NUMBER 4

KAPPA PSI is a member of the Professional Interfraternity Conference, organized in 1928 to encourage high scholarship, professional research, advancement of professional ethics, and the promotion of a spirit of comity among the professional fraternities in the advancement of fraternal ideals.

WHOLE NUMBER 232

A Quarterly Magazine maintained and published in the Interests of the Fraternity, College, and University. Published during the months of January-March, April-June, July-September, and October-December, by George Banta Company, Inc., Official Printer and publisher, Curtis Reed Plaza, Menasha, Wisconsin. Single copies 50¢; yearly subscription \$2.00; special subscription rate \$5.00 for 4 years.

Second class postage paid at Menasha, Wis., under the Act of March 3, 1879. Acceptance for mailing at special rate of postage provided for in Section 1103, Act of October 3, 1917, paragraph 4, section 429, P. L. & R., authorized September 21, 1918. Printed in U.S.A.

From the Desk of the Grand Regent

James R. Thayer

SOME MENTAL COBWEBS OF THE GRAND REGENT

Grand Regent

JAMES R. THAYER

By the time this reaches you, snow will have fallen and so will some of you. Providence was divinely wise in refusing to let us see the January picture in July. As a matter of fact foreseeing the future is becoming more difficult each year. Paradoxically it is more important than ever that we try to do so.

We are not unique—only following the general pattern—many new and usually more complex problems each year. I do not feel that this is cause for pessimism about our future. I do believe two things—recognition of these problems and setting up mechanisms for their solution.

One of our big problems is the impact of the five year curriculum. Fortunately one of our nightmares—decreased enrollment—is not nearly as grievous as we had feared. However the new curriculum has created some very serious headaches: prepharmacy pledging, competition from social fraternities, diffusion of interest from sororities (I am as usual being facetious), increased probability of prepharmacy students drifting into other areas, individual economics and probably a dozen other problems which we have not visualized.

We have an even greater number of brow-wrinklers generated by our rapidly changing social picture such as increasing competition from other professional fraternities. In general this should be good for all of us—particularly we in Kappa Psi—if we can prove ourselves competent. We have a bevy of social pressures. A rapidly changing system of values, pressures from independents, pressures from joiners, pressures from purists and pressures from free-wheeling thinkers. Also crude as it is to idealists we have economic pressures. The individual is compelled to give more and more consideration as to where he is going to spend his dollars. We have time and energy pressures. In general any extra curricular activity involves a personal sacrifice.

The problems suggested in the last two paragraphs are not problems of one or two chapters. In a greater or lesser degree they are the problems of all chapters.

I hate to be nasty but if we solve these problems all we are doing is maintaining status quo. In our fast moving philosophy and psychology of life—standing still is suicidal. I would like to list four areas in which we must progress: (1) Since they are increasing each year we need to develop a better mechanism for handling our mechanical problems. Things like getting chapters to remit dues and getting the present Grand Regent to submit articles on time. (2) We need to progressively develop a better and more continuous contact—informative, slave-driver and inspirational—between all of the segments of Kappa Psi. Even at the top—national officers—we need more contacts and a better exchange of information and ideas. (3) We need more and better bridges spanning the chasm between undergraduate and graduate information, interest and participation. While it may be classed as a personal phobia, I feel this is our greatest problem and its solution

(Continued on page 125)

Our Second Scholarship Issue

Within these pages of THE MASK we present the second Scholarship Issue to recognize and honor those of our membership who have attained a high level of scholarship during the past (1959-60) school year.

Much of the credit for this issue goes to Second Grand Vice Regent Glen J. Sperandio, who also is Chairman of the Scholarship Committee. The other two members of this fine Scholarship Committee, Wallace L. Guess of the University of Texas and Varro E. Tyler of the University of Washington have each written an excellent article on scholarship. The Scholarship Committee is to be commended for its contribution to this issue of THE MASK.

. . .

Time to Examine Rushing*

At the time of this writing, we are well past midsummer, and nearing the time of registration for the first semester of the academic year, 1960-61. In many institutions, two things are quite apparent: the "coming crowd" has arrived, and housing has become very scarce on many campuses. This has implications for fraternities.

As housing for undergraduates is filled it becomes a real problem for housing officers to try to find space for all who qualify and who want to come. Fraternities might take the attitude that this is fine—it will mean larger numbers of rushees, and greater opportunity for selectivity. But there is more to the problem. What becomes of the boy or girl who goes through rushing, decides not to pledge, and is then confronted with the problem of trying to find a place to live, when all available space is already taken? This breeds bad public relations for fraternities as well as institutions. Students going through rushing successfully have housing—those who do not pledge face the prospect of not being able to find housing.

It has led to the statement which I have heard several times recently: namely, that the fraternity group is the only one which is not in position to make commitments on housing for new pledges until it is too late. Dormitories make their commitments as early as February in advance of the following September and students signing up for dormitory living are all set at rushing time. The same is true of the private house operator, who makes contracts with students as much as a year in advance. The fraternity or sorority rushing program in September presents the only uncertainty in the college housing field, and it is no wonder in these crowded times that many students simply cannot take a chance on waiting for rushing to pledge and secure housing. They sign up in dorms and private houses and then consider a voluntary deferred rushing program which may or may not be successful.

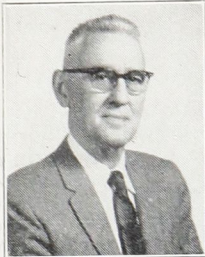

We think the time has come for fraternities to take a good hard look at rushing programs and get in step with the times. Institutions are issuing permits for students to enter six to twelve months in advance of actual registration. Housing is essential to

THE GRAND SECRETARY-TREASURER HAS THIS TO SAY

ABOUT SEVERAL IMPORTANT FRATERNITY RESPONSIBILITIES . . .

1297 **Grand
Secretary-Treasurer
FRANK H. EBY**

If you read fraternity publications frequently, you are quite familiar with the repeated reference and emphasis that is placed on the responsibilities of the fraternity man. One should not infer that only the fraternity man has obligations but rather that fraternities have long been conscious of the responsibilities of their members and they make a continuous effort to see that they conduct themselves as responsible members of society.

The outstanding fraternity man is a product of wide training in a variety of fundamentals. Although he has to meet rather exacting standards and has many responsibilities as an active collegiate member, his responsibility to scholarship certainly rates major attention.

So far as we know, professional fraternities have always placed emphasis on excellence in scholarship. As early as 1917, Kappa Psi Fraternity issued its first Grand Council Scholarship Award in the form of a gold key. This award, which has been presented continuously for the last forty-three years, goes to the top honor man in the entire class of graduates in schools where the Fraternity maintains chapters. It is one of the oldest awards of its kind presented by a professional fraternity. In recent years other types of recognition for important scholarship achievements have been established including membership in the Rho Chi Honor Society, Scholarships, Fellowships and our own Scholarship Honors Certificate. The great number of awards and honors that come to Kappa Psi members each year would seem to indicate that they are cognizant of their responsibility to scholarship in many schools and that they are meeting or making every effort to meet this important challenge.

Responsibility to the highest standard of ethics in the class room is certainly closely related to the matter of scholarship. The wide spread publicity that has been given recently to dishonesty in the class room is a blot on our educational system which fraternities should help to remove. Every fraternity chapter should see that its members maintain a reputation for academic honesty and that the chapter takes a positive stand against dishonesty in any form in the examination or other class performance. While it is a fact that the emphasis that has been placed on grades may have encouraged cheating, it is no excuse for individuals to be dishonest.

Pride in one's fraternity and his Alma Mater should be a strong influence in helping him maintain at all times the finest scholarship record of which he is capable. Loyalty to his fraternity brothers demands a sense of moral integrity of the highest order.

ABOUT THE RESPONSIBILITIES OF CHAPTER OFFICERS

The booklet, INSTRUCTIONS FOR CHAPTER OFFICERS, which was published several years ago and widely distributed in the Fraternity, was prepared so that chapter officers would be familiar with their duties and various responsibilities and thus manage their chapters in a successful manner. The experience which one enjoys as a chapter officer when he is thoroughly familiar with the duties of the office, can be a valuable asset in later years when he is elected to an important office in his professional association, service club or other community organization. If you are a chapter officer (or an officer of some other student organization) you symbolize Kappa Psi Fraternity by your personal conduct and by the manner in which you conduct the affairs of your office. Therefore, you must do your best at all times.

WELCOME TO GAMMA NU CHAPTER AND THE NEW BROTHERS

The affiliation of a new chapter with our long established Kappa Psi family is one of the most enjoyable events in the life of the Fraternity. To the new brothers it must be a thrilling experience because they now have the feeling of belonging—belonging to a splendid national organization which will increase the standing and prestige of each new brother for the remainder of his life. To those who are already members of the Fraternity, the addition of a fine new chapter and many new brothers will add luster to the Fraternity and increase its prestige and potential worth to the profession. We extend a hearty welcome to Gamma Nu Chapter and to each of the new brothers.

• • •

From the Desk of the Grand Regent

(Continued from page 122)

offers our greatest potential. (4) All of us need to point toward a broader and more constructive contribution to the Profession of Pharmacy. To accomplish these things will be both difficult and expensive. The increased expense to the individual will mean little or nothing. If every one involved makes a little contribution the time and energy investment will be negligible.

I would like to suggest that you give serious thought to four things which I believe will be effective in the solution of these problems: (1) a fulltime Secretary-Treasurer, (2) a new Agora which will inform us who and where our graduates are, (3) some sort of informative publication to supplement THE MASK, and (4) increasing funds for making better and more frequent contacts between officers, between officers and chapters and very possibly between chapters.

These are large issues. They should not be undertaken because of my recommendations. They should be done or forgotten after all of us have thought them out.

• • •

Time to Examine Rushing

(Continued from page 123)

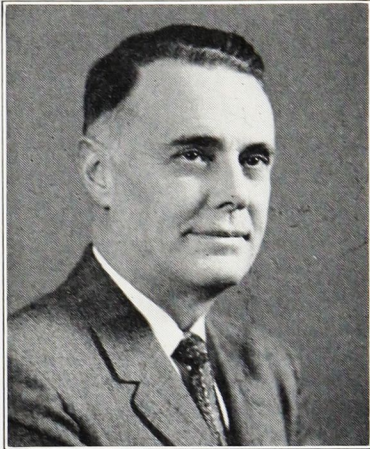

attendance and the activation of the entrance permit. Dormitories and private rooming house operators are in a position to take advantage of this and sign contracts at once with the prospective students, but under September rushing systems, fraternities cannot. It is no wonder that good pledges are being lost, simply because the student feels that he cannot take a chance on going through rushing, perhaps failing to pledge, and then having no place to live.

It appears that the time has come for the adoption of rushing systems which will place the system in step with the advanced issuance of entrance permits, and in competition with dormitories and private rooming house operators who can guarantee housing facilities as soon as the student is admitted.

Some will say—that's easy, simply go to deferred rushing. We are not ready to agree, but believe that systems can be found by which rushing and pledging can be accomplished in time to avoid this uncertainty of waiting for September rushing.

F. H. T.

Prominent Kappa Psi Member Installed as President of the American Pharmaceutical Association

RONALD V. ROBERTSON *Kappa Psi*
President, The American Pharmaceutical Association (1960-61)

1298

Ronald V. Robertson, a prominent member of Kappa Psi Pharmaceutical Fraternity was installed as president of the American Pharmaceutical Association on August 19, 1960 during the annual meeting in Washington, D.C. Mr. Robertson received his pharmaceutical education at Washington State University, and in 1925 became registered as a pharmacist in the State of Washington.

Brother Robertson, owner and operator of Spokane, Washington's original prescription pharmacy, established June 3, 1910, was born in LaGrande, Oregon, on August 5, 1903. His father before him was a pharmacist and in 1923 purchased the present business. After becoming registered Brother Robertson joined the firm, purchased by his father, where he has practiced for the past thirty-four years. He served for five years as a member of the Washington State Board of Pharmacy, and two terms as a member of the Board of Managers of the Washington State Pharmaceutical Association.

Mr. Robertson has been a member of the A.Ph.A. since 1945 and for the past eight years has been chairman of the Professional Relations Committee of the A.Ph.A. Also during this time he has been a member of the National Pharmacy Committee with the Health Professions.

In 1954-1955 he served as second vice-president of the American Pharmaceutical Association and in 1956-1957 first vice-president. He also has been a member of the Committee on Prescription Tolerances, Mr. Robertson was a delegate to the U.S.P. Convention, and chairman of the Committee on Resolutions.

Brother Robertson is a member and past president of the American College of Apothecaries. He is also a member of Kappa Sigma, Rho Chi, Phi Kappa Phi, and is a past president of the Spokane Kiwanis Club and Spokane Retail Trade Bureau.

THE MASK extends congratulations and best wishes to Brother Robertson in his new office.

Scholarship is a Pattern for Living

By Varro E. Tyler, Jr., *Member of Scholarship Committee*

Some years ago I chanced to hear a broadcast by Gabriel Heatter in which he quoted some figures proving that the divorce rate among university professors was by far lowest of any occupational group. Mr. Heatter did some speculating on the reason for this and concluded that "these wise and understanding men did not expect too much of their marriage partners." Now I do not know if this statement is factual, but I suspect that it is, even though I have never bothered to verify it. Nevertheless, I have often thought about it as a generality and long ago came to realize the importance of it.

