Tony Andrews; Vice Regent, Ed Parrish; Secretary, Ralph Freeman; Treasurer, Walter Hotra; Chaplain, Tom McCluskey; Historian, Carl E. Kyburz.

We are pleased to have Bill Hennessey elected to the national committee of the A.Ph.A.

Bob Fleischer and Frank Facione are on the

local planning committee of the annual A.Ph.A. convention which is being held in Detroit, Michigan. An interesting meeting is being planned for this important meeting of Pharmacy.

We are pleased to have some interesting programs arranged for the coming months. We have a fine busy chapter and let's keep the new members interested. See you all at the Kappa Psi Breakfast in Detroit.

PORTLAND GRADUATE CHAPTER

Wednesday evening, 18 November 1964, the Portland Graduate Chapter of Kappa Psi met in the Lloyd Centre Irelands for the regular meeting.

Chapter Regent Don Bollig presided over the social hour and the business meeting that followed the dinner. More than 20 members from the Portland area were present.

Several routine reports from the secretary and from the treasurer were read and approved by the members present. The chairman of the membership committee reported on the possibility of initiating new members. The chairman noted that five Portland area pharmacists had expressed their individual hopes to be taken into the Portland Chapter. Arrangements have been made with the team from Beta Zeta (Oregon State University) to take an active part in the ritual of initiation.

After the business meeting, Brother Bollig

turned the meeting over to Brother Richard Gustafson, who introduced a representative from the Smith, Kline and French Company. The program for the evening centered around the major problems of research, development, production and distribution of drugs.

One of the Portland Graduate Chapter members, Fred Meek, was successful in his bid for a fourth term in the House of Representatives of the Oregon Legislative Assembly. Meek will begin his fourth term in the House on 11 January 1965. Undoubtedly, he will occupy an important position with respect to drugs, medicine, and welfare problems legislation as they come before the Assembly.

Inasmuch as this is the last meeting in 1964, the Portland Graduate Chapter extends its well wishes for a successful 1965.

Fraternally,
LYLE V. HENDRICKS, *Historian*