Let me reword Mr. Heatter's statement, putting it in broader terms. Educated persons are happy because they do not expect too much from life. The truth of this axiom is apparent, but the approach is a negative one. Certainly there is more to be gained from an education, or, put in other terms, from a scholarly approach to life than merely the absence of excessive expectations.

Here again the point is best proved by an example from real life. Recall the story of that marvelous lady, Dr. Edith Bone, who during the brief Hungarian revolt was restored to freedom after seven years of solitary confinement in a small, practically unfurnished cell. For more than two years of this time she had absolutely nothing to do, nothing to read, and no human being with whom to speak. Yet she retained her sanity by the use of mental exercises which were dependent to a large extent upon her splendid education in foreign languages. Her scholarly training permitted her to compile mental word lists of her vocabulary in various languages, which together with similar activities occupied her time sufficiently to prevent loss of reason.

This, of course, is an extreme example, and it is hoped that situations of this sort will cease to exist in the civilized world. But it is a vivid illustration of the fruits of scholarship. The uses to which you and I may put our education are certainly more mundane, varying from the thrill of recognition of a beautiful wildflower, to the appreciation of good literature or music, to the sense of pride in compounding some particularly difficult prescription which we know will benefit the health of a friend and neighbor in our community.

These are the intangible, positive benefits of scholarship which cannot be measured in terms of money or other material things, but only in the personal satisfaction which they bring to the individual. They result from scholarly application at all levels of education. Whether it is the fourth grader who takes pride in his ability to spell *peninsula*, the high school student who rejoices in his understanding of the binomial theorem, or the college student who celebrates his mastery of the intricacies of the Embden-Meherhof scheme of fermentation, the resulting satisfaction is the same.

There is no royal road to learning, and the attainment of this type of satisfaction calls for all the work and sacrifice that is necessary for the achievement of any worthwhile objective. True scholarship is one of the few commodities in our civilization that can never be purchased, borrowed, or stolen; rather, it must be earned. But if this price is high, the benefits which it brings are even higher. Nothing else contributes so much to making life worth living.

• • •

Integrity is one of the criteria which distinguishes the American way from Communism.

The Art of Being a Good Scholar

By Wallace L. Guess, *Member of Scholarship Committee*

A scholar may be defined as "one who by long-continued systematic study has gained a competent mastery of one or more of the academic studies." Within this definition lies the secret of being a good scholar—systematic study; but before one can develop good systematic study habits he must first learn HOW to study. In reality then, the attainment of the final goal of being a good scholar is dependent on the mastery of learning HOW to study and developing SYSTEMATIC study habits. Since both of these requisites are essential to good scholarship, it follows that one is practically useless without the other.

Each individual must learn, by trial and error, the best method for him to study. One should not presume to indicate that the best method of study is to follow someone else's routine just because that person may earn good grades. Don't be afraid to experiment with various study techniques until one is found that seems to make studying easy, interesting and informative. It usually takes time to find the method of study that is most adaptable to one's own characteristics, but a serious search for an individual technique is always very rewarding.

Once the student has learned HOW to study, his goal of good scholarship is within easy grasp, yet it may be very elusive unless he also develops a *regular, systematic* habit of study. All people, not just students, tend to procrastinate. But procrastination, no matter for what reason, is the primary obstacle to systematic study. Most students soon discover that it is almost impossible to catch up in their work once they get behind, and then their studying is pitched toward passing the next exam—not toward the true learning process. The method of systematic studying of all subjects on a regular schedule allows the student time to *think* about the material under consideration. Then, not only are facts learned but they begin to be correlated and organized in the student's mind. The true learning process thus goes beyond the mere memorization of a group of facts but also encompasses the ability to apply known facts to a new situation in order to arrive at a logical solution.

The amount of time required to study a given amount of material will vary with interest and the individual. However, the student should find that as he masters the art of studying, the time required to gain a competent mastery of the subject should decrease. In most cases then, the student will find himself studying many hours during his first years at college, but soon he discovers that as his study time shortens, his free time lengthens and in his later years at college, he is entering more into "college life."

It should be sufficient to say that if a student is really serious about his education, he will search for a method of study that will allow him to accomplish his aims. Certainly, the shortest route to this goal would be the most pleasant, and experience has shown that systematic study habits pave the way to good scholarship. Since most educational processes do not stop with graduation, good study habits will carry over into the life's work and aid in the attainment of success. Some simple words of advice to the students would be: 1. Learn *How* to study. 2. Develop *Systematic* study habits. Success will surely be yours!

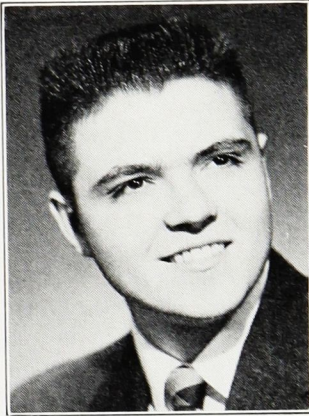

"Therefore ultimately the great contribution of the American fraternity is that it makes men. And what finer purpose could any organization have?"—NORMAN V. PEALE

Collegiate and Graduate Members of

Grand Regent James R. Thayer has announced the reappointment of Dr. Louis D. King and Dr. Paul M. Scott to another term as members of the Executive Committee. Collegiate member appointees are Robert J. Schaaf of Pi Chapter and Marvin Moen of Beta Sigma Chapter.

ROBERT J. SCHAAF

1302 **ROBERT J. SCHAAF**
Pi—Purdue University

Robert J. Schaaf was born January 4, 1939 in Lafayette, Indiana. He was educated in Lafayette, and graduated from Jefferson High School in the spring of 1957. In High School he was active in speech and musical activities. A member of St. James Lutheran Church, he served as president of the Wabash Valley Zone of the Walther League, a Lutheran Youth organization. He entered Purdue University School of Pharmacy in the fall of 1957. He pledged and was activated into Pi Chapter of Kappa Psi in the fall of 1959. He has held various positions in Pi Chapter which include Pledge Committees, Social Activities, and most recently as Vice Regent. He was chairman of the committee for the "Dope Peddler," the first Pi Chapter newsletter which was distributed to all alumni members last spring. Also he is associate advertising manager for the Purdue Pharmacist, a quarterly student publication of the Purdue

School of Pharmacy. He is active in the student branch of the A.Ph.A. at Purdue. Brother Schaaf's other activities include leading his own orchestra, and an active participation in sports, both organized and intramural. His knowledge and basic training in pharmacy stems from the fact that he is the third generation of the Schaaf family to be

MARVIN MOEN

Marvin Moen was born July 1, 1939 in Jamestown, North Dakota where he has lived his entire life. He was graduated from Jamestown High School and began his college education at Jamestown Liberal Arts College. During the years he spent in high school he was employed in a pharmacy in Jamestown. After attending the local college for one year he decided that he would follow pharmacy as a career. He entered the North Dakota Agricultural College at Fargo, pledged Kappa Psi the first quarter and was initiated March 21, 1959. In the spring quarter of his junior year he was elected Regent of Beta Sigma Chapter. Brother Moen has been active in campus affairs at the College where he was recently elected Treasurer of the campus Inter-Fraternity Council. He has taken an active part in the Student Branch of the American Pharmaceutical Association and is a past treasurer of this organization. His major interest at this time is to see that Beta Sigma Chapter builds a new chapter house in the very near future.

MARVIN MOEN
Beta Sigma—North Dakota
State College

1303

* EDITOR'S COMMENT: Collegiate and Graduate members of the Executive Committee are appointed by the Grand Regent in July of each year. Those above will serve until July, 1961.

AMERICAN PHARMACEUTICAL ASSOCIATION

Through the efforts of the National Advisory Commission on Careers in Pharmacy, which is comprised of representatives of every national organization in the profession, practicing pharmacists are being urged to assist students and their science teachers in the development of science projects. The Commission is coordinated by the A.Ph.A., which presents two awards at the National Science Fair-International. A career brochure, *See Your Future in Pharmacy*, two color sound films (one for junior high school age and one for senior high and adults), about the profession of pharmacy and a 20-foot Career Exhibit are available from the A.Ph.A. Address: Mr. George B. Griffenhagen, American Pharmaceutical Association, 2215 Constitution Ave., N.W., Washington 7, D.C.

The ability to meet a challenge effectively is one of the real measures of a good chapter.

Kappa Psi Grand Council Scholarship Key and Certificate Winners for 1960

(EDITOR'S COMMENT: A Grand Council Scholarship Key of solid gold and an appropriately engrossed certificate are awarded to each Kappa Psi graduating member who has the *highest* grades of his *entire* graduating class in Pharmacy. The Key and the award is explained in paragraph 163 of the CONSTITUTION.)

WILLIAM HENRY BARR—Beta Gamma Chapter University of California

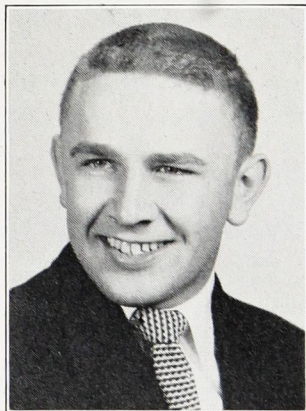

William Barr was born in Silver City, New Mexico, June 26, 1937. He graduated from Union High School in Barstow, California, where he was awarded numerous honors, chief of which were the Arion Award in Music and the Bank of America Award in Science. He won a Rotary Club Scholarship and was also given a music scholarship at Arizona State University. He also attended U.C.L.A. before transferring to the University of California, School of Pharmacy. There he was Vice President of the Sophomore Class, President of the Student Body, and President of the Student Branch of the A.Ph.A. He was also elected to Rho Chi. Brother Barr is continuing his studies in pharmacy and is working towards the Doctor of Pharmacy degree.

WILLIAM HENRY BARR
KΨ Scholarship Key Winner

1304

. . .

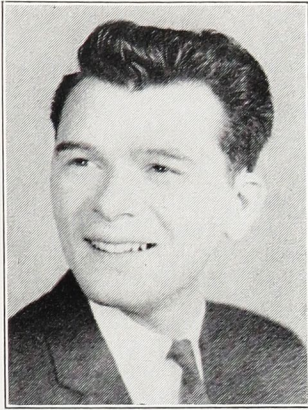

DONALD GENE BRANDNER—Beta Chi Chapter Drake University

Donald Brandner was born in Belleview, Iowa, on January 19, 1937. He attended high school in LaSalle, Illinois, where he was active in both academic and athletic endeavors. He was secretary of his junior class and president of his senior class, as well as being on the football, basketball, and baseball teams. He attended LaSalle-Peru-Oglesby College before enrolling in Drake University to study pharmacy. At Drake he was a member of Rho Chi, the A.Ph.A., and the Drake "D" Club in addition to being an active member of Kappa Psi. He was the winner of the Rho Chi award and was vice president of the senior class. Brother Brandner plans to enter the retail practice as a pharmacist in his home town of Oglesby, Illinois.

DONALD GENE BRANDNER
KΨ Scholarship Key Winner

1305

. . .

**PHILIP E. DILEO—Nu Chapter
University of Connecticut**

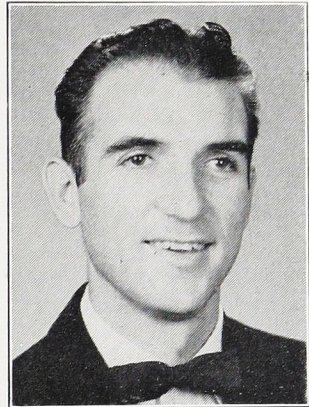

Philip Dileo, son of a pharmacist, was born in Norwalk, Connecticut in 1935. He was consistently on the Dean's List of honor students in Fairfield Preparatory School. While in preparatory school he was active in Intramural sports, Sodality, and the Camera Club. In pharmacy school he was elected to Rho Chi as well as to Phi Kappa Phi Honorary Fraternity, and in his senior year he served as president of Rho Chi. In his junior year he won the Operative Pharmacy Prize and in his senior year he won the Merck Prize in Pharmaceutical Dispensing, the Lehn & Fink Plaque, and the C. G. Spaulding Drug Company Award. Brother Dileo is married and has one child. After a six months' internship in Willimantic he plans to return to Norwalk and manage his father's pharmacy.

PHILIP E. DILEO
KΨ Scholarship Key Winner
1306

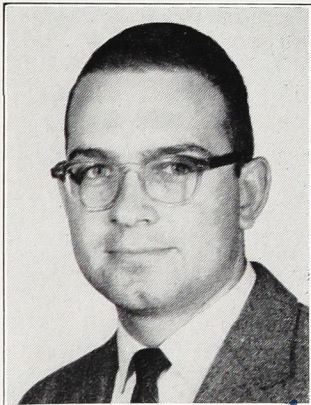

**LESTER LEA CALDWELL—Psi Chapter
University of Tennessee**

Lester Caldwell, born on March 29, 1932 in Surgoinsville, Tennessee, received his elementary and secondary education there, graduating from high school as Valedictorian in 1950. In high school he was active in sports and photography. He served in the U.S. Air Force as a Staff Sergeant. While in pharmacy school he was elected to Rho Chi and was awarded the Rexall Trophy for scholarship, the Lehn & Fink Gold Medal, and the Merck Award. Brother Caldwell has chosen retail pharmacy for his career.

LESTER LEA CALDWELL
KΨ Scholarship Key Winner **1307**

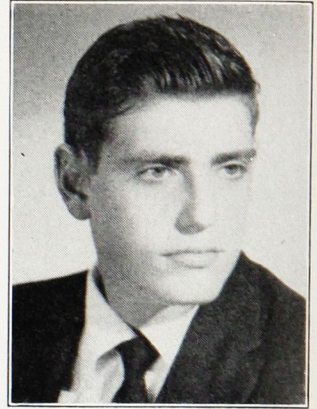

**ROBERT IRWIN FULFORD—Gamma Phi Chapter
University of Georgia**

Robert Fulford is a native of Georgia, and gives the town of Wrightsville as his home town. He was born October 10, 1938 in Washington County and attended schools in Wrightsville. In high school he was a member of the Band, President of the senior class, and Editor of the high school Annual. At the University of Georgia he has been active in Kappa Psi, serving as Vice Regent; has been a member of Rho Chi; President of the student branch of the A.Ph.A.; and a representative on the Student Council. He received both the R. C. Wilson Awards and the Rexall Trophy for the Outstanding Pharmacy Student. Brother Fulford has taken employment in a retail pharmacy in Macon, Georgia.

ROBERT IRWIN FULFORD
KΨ Scholarship Key Winner **1308**

**JOSEPH NICHOLAS GALLINA—Omega Chapter
Rutgers University**

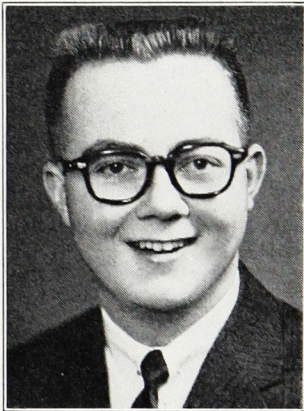

Joseph Gallina was born March 5, 1938, in Newark, New Jersey. He went to high school in Nutley, graduating in 1956. At Rutgers, in addition to being active in Kappa Psi, Brother Gallina participated in intramural sports and was a member of Rho Chi, the student branch of the A.Ph.A., and the Newman Club. He was the winner of a Revlon Scholarship Award and the Kappa Psi Scholarship Award in 1959. Mr. Gallina has chosen a career in public health and in July of this year he was commissioned an officer in the U.S. Public Health Service.

JOSEPH NICHOLAS GALLINA
KΨ Scholarship Key Winner

• • •

**GARY LAWRENCE GRUNEWALD—
Beta Pi Chapter
Washington State University**

Gary Grunewald, of Tekoa, Washington, was born on Armistice Day, 1937, in Spokane. He graduated from Tekoa High School and entered the school of pharmacy at Pullman the following year. He has had an outstanding record, being in the "Top Ten" in activities of the senior class, and was voted the outstanding senior in pharmacy. He was a member of Rho Chi, Phi Beta Kappa, Phi Kappa Phi, and Alpha Chi Sigma in addition to Kappa Psi. He served as president of Rho Chi and vice president of the senior class, was dormitory vice president and chairman of the election board on campus. Brother Grunewald is continuing his studies, doing graduate work in the field of organic chemistry.

**NEIL MARLYN KNATTERUD—Beta Sigma Chapter
North Dakota State College**

Neil Knatterud, who was born in Rugby, North Dakota, on March 16, 1938, lists Bismark as his home town. His high school education was obtained at Benson County Agricultural and Training School in Maddock. He was a member of the Band, student council, Baseball Team (captain), was president and salutatorian of the senior class. In college he held membership in Kappa Psi, Rho Chi, Phi Kappa Phi, and the student branch of the A.Ph.A. He was a winner of the Halbeison Scholarship and the Lehn and Fink Gold Medal Award in his senior year. He was recently commissioned a Second Lieutenant in the Air Force.

**JOHN CLIFFORD KULA—Beta Zeta Chapter
Oregon State College**

John Kula was born in Fullerton, Nebraska, September 23, 1926. He attended high school in Fullerton and was a member of the national honor society there. He won a Regent's Scholarship and enrolled in the University of Nebraska, but interrupted his schooling to serve as an electronic technician in the U.S. Navy. At Oregon State, he held membership in Kappa Psi, Rho Chi, Phi Kappa Phi, and the student branch of the A.Ph.A. Brother Kula plans to make his career in the retail pharmacy field.

**EMIL JULIUS KUNZI—Xi Chapter
Ohio State University**

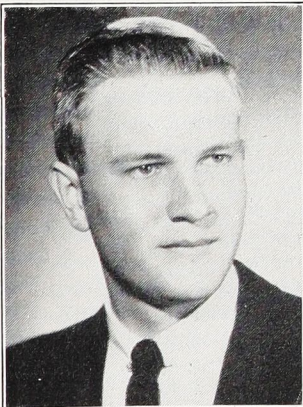

Emil Kunzi of Columbus, Ohio is a native of the buckeye state. Born February 19, 1926, he attended high school in West Columbus and from there he went into the State University. Before enrolling in pharmacy he took instruction in the Arts College. He was Regent of Kappa Psi, president of Rho Chi, vice president of the senior class, and president of the junior class. He also held membership in Phi Lambda Upsilon, Pi Kappa Alpha, and the pharmacy council of his school. As a sophomore he won the Phi Delta Chi scholarship award and in his junior year he was the winner of the Borden Scholarship Award. He has chosen retail pharmacy as his career.

EMIL JULIUS KUNZI
KΨ Scholarship Key Winner 1312

**CARL LLOYD MEYER—Beta Upsilon Chapter
Butler University**

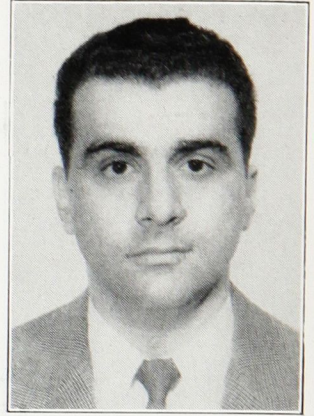

Carl Meyer has accumulated so many honors that only his major ones are listed here. Born in Indianapolis on August 1, 1934, he attended Shortridge High School. Upon graduation, he studied in the school of commerce at Indiana University and graduated from that institution with honors in 1956. He was a distinguished AFROTC Graduate and commissioned in the U.S. Air Force Reserve. At Butler University, he was on the Dean's list every year, won a Butler University scholastic scholarship and an American Foundation for Pharmaceutical Education Scholarship; he served as secretary of Kappa Psi, president of Rho Chi, and vice president of the senior pharmacy class. In addition to his professional affiliations he was a member of the student council, Beta Gamma Sigma business fraternity, and Phi Kappa Psi social fraternity. He was also a member of the student branch of the A.Ph.A. and in his senior year was elected to Phi Kappa Phi. He received the Lehn & Fink Award and the Indianapolis Retail Druggists' Association Award for outstanding ability in pharmacy during his senior year. Brother Meyer has selected retail pharmacy as his area of practice.

CARL LLOYD MEYER
KΨ Scholarship Key Winner 1313

**ALEXANDER A. MONTE—Beta Omega Chapter
Temple University**

Alexander Monte is a native of Bristol, Pennsylvania. He was born September 29, 1932. In high school he had the enviable record of being his class president all four years. He was on the student council and active in sports as well, and was Valedictorian of his high school class. Brother Monte served in the U.S. Air Force as Staff Sergeant before entering pharmacy school. At Temple, he was a member of Kappa Psi, Rho Chi, the student branch of the A.Ph.A. and was a worker on the *Arrex* staff, a school publication. Brother Monte is married and has two children. He has chosen industry for his career and is doing research with McNeil Laboratories.

GARY J. WOLD—Gamma Eta Chapter Montana State University

Gary Wold was born September 28, 1932, in Enderlin, North Dakota and received his primary and high school education in that state. He graduated from Jamestown, N.D. Public High School in 1950 and attended Eastern Montana College of Education in Billings before enrolling in the school of pharmacy. He was a member of Kappa Psi, Phi Sigma, Rho Chi, and was active in the student branch of the A.Ph.A. He was awarded the Faculty Senior Research Award in Pharmacology and the Lehn & Fink Gold Medal Award. He served as Sergeant 1st. Class in the U.S. Army and is now interning at the U.S. Public Health Service Hospital in Boston. Brother Wold's ultimate plans are to do graduate work in pharmaceutical chemistry.

Men of Kappa Psi: Scholars and Leaders

By Glen J. Sperandio, Second Vice Regent and
Chairman of the Scholarship Committee

Once again we report on the scholastic achievements of our Brothers in Kappa Psi throughout the country; and again we find that those who lead their class in scholarly accomplishments also lead in professional, social, and extra-curricular activities. It is particularly gratifying to find that so many Kappa Psi men have been recognized for their abilities by non-members of our Fraternity as well as by ourselves.

This year 30% of our collegiate chapters reported Grand Council Scholarship Key winners. This means that in these chapters a member of Kappa Psi had the highest average of anyone in his graduating class. Certainly we are establishing an enviable record and reputation. However, competition for scholastic honors is ever increasing, and it is the inherited obligation of the Juniors of this year to work diligently so that next year they may maintain this record of superior scholastic achievement.

Upon reading the brief biographical sketches of the Grand Council Scholarship key winners it can be seen that, hand in hand with scholarship, goes the quality of leadership; and good leaders are sorely needed in our modern world. The men of Kappa Psi are destined to become the leaders of their profession and tomorrow's great men of Pharmacy will be chosen from this group. Scholarship—like Leadership—does not stop with the completion of one's collegiate career. In an article in another part of THE MASK, Dr. Tyler points out that it is actually a way of life, and enables us to get the most out of life while giving the most to our community. This is the true spirit of Kappa Psi. We salute the Brothers listed on the following pages for exemplifying this thought.

Scholarship Honors Certificate Winners

The Scholarship Honors Certificate is awarded by Alpha Chapter of Kappa Psi Fraternity in recognition of the attaining of a B average or better by Brothers in their junior and/or senior year of pharmacy school.

SCIENCE (WEBER) HALL, COLLEGE OF THE PACIFIC, STOCKTON, CALIF.

1318

Location of The School of Pharmacy.

The School of Pharmacy, College of the Pacific

Under encouragement by the Northern California Pharmaceutical Association, the School of Pharmacy was organized in February, 1955, and began formal instruction in September, 1955.

During the first year of instruction there were about eighty students enrolled in the School of Pharmacy. After five years, the enrollment has increased to over two-hundred students.

The curriculum in the School of Pharmacy is formulated to provide collegiate education and professional training designed to prepare the graduate pharmacist for the practice of the profession on a high level. It is likewise designed to provide related courses to assist the student in gaining a solid understanding of the culture and problems of our civilization. Free electives are provided in order that the student may augment the professional training with considerable general education. Pharmacy electives are also provided for those who wish to strengthen the professional program to better prepare for retail pharmacy, hospital pharmacy, and graduate studies.

Gamma Nu Chapter Makes Good Start in Scholarship Recognition Program

Father Time is responsible for the fact that our newest chapter does not have a Grand Council Scholarship Key winner for this year. Actually, a member of Gamma Pi graduated from College of the Pacific in June with the highest average in his class; but he

cannot be officially declared a recipient of the Scholarship Key because the Chapter was not chartered until after he had graduated.

Michael Horosanian, now in retail work in Fresno, California, deserves recognition for his accomplishments. A veteran of the Korean War, he was active in the Kappa Psi Club during its formative stage and acted as Historian until his graduation. He drove up to Stockton from Fresno to participate in the Installation Ceremonies on September 17, 1960 and is a Charter member of Gamma Nu Chapter. We congratulate this new Brother and are proud to have him with us.

Gamma Nu Installed at College of the Pacific as 51st Active Chapter

Early in 1958, Dr. John Suchy, of the School of Pharmacy faculty and a member of Kappa Psi, brought up the idea of forming a chapter of Kappa Psi Fraternity at College of the Pacific. At first there were eight pharmacy men who joined together to form the

GAMMA NU MEMBERS AND OFFICERS (September, 1960)

GAMMA NU MEMBERS

First row (l. to r.)—Charles Clark, Ronald Clement, Henry Prado, Albert Schmidt, Andrew Stevahn and Robert Watkins.

Second row (l. to r.)—Charles Center, Robert Curtis, Anthony Jurach, Richard Marshall, Irving Danis, Ralph Mounts, Vernon Vierra, Dennis Adair, Anthony Angello and Primo Castagno.

Third row (l. to r.)—James Hyde, Rudy Valente, Wallace Beaver, James Valle, William Farley, Michael Hogan, John Rehn, Robert Bolling, Brad Feggat, Eugene Siefert, Walter Allsman, Richard Sea, Robert Hirschler, Robert Jackson, Dennis Honneychurch and Ervin Radonovich.

(Not present in photo: Michael Horosanian, James Lauffenburger and David Yount.)

1320

GAMMA NU OFFICERS AND SOME MEMBERS

Pictured from left are Dr. Arnold Alpert, faculty member and advisor; Robert Jackson, Regent; Walter Allsman, Treasurer; Henry Prado, Sergeant-at-arms; Ralph Mounts, Vice Regent; James Hyde; Richard Marshall, Recording Secretary; and Irving Danis, Historian. (Note: Name of one member not supplied)

beginning of this new organization. The pioneers of the Gamma Nu Chapter of Kappa Psi were: James Valle, Robert Jackson, Andrew Stevahn, David Yount, James Lauffenburger, Ervin Radonovich, Anthony Jurach, and Albert Schmidt. Early correspondence was carried on with the Grand Secretary-Treasurer, Dr. Frank H. Eby.

In October of 1958, a formal dinner was held to discuss further plans. As time passed more interested students became affiliated with the original group and the membership increased.

On March 22, 1960, after two years of work to overcome certain administrative obstacles, we received approval from the personnel committee of College of the Pacific. With this approval, a formal petition was sent to the national organization. Upon acceptance of our petition later in March, we then concentrated on preparing ourselves for our formal initiation which was held on September 17, 1960.

Dr. Glen J. Sperandio of Purdue University was the initiating officer. A degree team from the Beta Gamma Chapter of the University of California was also present at the initiation which was held September 17, 1960 in Morris Chapel located on the College of the Pacific Campus. Thirty-one men underwent the rites of initiation and are now active members of Gamma Nu Chapter of Kappa Psi at College of the Pacific. A special delegation from Beta Gamma Chapter drove up from San Francisco to exemplify the Ritual of Initiation and helped make the event even more memorable. Brothers from Beta Gamma participating were: Glen Caray, Dominic Cavallo, Ron Allsman, Jan Blumenstock, George Hucks, Wayne Foster, and G.C.D. Dr. Jorgenson.

Following the installation, a "Gourmet's Banquet," perfectly planned by the newly initiated brothers, was enjoyed by all, and the evening was concluded by several smaller affairs in continued celebration.

Annual National Kappa Psi Breakfast Washington, D.C., August 17, 1960

NEUROTH, O'BRIEN, SEMENIUK and STROMMEN HONORED

The Fifteenth Annual Breakfast of Kappa Psi Fraternity was held at the Shoreham Hotel in Washington, Wednesday, August 17, with one hundred and sixteen members and guests in attendance.

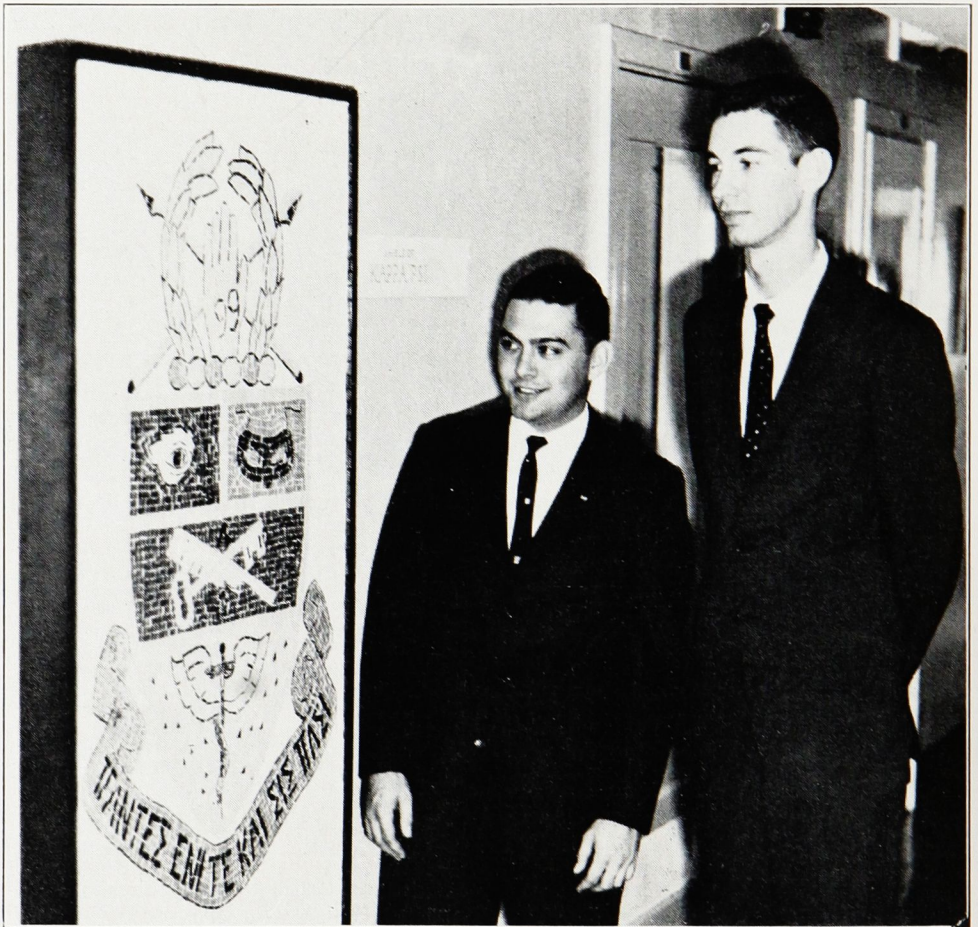

Grand Regent James R. Thayer presided and extended fraternal greetings to the members who represented all phases of pharmacy. Thirty of those in attendance were collegiate members who were attending the A.Ph.A. Convention as representatives of their respective local college branches. The A.Ph.A. President Elect, Ronald V. Robertson (Beta Pi), William S. Apple, A.Ph.A. Secretary (Beta Psi) and Raymond J. Dauphinais (Chi), Director of the A.Ph.A. Legal Division, were special guests of the Fraternity.

The principal feature of the breakfast was the awarding of four Kappa Psi Certificates of Appreciation to members for their outstanding services to the Fraternity. Grand Secretary-Treasurer Frank H. Eby delivered the citations and presented the certificates to Dr. Milton L. Neuroth, Medical College of Virginia; Francis J. O'Brien, Albany College of Pharmacy; Dr. Fred Semeniuk, University of North Carolina (accepted by Dr. Earl T. Brown) and Professor Richard S. Strommen, University of Wisconsin.

We regret that the list which follows is not a complete record of those who were in attendance:

| | | | |
|-----------------------|-------------------------|-------------------------|----------------------|

Mosaic Wall Mural to be Exhibited at Next A.Ph.A. Convention in Chicago

Regent Richard Gardner (left) and Raymond Kennett of Gamma Theta Chapter view mosaic wall mural which hangs in the hall of the University of Kansas School of Pharmacy.

1321

The big news at Gamma Theta Chapter at the University of Kansas in Kansas City is that of the mosaic wall mural depicting the Shield of Kappa Psi which represents the work and gift of Brother Richard Kennett who spent over 200 hours cutting, piecing and gluing the ceramic tile. The mosaic mural, which measures 52" \times 32", having shades of red, blue, yellow and black on a white background hangs in the hall of the School of Pharmacy. Working in white tile, Kennett used a straight mechanical effect at the bottom but as you look up from bottom to top there is a growing effect. As the size of the tile becomes larger, the pattern becomes more irregular so as to give a flaring effect around the wreath at top. The artistic techniques that Brother Kennett used on this has won him acclaim from professional Kansas City artists and an article in the *Kansas City Star*.

The mosaic will be on exhibition in Chicago in April at the next A.Ph.A. convention.

Personals

Leonard G. Parks (Eta) recently was elected corresponding secretary of the Northeastern New York Society of Hospital Pharmacists. Brother Parks presently is associated with the Putman Memorial Hospital in Bennington, Vermont. He lives with his wife and their two daughters at 115 Adams Street, Bennington. Before his present position at the Vermont hospital he was pharmacist at the Mary Hitchcock Hospital in Hanover, New Hampshire.

Lloyd Clifton Brewton (Gamma Phi) and Milton I. Johnson, Jr. (Gamma Phi) received their M.D. degree as members of the class of 1960 at the Medical College of Georgia in Augusta. Both graduated from the University of Georgia, School of Pharmacy in Athens.

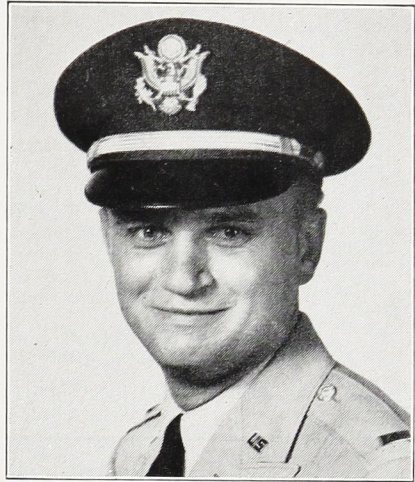

Glen E. Dyer (Beta Omicron) has retired as a salesman for Eli Lilly and Company in Yuma, Arizona in June. Brother Dyer joined Lilly as a salesman in Boise, Idaho in 1926. He studied pharmacy at the University of Washington and served two years with the U.S. Army in World War I.

GLEN E. DYER (Beta Omicron) **1323**
Recently retired from Eli Lilly and Company.

Emil Marone (Gamma Iota) recently completed the final phase of six months active duty training under the Reserve Forces Act program at Fort Bliss, Texas. He received training in the duties of a fire control specialist. Brother Marone was a 1959 graduate of the University of Buffalo.

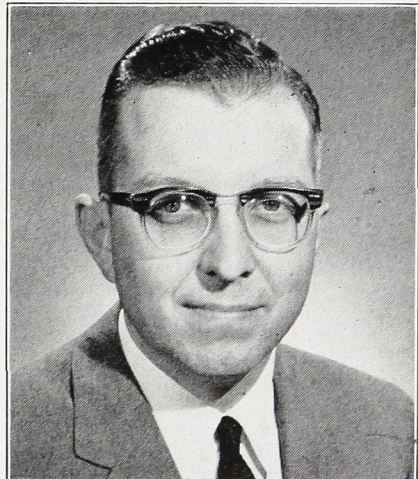

Army Reserve 2d Lt. John W. Buchhop (Beta Lambda) recently completed the officer orientation course at The Infantry School, Fort Benning, Georgia. The ten-week course was designed to familiarize Lieutenant Buchhop, a newly-commissioned officer, with the duties and responsibilities of an infantry unit commander. Brother Buchhop graduated from the University of Toledo in 1960.

2d Lt. JOHN W. BUCHHOP (Beta Lambda) **1322**

Jerry L. Lemm (Beta Pi) has joined Eli Lilly and Company as a salesman in San Francisco. Brother Lemm received his bachelor of science degree in pharmacy from Washington State University in 1957.

Paul H. Feucht (Pi) has been named manager of Eli Lilly and Company's Los Angeles "West" District. For the past nine years Brother Feucht has represented Lilly as a salesman in Illinois. Feucht received his bachelor of science degree from Purdue University in 1948.

PAUL H. FEUCHT (Pi) **1324**
Manager of Lilly's Los Angeles "West" District.

Death Claims Dr. Henry J. Goeckel, Dr. George Urdang and Dr. Sigurdur Jonsson

Three well-known members of Kappa Psi have been claimed by death recently. They are Dr. Henry J. Goeckel, Dr. George Urdang and Dr. Sigurdur Jonsson.

Dr. Goeckel, who was 76 years old, was probably the oldest living active member of Kappa Psi at the time of his death. He was a Charter Member of Gamma Chapter (1898) and for many years prior to death was active in both the New York and New Jersey Graduate Chapters. Dr. Goeckel was a graduate of the New York College of Pharmacy, now a part of Columbia University. He received a Ph.D. degree after study at the New York Post-graduate Medical School and the College of Physicians and Surgeons, Columbia. He established the Goeckel Laboratory in New York in 1909 and moved it to Cranford, N.J. in 1916. The laboratory was for the examination of food, chemicals and drugs and for clinical, bacteriological and pathological examinations. Dr. Goeckel, a former instructor in analytical inorganic chemistry at New York University, had been with the New York State Board of Pharmacy. In World War I, he was a captain in the Army Chemical Warfare Service.

Dr. George Urdang was made an Honorary Member of Kappa Psi in 1951 while a professor at the University of Wisconsin and director of the American Institute of the History of Pharmacy.

Dr. Sigurdur Jonsson, professor of pharmaceutical chemistry at University of North Carolina died almost instantly in the early morning of July 16, 1960 when his car left the road about eight miles from Chapel Hill. He was alone in a new compact car purchased only a week earlier. He was born January 27, 1919 at Flatøy, Iceland and was a naturalized American citizen. Dr. Jonsson was initiated into Kappa Psi by Beta Xi Chapter as a Facultate Member on November 14, 1956.

Chapter "Newsletters"

"Newsletter" for Publication in THE MASK

Collegiate Chapter Historians and Graduate Chapter Secretaries should send their "Newsletter" for publication in THE MASK by the following dates:

| <i>Issue</i> | <i>Postmark Not Later Than</i> |
|------------------|--------------------------------|
| October-December | October 10 |
| January-March | January 10 |
| April-June | April 10 |
| July-September | June 10 |

It is requested that you mail about a week before the deadline date and observe the following:

- 1—Reports should be typewritten and double-spaced.
- 2—Include the original and one carbon copy.
- 3—Include chapter and school name in capitals across the top of the first page of each letter.
- 4—Graduate Chapters need include only the chapter name.
- 5—Be certain that members' names are spelled correctly.
- 6—Whenever photographs (not over two) are submitted be sure to include names of those appearing in the pictures and to attach other information which you wish published beneath the picture. Send only *clear* glossy photographs (7 x 10, 8 x 11 or larger size) and protect them in such a way that they will not become damaged in the mails. (Submission of photographs is no guarantee that they will be used.)

Send your "Newsletter" to Nicholas W. Fenney, Editor of THE MASK, 62 Broadfield Road, Hamden 17, Connecticut.

ETA—PHILADELPHIA COLLEGE OF PHARMACY AND SCIENCE

The brothers of Eta Chapter would like to cordially welcome everyone back to another year of classes. For the seniors it is the final step toward graduation while for the underclassmen only another step in that direction. With the fraternity filled to capacity, Eta Chapter looks forward to another prosperous year.

The year began with the Freshman Mixer which was held on Thursday, September the twenty-second. We were extremely pleased that all the freshmen took such an active part in the event. After the dance was over, everyone adjourned to the Kappa Psi House for a traditional "Open House." Music at the party was furnished by the Nomads, a popular Philadelphia orchestra. With the house in top order and spirits high, a good time was had by all.

On Thursday evening, the sixth of October, the ladies of Lambda Kappa Sigma held their annual "Barn Dance." After the dance all returned to Kappa Psi for an open house. Spontaneous entertainment was provided by those attending the party.

October twenty-second and twenty-third were the days seven members of our chapter motored to Pittsburgh to attend the Province II Assembly. The meetings were held at the Webster Hall Hotel. The Vice Regent Thomas Shaulinski pre-

sented a paper entitled "Public Relations Program of a Collegiate Chapter." The host chapter for the event was Beta Kappa Chapter. Those in attendance from Eta Chapter included Terrence Wentzel, Donald Reiff, James Roenitz, Thomas Shaulinski, Anthony Silvagni, Edward Curvey, and Joseph LaRue. The representatives all had an enjoyable time while taking care of the business at hand.

The "Rush" and "Pledge" seasons will soon be upon us. This year's program will be under the able direction of Robert Penna and Lawrence Baldassano. The actual "Rush Season" began on the fourteenth of October with the Interfraternity Council Dance. With the very active chapter, we look forward to a successful pledge program and year.

Eta Chapter is privileged to have three of the 1960 graduates furthering their work in pharmacy. Chet de Groat and Peter Eden continuing their work at P.C.P.&S., while Allan Baker is studying at the Hahnemann Medical College. We would like to give them our congratulations.

Our house at 4224 Spruce Street is a home we are proud of. We would like to invite any brother who is in the Philadelphia area to stop in and say hello!

The members of Eta Chapter express their heartfelt sorrow at the passing of one of our brothers, Roger Parker of Beachhaven, New Jersey.

This year's fraternal events and business will be under the direction of our Regent Clifford Hynniman. He explains, "Membership in Kappa Psi is one of the richest experiences of one's life and as a brother he is looked upon with respect by all his fellow men."

JAMES M. ROENITZ, *Historian*

THETA—MEDICAL COLLEGE OF VIRGINIA

Greetings to all Kappa Psi Brothers and welcome back to campus. We of Theta have been very busy this past summer. In June, the Virginia Pharmaceutical Association held its annual convention at Virginia Beach. One of the many special events was the Kappa Psi luncheon for the alumni and active members.

During the summer, our officers spent many hours trying to find a suitable fraternity house, and when we returned to school we had a new house located at 3800 Florida Avenue. We spent several weekends repainting and cleaning-up, and on September the 24th, we held an open house combo party for the Pharmacy school. We had a real good crowd and everyone had a great time.

On October the 5th, we held our first educational program of the year. It was open to the student body. We were honored to have as our speaker Dr. A. P. Simonelli who spoke on research in manufacturing.

Since our rush season is drawing near, we are making plans for rush week. We hope that we can pledge as many new members as last year.

In closing, Theta extends its best wishes to all brothers, and we hope everyone has a great year.

Fraternally yours,
CECIL K. CADWALLADER, *Historian*

MU—MASSACHUSETTS COLLEGE OF PHARMACY

Greetings to all brothers from Mu Chapter. Here at the Massachusetts College of Pharmacy all the brothers are glad to be back, mainly because it means one year less to go. This is especially true for the seniors because this is their last year.

When the brothers returned they found that the officers had worked very hard during the summer to assure a successful year. The officers headed by Regent John Quimby held three meetings. All the activities for the coming year have been planned.

Our social program for the year had a very enjoyable beginning on the evening of October 1, when Brother John McNabb scheduled a Mardi Gras-type party and dance at the American Legion Hall on Commonwealth Avenue, Boston. The Johnny Kaye Orchestra furnished excellent music for dancing. The Social Affairs Committee was very happy with the turnout as almost every brother was present. The prize for the best costumed couple was won by Regent John Quimby and Miss Charlene Morin. Grand Council Deputy James Mickles and Dr. Winthrop Lange were in attendance. Seeing the excellent response the committee has gone ahead and planned several more of these theme parties.

Second Vice Regent Leonard Dumas is working very hard with his Initiation Committee. The first of two initiations will be in November. At this time the upperclassmen who wish to join will be

initiated. The pledge program is being changed a little and should have good results.

First Vice Regent Frank Kelley has been doing a fine job of showing the Freshmen the advantages of joining Kappa Psi. Frank and his committee met most of the class on registration day. Posters throughout the school publicized our Mardi Gras party and the Freshmen were quite enthused.

Brothers Ronald Gomes, Robert Raymond and Robert Daly represented Mu Chapter at the Kappa Psi Breakfast held in conjunction with the American Pharmaceutical Association Convention in Washington last August.

All the brothers of Mu Chapter wish good luck to all the other Chapters and hoping that 1960 will see Kappa Psi again as a top professional fraternity.

Fraternally yours,
ROBERT L. RAYMOND, *Historian*

NU—UNIVERSITY OF CONNECTICUT

Greeting once again from the Brothers of Nu Chapter at the University of Connecticut.

Now that the summer has past, we will look back on the various pre-semester activities. Our annual summer picnic was very well attended with a good mixture of Brothers, grads, pledges, and friends. Brother "Waldo" Walsh, who has had the responsibility to make ends meet for the last three years of summer picnics, should be commended for a fine job both for this and previous years.

Also during the summer, wedding bells were ringing for Brother Chuck Miller who married Flo Smith in September, and Brother John Grillo who married Joan Olson, also in September. Congratulations are in order for both Brothers and their wives. We wish them much happiness.

Upon arriving on campus after the summer months, we were surprised to find ourselves back in our old quarters. We had been planning a move to the opposite end of campus, however, our new house was still under construction at the new semester opening. Nevertheless, it seems that our transfer will be inevitable during the mid-year break.

As a new semester begins, we find ourselves scheduling our studies around the extra curricular activities which the Fall season brings into view. On the week of October 15th, plans are being made for our annual Homecoming events. Arrangements are underway for the house display, a buffet dinner on Saturday, and a house party for both nights of the weekend. We expect a full house, including grads, Brothers, and friends.

On the Saturday night of October 1st, we had our first party of the year. The decorations were indicative of the "Roaring Twenties," and we naturally dressed accordingly, with high button shoes, and the like. Brother Bill Dugan and his Social Committee did a fine job with the arrangements.

Greetings are in order for Brother Doctor Marvin Malone, who recently arrived on campus to head the Pharmacology division, Doctor Malone, replacing Brother Doctor Thoms, previously taught and did research in his field at the University of Mexico. We are happy to have Doctor Malone with us, and we certainly wish him the best of luck at the University.

Since we are now up to date on activities thus far, I will close and wish all the Brothers of Kappa Psi the best success during the Fall semes-

ter. Until the next Nu report via THE MASK, I remain,

Fraternally yours,
P. CLARK VARNUM, *Historian*

UPSILON—UNIVERSITY OF KENTUCKY

Greetings to all Kappa Psi Brothers from the members of Upsilon Chapter. We sincerely hope a very pleasant summer was enjoyed by our brothers everywhere.

We of Upsilon Chapter are very happy to have Brother Richard M. Doughty back with us. Brother Doughty was our Grand Council Deputy before taking a sabbatical leave to work on his Doctorate in Botany at Indiana University. He has proved very helpful to this chapter in the few weeks since his return and we know that he will continue to be very helpful.

Two of our collegiate brothers were married during the summer. They are Brothers Ray Thomas and Carroll Cinnamond. The best wishes of Upsilon Chapter are extended to these fine brothers.

Another marriage of great importance to the brothers of Upsilon Chapter was that of Grand Council Deputy Richard M. Doughty to Miss Gloria Hope Hartman of Lexington on the fourteenth of August.

On the fifth of October we held our first smoker for this Fall. It was very successful with many future brothers being pledged whom I am sure you will be hearing from in the future. The evening was enriched by the attendance of Brothers Richard M. Doughty and Dr. Charles Lesshaft, the latter bringing along his special style of humor to provide a few laughs for all in attendance.

Upsilon Chapter wishes to extend the very best to its recent graduates. They are Brothers: George Bernard, Thomas Clarkson, Craig Foster, Lee Griffith, James Herron, Walter Holland, Thomas Hudson, Ronald Moreland, Robert Reister, Russell Richie, Bill Stover, Vertner Taylor, and John Hulsman.

Until next time, best wishes to all our brothers from Upsilon Chapter.

Fraternally,
WAYNE PETRY, *Historian*

CHI—UNIVERSITY OF ILLINOIS

Greetings from Chi Chapter. With a pleasant summer neatly tucked in the past, the Kappa Psi men from Illinois are confidently looking forward to a successful year.

Since our last meeting via THE MASK, Chi Chapter has been as active as the perennial "busy bee." On May 30, our Annual Dinner-Dance was held at the picturesque Elmhurst Country Club. The perfect combination of a starlit night and fine music made the affair one which will bring back fond memories to all Chi Chapter brothers and their Kappa Psi Sweethearts. The highlight of the evening was the installation of the officers for the 1960-61 scholastic year. They are: Regent, John Burns; Vice Regent, Greg Pechous; Secretary, Joseph Dillmann; Assistant Secretary, Dave Koszut; Treasurer, Al Scheck; Assistant Treasurer, Richard Egan; Historian, Frank Nale; Chaplain, Dennis Barry; Sgt. At Arms, Bernie Mensik; and Grand Council Deputy, Dr. Jean M. Dunbar.

This June saw the graduation of twelve Chi brothers. They are: Kenneth Karasek, Paul Pinta,

William Christopher, Richard Beck, Donald Kalter, Michael Connata, Robert Morganthaler, David Hoak, John O'Donnell, Russell Ball, Tony Serio and Thomas Vitello.

Congratulations are in store for James Novak, Dick Poocki, Kenneth Karasek, Robert Morganthaler and Robert Jasinski. During the summer, all of the aforementioned brothers severed their ties with bachelorhood and entered into the state of matrimony.

This year, Chi Chapter will celebrate their 50th Anniversary. A Golden Anniversary Dinner-Dance will be held in conjunction with the APhA Convention in Chicago in 1961. We sincerely hope all of our Kappa Psi brothers will be present for this gala event.

Good luck and best wishes to all brothers of Kappa Psi, I remain,

Fraternally yours,
FRANK NALE, *Historian*

OMEGA—RUTGERS UNIVERSITY

Greetings to all Brothers in Kappa Psi. The start of a new school year always brings promises of great things to come for the fraternity. Plans are made for the year and there is a good feeling they will all reach fruition. It is with this optimistic attitude that Omega chapter has begun the new school year.

We have 29 returning active brothers after our ranks were severely decimated by graduation. Kappa Psi at Rutgers is still the largest in numbers despite our heavy losses.

During the past Summer many of our brothers shared vacation days together at our rented shore house at Belmar, N.J. This writer did not have the opportunity to visit the house but those who did were reported to have had a real "ball." The neighbors in the area were not consulted as to their opinion.

Plans are now reaching completion for our annual smoker. This affair is one of the biggest of our yearly activities and allows us to meet potential pledges and possible brothers. A large sophomore class this year should give us a fine sample from which to choose future brothers. The smoker is traditionally attended by our alumni brothers as well as our current crew. This year there will be a roast beef dinner followed by the usual "beer bust." A film will be shown at this year's affair entitled "The Creature from the Green Latrine." This feature is a melodrama starring many of our homeliest brothers. It is an original production of Omega studios whose trademark is the ringing of an ancient brass mortar with a 100 pound pestle. The affair will be held at the Tree Tavern in Paterson, N.J. and judging from past experiences it will be a great success.

Ed Muller, a Kappa Psi brother, is president of the student branch of the A.Ph.A. for this year. We congratulate him on his election to this post. We are confident that he will bring further honors to Omega chapter.

Our football team is rolling again this year; with only three games played we are 3-0. It looks like the dread Omega W/O's are heading for their usual championship role.

This Historian takes editorial license at this time to mention the names of John Buglino and Joe Scrafani. These two brothers have been wanting to see their names in print in THE MASK.

Our best wishes for a successful Fall to all Brothers in Kappa Psi. A strong Fraternity can

provide a good foundation upon which to build a better Pharmacy profession.

Fraternally yours,

CHARLES T. THIEL, JR.

BETA DELTA CHAPTER—ALBANY COLLEGE OF PHARMACY

Beta Delta extends a fraternal greeting to one and all of the brothers. The members at A.C.P. hope that everyone has a very successful year, both socially and scholastically. Now that another year is upon us, Beta Delta has already made preliminary plans for another very active year.

At our last meeting of the year, the election of officers was held. The new officers are: Regent, Bob Huber; Vice Regent, Frank Alisanski; Corresponding Secretary, Tom Techman; Recording Secretary, Pete Childs; Treasurer, Joe Decker; Chaplain, Dave Kosegarten; and Historian, Lou Fazio. Congratulations and best of luck for another successful year at Beta Delta.

At our first meeting of this year, the various committees were selected by the brothers. Social chairman Lou Fazio and the members of the social committee have already made preliminary plans for the Sweetheart Formal and other social events to be held during the year.

Many additions and revisions have been made to our pledge program for this year. The newly made plans should prove to be very effective when the pledge period arrives.

Beta Delta has formed a bowling team this year to compete in the Intramural League. The Kappa Psi basketball team is ready again to meet all contenders. Belated congratulations are in order to last year's team, which finished the season with a perfect record of eight wins and no losses. The brothers of the championship team were Dick Doyle, Bob Billington, Baird Couch, Craig Johnson, and Bill DePew.

Congratulations are also in order to the newly elected class officers. Best wishes to Regent Bob Huber, who was re-elected Senior class President; John Dougherty, Vice President of the Senior class; Keith Harris, President of the Junior class; Craig Johnson, Vice President of the Junior class; and Joe Decker, Vice President of the Sophomore class.

In the department of personal notes, the brothers of Beta Delta would like to extend their sincere congratulations to Brother Frank Lee, who recently became engaged to Miss Judy Croughamel, of Paramus, New Jersey. Best wishes and congratulations are also in order to Brother Lou Fazio, who became engaged to Miss Roberta Engel of Wethersfield, Connecticut. And lastly but by no means least, congratulations to our own Kappa Psi Sweetheart, Miss Penny Hogan, who became pinned to Brother John Keegan over Labor Day weekend.

That's about it for this issue. Best of luck in the coming year to all the brothers from the members of Beta Delta.

See you next issue. Until then, I remain,

Fraternally yours,

LOUIS J. FAZIO, *Historian*

BETA UPSILON—UNIVERSITY OF RHODE ISLAND

Hearty hello to all Kappa Psis from the Brothers at Beta Epsilon. We wish to take this opportunity to extend the warmest welcome and

congratulations to Gamma Nu at the College of the Pacific and wish you the best of luck. On the local scene we would like to welcome Brother Bob Gerraughty, formerly of Rutgers, our new assistant professor of pharmacy.

Here in Kingston Village the Brothers have resigned themselves to the fact that exams are on the agenda again—it's nearly midsemester even though it seems that registration day was only yesterday. This will not put a damper on our other activities. (We are firm advocates of the theory of the necessity of becoming "well rounded individuals.") There will be an Initiation Banquet at the Smith Manor on October 19 for the Spring pledge class; and the preceding Saturday, October 15, is Homecoming; we will be looking forward to seeing many old faces. Along with our social and extra-curricular activities we have, over the years consistently ranked among the top fraternities scholastically and give every indication of doing so again this year. This is a fact that we here at Beta Epsilon are justly proud in mentioning.

On the domestic side we also have a few notes. Brother Bill Cotter is the proud papa of a bouncing baby girl and Brother Fred Chalifoux has just purchased a diamond for his sweetheart. Congratulations boys!

Our biggest event this year will be in the spring semester when in conjunction with the Providence Graduate Chapter we will celebrate our Golden Anniversary. More details on this gala event will be published later but we are looking forward to a great time to commemorate fifty years of Kappa Psi activity in Little Rhody.

Speaking of gala events we topped off the social calendar last year with our Sweetheart Formal. The reigning queen is Norma Ponte, the lovely wife of our Vice Regent, Bob Ponte.

Attention Alumni: We solicit and would welcome any information on Freshmen who you feel would make good Kappa Psis. If we are to remain the number one Pharmacy Fraternity on campus, we must have a strong, sound membership and your help in this matter will be greatly appreciated.

Till our next publication, I remain

JOSEPH A. MOLLICA, JR., *Historian*

BETA ZETA—OREGON STATE COLLEGE

We wish to welcome back the Brothers and hope they all had an eventful summer. The school year is off and running again, with everyone getting into the swing of things once more.

Our first meeting was held October 5, 1960. The main point of discussion was the coming Province X meeting at Pullman, Washington. Other points of discussion centered around fall rush, The Apothecary Ball, and the coming 50th anniversary of Beta Zeta.

Beta Zeta was honored this summer when Brother Edward L. Caldwell, 1960 graduate, received the Kilmer Prize at the 107th annual convention of the American Pharmaceutical Association held at Washington, D.C. The Kilmer Prize was established some years ago by Dr. F. B. Kilmer, for outstanding research in Pharmacognosy. Competition for the prize is open to senior students at all colleges of pharmacy in the United States.

In regards to the coming rush periods, we hold high hopes for an increasing membership due to the fact that this fall terms enrollment in the school of pharmacy was up 21% from last year's.

In closing, Beta Zeta wishes to extend its best to the other chapters. Let's have a successful year in all respects.

Fraternally yours,
JOHN L. MCGONEGAL, *Historian*

BETA KAPPA—UNIVERSITY OF PITTSBURGH

Greetings and best wishes to all Brothers in Kappa Psi from Beta Kappa Chapter at the University of Pittsburgh. We hope everyone will fare well this year. Beta Kappa is again looking forward to a fruitful year.

Our chapter house has undergone extensive re-furnishing during the summer. New living-room and kitchen furniture have been added and a fresh coat of paint applied to all the walls. We feel we are justly proud of our "new look."

The first rushing event of the year was held Monday, October 3 at the Black Angus Restaurant. Acting Dean of the Pharmacy School, Dr. Joseph A. Bianculli and Drs. Joseph P. Buckley (faculty advisor), Joseph D. McEvilla, Mario D. Aceto, Paul J. Wurdack, William J. Kinnard and Mr. Mike Muslin joined with 26 brothers and 16 prospective pledges attending the affair. A smoker followed at the fraternity house. The date for the next rushing event was set at Thursday, October 13. We hope that in the next *Newsletter* we will be able to say that all eligibles have joined our ranks as Brothers in Kappa Psi.

Here at the University of Pittsburgh School of Pharmacy the "Five Year" plan has begun. There is no Freshman Pharmacy Class this year and there will be none next year. The first two of the five years are to be spent in the School of Liberal Arts and then the student will transfer to Pharmacy School and enter in what used to be the sophomore year of work. It will be interesting to see the results of this new program.

Until the next issue of THE MASK, I remain,
Fraternally yours,
PAUL J. GEINZER, *Historian*

BETA LAMBDA—UNIVERSITY OF TOLEDO

Greetings Brothers. Beta Lambda is happy to report that everything is proceeding along smooth so far this year.

The first meeting was held the evening of September 13, the second day of classes. There was no time wasted in getting started, which is a good thing because many things are planned for this coming school year. Brother Russ Miller, who has been working hard during the summer, presented a tentative schedule of activities for the year. We all agreed that we would follow it as closely as possible. I reported the happenings at Kelly Island for which only a few showed up.

The formal third degree was held for the pledges at the Secor Hotel on Sunday, September 24. Brother John Martin, Grand Ritualist was an honored guest at this event. After a delightful meal the ceremony was carried out and the new members were welcomed into the Fraternity. The new members include: Kyle Baker, Cyril Baumgartner, Leonard Ceci, Fred Dively, Michael Ducar, Leland Ergazos, Roy Everman, John Faber, Edward Kremser, James McCabe, Roger Neuman, Alan Nirady, Jerome Petrykowski, James Plagakis, Donald Rupnow, Carl Sigler, Dayle Smith, Clifford Thoms.

Our football team is practicing a couple times

a week and have their first game this week. They are in the independent league with seven other teams. Brothers John Kuchinski and Bill Nupp are in charge of the team.

We would like to congratulate Brother Russ Miller on becoming a member of Rho Chi.

Our first rush party was held Thursday, September 28. There were twenty-five prospective pledges that attended. The bids were then sent out Sunday to the upper classmen. The freshmen will be pledged next semester.

A reception was held for the pledges on Thursday, October 6 at the Student Union. There were 11 people who pledged. They are: John Adams, Harold Campbell, Richard Ellis, Charles Elmore, Albert Fischer, Gregory Kijek, Norman Lewis, Richard Schwartz, Ronald Sondergeld, Ronald Peters, Charles Webb. Brother Jim McCabe is the new pledge master with Brother Andy Kindle as assistant. He told them what was expected of them as pledges.

In the near future we are having a Halloween party planned by Brother Carl Sigler. This will be a date affair which all the brothers are looking forward to.

The last of this month the Juniors and Seniors are going on a trip to visit Lilly and Abbott, so a week will be taken from the schedule.

The second week in November we have planned Dean Larwood Week to honor our dean. This will be for the whole College of Pharmacy but sponsored by Beta Lambda. We have a professional meeting planned and a banquet for the week. Other things are under way but have not been worked out as yet.

Our main project this fall is raising money to buy a closed circuit telephone set for the Dispensing Lab. This is a big project and will take a lot of work by all the brothers to complete.

Brother John Miller has been appointed chairman of the dinner dance with Brothers Jerome Petrykowski and Dayle Smith as assistants. Also Brother Jerry Ingle, who was in charge last year, will give any help they might need.

The House Committee is still working but a project as big as this takes a lot of time.

Beta Lambda would like to wish every one in the other chapters good luck in the coming school year. So until next time,

Fraternally yours,
DAVID RODGERS, *Historian*

BETA XI—UNIVERSITY OF NORTH CAROLINA

Beta Xi Chapter extends greetings to all Kappa Psi Brothers. With the end of a long, hot Carolina summer, Beta Xi Brothers start another year. For some of us it is our last year at U.N.C. and we are looking forward to a successful and memorable one. If the first few weeks of our school year are an example of what is to come, 1960-61 will be pleasantly remembered by all brothers for a long time.

We at Beta Xi have just converted our front bedroom into a living room. We now have two living rooms which were so greatly needed. With the help of all brothers we finished and redecorated the room with a minimum of expense.

Our social activities for the coming year seem to be well on the way. We started the year with a party after the U.N.C.-N.C. State football game. There has been a cabin party planned for October 8 at the American Legion Lodge. The music

will be furnished by the "Hot Nuts." The following weekend we have another cabin party planned with the "Hot Nuts" again furnishing the music. After three weekends of parties we must hit the books for the next weekend before the excitement starts again.

Brother Bob Barbour is working very hard trying to get fall rush under way. It will start October 16 and last through October 21 with pledging being October 26. This rush applies only to sophomore, junior, senior, and transfer students. We will not be able to rush freshmen until next year. We are looking forward to a big addition to our pledge class on October 26.

Beta Xi is proud to announce the initiation of eight new brothers. The new brothers are as follows: William Walton Allgood, Jr., Roxboro, N.C.; William Hugh Fuller, Jr., Smithfield, N.C.; Arthur Lee Hill, Lewes, Delaware; Halbert Hill McKinnon, Jr., Lumberton, N.C.; William Earl Patterson, Greenville, S.C.; Joseph David Runkin, Lenoir, N.C.; Ronald Tucker Tripp, Ayden, N.C.; James Harold Little, Oakland, N.C. We feel that these new brothers will be a great asset to Beta Xi. They have already proven their interest and quality under the pledgemaster, who is Brother Buddy Bradsher.

Beta Xi is also proud to announce the pledging of seven pledges on the twentieth day of September. They are as follows: James Robert Taylor, Enfield, N.C.; George F. Bryan, Jr., Asheville, N.C.; Gary B. Cloninger, Harry Donald Hemphill, Marion, N.C.; Roy Patton Rabb, Marion, N.C.; Fred H. Campbell, Cleveland, N.C.; Winifrey A. Wilkins, Jr., Roxboro, N.C. These new pledges are all sophomores who came through rush smokers last year and were eligible to pledge at the beginning of this semester.

Dr. A. W. Jowdy, a Beta Xi, has returned to the faculty of the U.N.C. School of Pharmacy. Dr. Jowdy had been in retail pharmacy for the past few years, but was welcomed back to Beta Xi Chapter of Kappa Psi and also to the faculty where he will teach Pharmacy Administration.

There was much grief around Beta Xi when we learned of the death of Dr. Sigurdur Jonsson, a brother and faculty member. Dr. Jonsson was very active and interested in Beta Xi and Kappa Psi.

John Kennedy, our new intramural manager, has the football team going through its paces and we believe that Beta Xi will have the number one football team on Campus for 1960. The basketball season looks to be favorable since we have the return of last year's team plus some new material. Beta Xi hopes to be tops in total sports on the campus of U.N.C.

We, the Brothers of Beta Xi, feel that this year will go down in history as our most outstanding year. We have a top slate of officers who will lead us on to become the number one professional fraternity on campus and a high standing with the social fraternities.

In closing I extend my best wishes to all the Brothers of Kappa Psi and good luck with the quizzes.

Fraternally yours,

JESSIE PUTNAM

BETA CHI—DRAKE UNIVERSITY

Hello again to the Kappa Psi Brothers from Beta Chi. We trust that you have all gotten over the summer and are again hard at the books. We, here

at Beta Chi, are looking forward to another successful year.

Three of the brothers gave up bachelorhood during the summer. Mary Acke, daughter of Mr. and Mrs. John Acke, was married to David Romont, class of "61." Marianne Buch, daughter of Mr. and Mrs. H. H. Buch, to Allen Fann, class of "61." Ramona Peacock, daughter of Mr. and Mrs. Loren Peacock, to Don Augspurger, class of "62."

We held our fall smoker on Oct. 5th at Waveland Clubhouse. Fifty guests and Kappa Psi's were in attendance. The guests were limited to transfer students in-as-much as the new pharmacy students may not be pledged for one year. Refreshments were provided by a catering service. Entertainment consisted of cartoons and a skit put on by the pledge class.

Activation, for last semesters pledges, was held Sunday October 16, at the Holliday Inn. The new brothers are: Robert Coon, James Frey, Frank Gregorich, Lawrence Olson, Paul Twedt, and Dean Vander Wall. Larry Olson received the John Deatheridge outstanding pledge award. Congratulations to Larry for his fine job as a pledge.

Plans are well under way for our homecoming decoration. It will consist of a huge bulldog swallowing a Bradley Brave. The Indian will be on a circular track and will move continually from a tepee to the bulldog. Our theme is "Let's Down the Braves."

Brother Bob Hutchison is one of the seven members on the newly formed Men's Hall Association Judicial Board. The board has jurisdiction in cases involving misdemeanors occurring in the dormitories.

Best of luck to all of the chapters for the coming year. Until the next issue of THE MASK I remain

Fraternally yours,

JAMES M. ELLEFSON, *Historian*

BETA PSI—UNIVERSITY OF WISCONSIN

Fall greetings once again to all Kappa Psi from Beta Phi's chapter here in Madison, where the fall semester and our socio-professional activities are off with a bang! Staggering our rushing schedule with those of the social fraternities on campus brought an unusually large group of the curious, the interested, and the hungry down to the house. Out of this number, a total of sixteen saw The Light and pledged Kappa Psi. They are: Robert Wirth, Nekoosa; Gerald Peterson, Blair; Robert Palzer, Two Rivers; Lincoln Merrill, Taylor; John Langford, Menomonie; Craig Cook, Montfort; David Anderson, Appleton; Ronald Reinhard, Sussex; John Reznichak, Antigo; Paul Shannon, Port Washington; Mark Halmar and William Amell, Superior; and Robert Bauch, Stanley Lesniak, Richard Oberhofer, and John Parker, Milwaukee. This is a record size for a pledge class in recent years, and we wish them best of luck in their pledging activities.

Socially, with the team of "Wysocki & Jahn" as Social Chairmen, the brothers have nothing about which to complain. Following the football games closely, they came up with a theme for the Stanford game listening party . . . "Shut up and Drink Your Beer!" A Marquette party followed the next week, and on its heels a full-flung "Dogpatch" party for the Purdue weekend, complete with corncob pipes, country plumbing, gee-

tars, and Kickapoo Joy Juice (3.2%). Regent Robert Vlach and a dozen other brothers "took time" from their classes October 3-4 to attend the Wisconsin Pharmaceutical Association Convention held at the Schroeder Hotel in Milwaukee. It was at this convention, not incidentally, that our dean, Dr. Arthur H. Uhl, a charter member of our chapter, won the first annual "Pharmacist of the Year" award in recognition for his twenty-fifth year of service to the University and to pharmacy as a profession in Wisconsin. The traditional Kappa Psi Breakfast held during the convention was alive with excitement over the plans for purchase of a new collegiate chapter house, to take place within the next year or so. Every active collegiate member has pledged \$100.00 towards the house, and many graduate members have also pledged the same or more, but we are quite a way from our goal of \$50,000-\$60,000 which would be needed for a cash purchase. It's my guess we'll have to work it on the installment plan!

Our loss was the University of Kansas's gain when Dr. Edward E. Smismann, associate professor of pharmaceutical chemistry, took their offer of a full professorship and a department head. He also took with him a gift desk pen set, his charming wife, several graduate students and our best wishes. May we also extend rather belated congratulations to Jim Rogowski, Neil Jenny, Fred Sandman, Jay Smith and Norm Berndt, who were recently married (cf. "shot down," *Webster*). Personally, I would like to thank Brothers Bob Blice, Terry Herwig, and John Van Fleet for the hospitality extended to me when I dropped in on the Gamma Delta chapter at Ohio Northern this summer.

We here at Beta Psi wish you all best of luck in the coming school year, and can do not much more than remain

Fraternally yours,
ROBERT BUERKI, *Historian*

BETA PI—WASHINGTON STATE UNIVERSITY

Greetings from Beta Pi Chapter. Another year has begun and we expect it will be the greatest in the history of Kappa Psi.

The brothers here at Beta Pi are proud to announce the purchase of blazers with the Kappa Psi crest. This, we feel is the proper approach for an identification symbol for a professional fraternity such as ours.

The month of September saw the pledging of thirteen aspiring new members. We hope you've had comparable success at your chapter.

On October 15, which by now has passed, Washington State University presents its annual Activities Roundup, a function in which each school and college within the University is invited to participate, by presenting a display. Last year the School of Pharmacy managed to walk off with second place honors and feels confident of taking first place this year.

We are also looking forward to serve as host for the Province X assembly October 14-15. Attending will be brothers from Beta Gamma, Beta Zeta, Beta Omicron, Gamma Eta, Gamma Nu, and a delegate from the graduate chapters of Seattle, Portland, and San Francisco.

Until the next issue of THE MASK,
Fraternally yours,
GARY COSTNER, *Historian*

BETA SIGMA—NORTH DAKOTA STATE COLLEGE

Greetings from Beta Sigma to all brothers of Kappa Psi. We're all back in school now looking forward to another prosperous year and hoping the same for all brothers every where.

Homecoming is almost here and we're already working on a float with which we hope to capture nothing less than first place. Brother Dick Lund is in charge of the entire operation and of course all of the brothers are giving him their utmost support.

Beta Sigma has again chosen a new sweetheart for the forth-coming year to replace our former sweetheart Jan Melby. She is Elaine Ells, a dark eyed, dark haired sophomore, who is a member of Kappa Kappa Gamma sorority. In our estimation, she is a real "sweetheart."

New brothers to join our ranks this fall are: Don Dosser, Denny Stiener, Bob Hobert, Ray Dubois, Mike O'Toole, Dave Olson and Ed Mansfield.

We are also quite proud of the seventeen new pledges who chose Kappa Psi as the fraternity of their choice. They are: Ken Michalsky, Art Nelson, Ron Wittel, Galen Sellers, Duane Schoepbach, Jeff Collhour, Duane Loberg, Dick Switzer, Gary Mutschelknaus, Bob Kellog, Delroy Shane, Harem Hendrickson, Gary Lauf, Gerald Raymond, Ronald Lee, David Anderson, and Phil Wattles. Congratulations to these fellows for their wise choice.

The brothers were quite ambitious during the summer, and made several improvements to our house. These include a new fence for the front yard, our parking lot filled and graveled, a new case to hold our many newly acquired trophies, and in general a big house cleaning was carried out. It kept most of the brothers busy and out of trouble, so we feel it was worth while.

Again, here's hoping for a big year for all Kappa Psi's every where.

Fraternally yours,
JOHN GAHLEY, *Historian*

BETA UPSILON—BUTLER UNIVERSITY

Greetings from Beta Upsilon. The new year has started and already the bookwork has piled up. The chapter had seventeen men return and with the new pledges that we hope to get in the near future, prospects are shaping up for a good year. The rush smoker was held on October 6, 1960, at the Holcomb Garden House. Those in attendance played card games, filled up on fine food and listened to a few short speeches by Dr. Martin, our faculty adviser, and several officers of the chapter. We will let you know the results of our efforts in the next newsletter.

During the summer Ted Roche, Regent, along with Dick Rawson, Vice Regent, and Ike Eichorst, Secretary, did a lot of work and planning for this year. Dr. Martin, as usual, gave plenty of aid and advice. Many innovations plus rejuvenation of old programs are planned.

We saw or heard from some of the alumni throughout the summer. However we would like to hear from all Kappa Psi's in the vicinity. There are plans for another big party in the spring for the chapter and all Kappa Psi alumni. The party last March had a splendid turn-out and everyone had a fine time. So plan to be there! There will be more news about this party at a later date.

The chapter has decided to put out a newsletter

to all the alumni about four times a year and therefore we want all Kappa Psi's in the area to let us know of your presence. Drop us a line with your name and address so we can contact you about the party plus sending you the newsletter.

The chapter under the leadership of Dick Simmons will aid in the construction of the queen's float for the Butler Homecoming parade. The parade will be held on October 14, 1960 in downtown Indianapolis and most of the boys will have a few late hours getting everything ready.

Until the next newsletter, I remain

Fraternally yours,

CHARLES M. RHODES, *Historian*

BETA OMEGA—TEMPLE UNIVERSITY

Greetings and best wishes to all the Brothers in Kappa Psi from Beta Omega Chapter at Temple University. Here at Beta Omega, we look forward to another very profitable year, both scholastically and fraternally. We hope that all our brothers had a most pleasant summer vacation and also that the present school term is not giving you too many problems.

Our first social function of the year was a stag party held at the house on September 14. Since this was the first week of school, the party provided the brothers with the opportunity to get acquainted once again after the summer vacation. A large number of the brothers attended and had a real good time. Head of our social committee for this year is junior Mike Maliniak. Mike promises many more big nights for the Beta Omega Brothers during the course of the year.

The next big event on our calendar is the annual Father and Son Dinner, which we also call the Tri-F Dinner. We call it the Tri-F Dinner, because it brings together three very important groups; our fathers, the faculty of the school, and the fraternity. Next to our spring formal, this ranks as the outstanding social event of the year. The dinner this year is being held at the Alden Park Manor. A highlight of the evening is the presentation of scholarship awards to those brothers who have obtained outstanding scholastic grades. We will publish a list of the brothers receiving awards in the next issue of THE MASK. When you see the length of that list, you will know why Beta Omega is very proud of its scholastic record.

Beta Omega started its athletic program on October 9 with a football game. The chapter will also organize basketball, softball and bowling teams. Brothers Ralph Bryan and Anthony Del Piano are the coaches of the football team. The progress of the athletic teams will be reported in following issues of THE MASK.

With the graduation of Brother Larry Dilks in June, Beta Omega had to find a new house master. This job is now being handled very capably by senior Jerry Gentilotti. For Jerry, this is his third year living at the house so he is well qualified for the job. Other brothers living at the house this year are; Tom Roman, Lou Gatto, Bob Kramer, Anthony Del Piano, Ralph Bryan, Albin Milewski, and graduate student Ralph Mancini.

Before closing we want to announce the recent marriage of our Regent John Deppen. We extend congratulations and best wishes for happiness in the future to John and his wife Rosie.

Fraternally yours,

RICHARD M. WAGNER, *Historian*

GAMMA DELTA—OHIO NORTHERN UNIVERSITY

Kappa Psi had the highest accumulative point average among the fraternity and independent men on the campus for the Spring Quarter of 1960. Gamma Delta's average was a 2.538.

On October 1st Gamma Delta Chapter welcomed fifteen new members into our great Brotherhood. They are as follows: Brother Fred Burton, Bellefontaine, Ohio; Brother Earl DeWerth, Cleveland, Ohio; Brother Wilson Gruber, Struthers, Ohio; Brother James McLaughlin, Wheelersburgh, Ohio; Brother Thomas Mechling, St. Marys, Ohio; Brother Kenneth Michaelis, Newark, Ohio; Brother David Quillen, Springfield Ohio; Brother R. Hunter Russell, Troy, Ohio; Brother Ronald Rust, Springfield, Ohio; Brother David Schmid, Zanesville, Ohio; Brother Gerald Stringfellow, Orrville, Ohio; Brother Raymond Struzynski, Cleveland, Ohio; Brother James Thul'en, Poland, Ohio; Brother James Turner, Newark, Ohio; and Brother Ward Woolley, Zanesville, Ohio. These fine young men are certainly a welcomed addition to our Fraternity.

Brother Leroy Weaver was recently elected Treasurer of the Inter-Fraternity Council. With Brother Hissam as President of the Council, Kappa Psi now holds two out of the four offices in the I.F.C.

During Freshman Week the Brothers and Pledges returned to school early to help paint the inside of the chapter house. Our long awaited new furniture has finally arrived and is indeed a wonderful addition to the house. At the present we have plans to have our living room repapered and new living and dining room drapes are also in the making.

On September the 4th Brother James Tallman and Miss Dawn Darlington were united in holy matrimony before the altar of the Methodist Church in Ada, Ohio.

The Ohio State Board of Pharmacy proved to be no trouble for Brother James Tallman, from Delaware, Ohio, Brother Kenneth Woods, from East Palestine, Ohio, and Brother Larry Heller from New Philadelphia, Ohio. The West Virginia State Board of Pharmacy was passed successfully by Brother James Deem from Parkersburg, West Virginia.

Brother Charles Justice from Weirton, West Virginia recently became engaged to Miss Georgia Allen from Ada, Ohio. Georgia is a member of the Zeta Tau Alpha Sorority. Brother Richard Woertz from Tallmadge, Ohio became engaged to Miss Linda Ristity from Kent, Ohio. Brother James Dever became pinned to Miss Virginia Hackworth from Ada, Ohio and a member of the Zeta Tau Alpha Sorority.

On October 16th, 17th, and 18th our seniors made a trip to Chicago as the guests of the Abbott Pharmaceutical Company. On November 6th, 7th and 8th our juniors journeyed to Kalamazoo, Michigan to be the guests of the Upjohn Pharmaceutical Company.

Fraternally yours,

HENRY N. HINER, *Librarian-Historian*

GAMMA ETA—MONTANA STATE UNIVERSITY

With the beginning of fall quarter, Gamma Eta sends best wishes for the year to all Brothers in Kappa Psi.

Belated congratulations go to one of our 1960 graduates, Brother Gary Wold, on his outstanding achievements. He has been awarded the Kappa Psi Scholarship Key and Certificate for having had the highest marks of his entire class. Gary is now in Boston, Massachusetts, working in the U. S. Public Health Service Hospital.

M.S.U. has just completed celebrating its annual homecoming. Kappa Psi, after last year's success, again held a coffee hour in the Student Union Building, giving the students and alumni a better chance to become acquainted. The Pharmacy School Float won second place in the Homecoming parade. All in all, homecoming was a big success.

The Province X meeting is being held in Pullman, Washington this month. Several members from Gamma Eta are planning to attend including our Regent, Garry French; Vice Regent, Michael Cousins; Treasurer, John Gardner; and our Grand Council Deputy, Dr. Frank Pettinato. Brother Gardner is going to give a ten minute talk on Pharmacy Scholarship.

May all Brothers in Kappa Psi have a successful fall term.

Fraternally,
WILLIAM A. ANDERSON, *Historian*

GAMMA THETA—UNIVERSITY OF KANSAS CITY

During the summer many activities took place for the members of the Gamma Theta Chapter. Ray Kennett represented the University of Kansas City at the annual American Pharmaceutical Association convention in Washington, D.C. While there he was able to meet many member of Kappa Psi and also was able to meet and talk with Dr. Frank H. Eby.

Blazers were purchased during the summer and will be worn at our various functions to be held this year.

Ray Kennett made and presented to the Pharmacy School a mosaic plaque with the shield of Kappa Psi upon it. It is now located on the second floor of the Pharmacy Building and is directly in front of the stairs on the wall as one ascends to the second floor.

To assist in orientation members of Kappa Psi mailed letters to new students welcoming them to the University and to the Pharmacy School. Other activities we assisted in were the serving of cokes to the new students during the dean's hour and the planning and operating of the A.Ph.A. booth. Regent Dick Gardner, Bill Bolerjack, Errol Garber, Ed Ingram, Charles Hammontree, Ray Kennett, and Ira Slough took part in this booth which tied for first place at Activities in Action. Aspirin tablets were made and distributed to the students visiting the booth.

Past-Regent Tom Todd, a June graduate, was married during the latter part of August and the married couple are now making their home in Kansas City. Also married during August was Tony Spalitto. Tony after his wedding spent his honeymoon in Las Vegas and in California.

The School of Pharmacy will celebrate its 75th anniversary on Thursday, October 27. The all-day event will be held at the Hotel Muehlebach and the featured guests will be Dr. Will'am Apple and Dr. George Webster. Kappa Psi will assist in the event by serving as errand boys and by giving a luncheon for the alumni members.

A smoker was given recently to inform the freshmen and the transfer students about Kappa

Psi. Rush chairman Bill Bolerjack introduced the speakers and also Past Regent Tom Todd, Regent Dick Gardner, and Grand Council Deputy Dr. Paul Scott. Tom spoke on Kappa Psi in the past, Dick told of the future plans for Kappa Psi, and Dr. Scott spoke on Kappa Psi as a national professional fraternity and mentioned a few of the outstanding men in pharmacy that are members of Kappa Psi. Following the speeches refreshments were served by student nurses from St. Lukes Hospital.

Fraternally yours,
TOM GARRISON, *Historian*

GAMMA IOTA—UNIVERSITY OF BUFFALO

One of the most promising years in Gamma Iota's history has started in full swing here on the University of Buffalo campus. After spending thirty-eight memorable years in the old ivy-covered

AT ONE OF GAMMA IOTA'S SUMMER
GET-TOGETHERS

1325

Foster Hall, the School of Pharmacy began the fall semester in a new \$2,500,000 Health Science Building. Our professional activities have been greatly enhanced through a closer union with the University's medical, dental, and nursing schools. This means that the Chapter will have an even greater opportunity to work with others who share the mutual responsibility for the welfare of the patient.

In the light of this, a series of professional lectures and movies is destined to take on new dimensions under the chairmanship of Brother Frank Stuber. In the past such direct contributions have proved quite fruitful in establishing better relationships with the public.

Throughout the past summer Gamma Iota carried out a diversified social calendar consisting of various types of get-togethers which included stags and date parties. Next summer, the Fraternity will undertake a similar version of the successful program, to be aimed at bringing about stronger ties between the Active and Graduate Chapters.

On the University's Moving-Up Day, May 14,

1960, we raffled off a Ford Falcon. The very profitable money-making scheme was directed by Brother Ken Gebber. Many thanks to all the Brothers of our contributing Chapters. Gamma Iota closed last semester's social calendar with the annual Spring Dinner Dance. This big event took place on June 11th at the beautiful Lancaster Country Club and was attended by both collegiate and graduate members.

Installation of new officers included: Maurice Van Sice, Auggie D'Allesandro, Joseph Miletta, Dave Jachlewski, Tom Blanchard, Sal Balone, Brian Schorb, and Dick Blackley.

Highlighting the season's activities was a Welcome Picnic held for the pharmacy freshmen at our Point Breeze cottage. Also, the first stimulating beer stag took place at the exclusive Letter Box restaurant and was open to all rushees. The Fraternity is planning an activity loaded Homecoming Weekend, October 29th, of the U.B.-Colgate Game. The following activities will take place at the Fraternity Apartment, 499B Allenhurst: Friday a stag party, Saturday a pregame party, and that evening a Cocktail party before the Homecoming Dance. Sunday we plan to catch a few Z's.

An intense membership drive is now underway in the Student Branch of the A. Ph. A. here at UB. It was a welcome sight to see such a large impressive turnout of Kappa Psi graduates at the notable first meeting. The strength of the Chapter was also evident by the following offices held by Kappa Psi's in the organization: Auggie D'Allesandro—President, Ken Gerber—Vice President, and Joe Miletta—Secy.-Treas.

The Brothers would like to extend their sincere congratulations to Brother Joe Voelkl, who recently married Miss Carolyn Anne Saviola of Cheektowaga, New York. Congratulations to Brother Joe Dee who was married to Miss Molley Eimer of Buffalo. Best wishes for success and happiness to both couples.

Cordially and Fraternally yours,
BRAIN L. SCHORB, *Historian*

GAMMA KAPPA—SOUTH DAKOTA STATE COLLEGE

Fall greetings to all Kappa Psi Brothers from Gamma Kappa Chapter. We hope everyone had a profitable and eventful summer.

"Hobo Day" activities here at State have just been completed. The rush of events and activities the last three weeks were concluded this weekend. The big parade and game being October 8. It was nice to see many of our graduate Brothers come back for "Hobo Day". The after-game alumni party with lunch and refreshments was a complete success and I am sure will become an annual affair. We are always interested in what the graduate members are doing and this newsletter is written largely for your benefit. Please keep us informed of what you and our other brothers are doing.

Our Fraternity added immensely to the spirit of "Hobo Week" by the forming of a small band under the direction of Brother Ken Urquhart, who is doing graduate work this fall.

Once again, the Division of Pharmacy was awarded "Most Beautiful" and "Most Outstanding" in the annual "Hobo Day" parade for their float entry. This year's float was entitled "Prelude to Wonderland". The float was approximately

forty-five feet long and featured two white pheasants pulling a colorful sleigh.

Congratulations go to Tom Maples, Richard Miller, and Orn's Welch, three of our new pledges for the tremendous job they did as co-chairmen of the Pharmacy float.

Our pledge class for this year is already formed and is being supervised by Vice Regent Jim Boehm. They are as follows: William Billman, Bvrl Blackmer, John Dalke, Gary Duerr, Alfred Gill, Dennis Groteboer, Mel Henrichsen Jr., Robert Lester, Roger Maertens, Tom Maples, Richard Miller, Warren Verdeck, Ornis Welch, and Robert Wik.

Brother Dennis Hoogland is back with us doing graduate work after graduating last spring.

Congratulations to Brother Jim Boehm and Cy Frick for their recent marriage, and to Brother Al Engebretson and Regent Larry Torguson on the loss of their pins during the big "Hobo Day" weekend.

Gamma Kappa extends best wishes for a successful year. Until next issue, I remain

Fraternally yours,

TYRONE STEEN, *Historian*

GAMMA LAMBDA—NEW ENGLAND COLLEGE OF PHARMACY

With the school months here once again, the Brothers of Gamma Lambda hope that our brothers all over the country have had a pleasurable summer and that they have recovered sufficiently from last year's ordeal to face another year. Therefore, we wish all our brothers in the individual chapters a successful and an enjoyable school year.

Gamma Lambda men are now experiencing a revolutionary new idea which the college is backing; that is a trimester program whereby a student can now complete five years of Pharmacy in three and one-third years. The idea seems to have struck home to many potential pharmacy students, because applicants for entrance into the pre-pharmacy or so-called pre-freshman class, have surpassed that of many ordinary semester enrollment. This plan, however, cuts short some of our regularly scheduled vacations and for everyone, excepting this year's seniors, will have summer classes to look forward to. Good luck to those who have to compound hand-made suppositories during Boston's July and August heat spells.

Last year's classes ended with a farewell to our founder and Grand Council Deputy, Doctor Robert Crisafi, who with his wonderful wife had sparked good humor and had brought gaiety to our dances and mixed parties. This year, Gamma Lambda once again has the good fortune of having a Grand Council Deputy much like our former. He is Dr. Kenneth Ballard who was a Kappa Psi brother at the University of California, School of Pharmacy, and who after much experience in Pharmacy, has come to us from the University of Buffalo. To you, "Doc" may we extend the welcome mat and hope that your relationship with the Gamma Lambda boys will be the highlight of your stay at N.E.C.P.

After two years, our former Regent, Don Schmidt finally persuaded "Lin" Olson that they couldn't live without one another and therefore, were finally united at a quiet ceremony just prior to the opening of school. "Lots of Luck" Don and Lin.

Our chapter has jumped right in the swing of

things this year and we are all busy preparing for our Fall dance which is to come off the first part of November. We know that this dance will be the highlight of the school events, as was last year's dance.

May I once again wish everyone a fruitful and successful year. Until the next time—

"Aufwiedersehen"

Fraternally yours,

GERHARD FLIEGE, *Historian*

GAMMA MU—NORTHEAST LOUISIANA STATE COLLEGE

Summer vacation proved to be a very busy and exciting time. The majority of our Brothers obtained jobs for the summer months and proceeded to gain experience in their chosen field.

Congratulations are in order for the following Brothers: Carl Napoli, who was married in July; Charles Pollard, who became the father of a bouncing baby boy; and Ardis Phillips, who received the Scholastic Award by obtaining a total A average during his junior year.

Now that summer vacation is over and another school year has begun, we are all looking forward to a very successful scholastic year. We would like to welcome the following new initiates into our Fraternity: Gene Briscotto, Ronnie Donaldson, Julius Fontanno, Harold Kilpatrick, and Donald Boullion. These Brothers were initiated on September 29, 1960.

Some of the major plans for the coming year include setting up displays and information booths for National Pharmacy Week and National Heart and Cancer Months. The building of a float for Homecoming is another project which the chapter will work on. Other plans for activities and programs are being formulated, but the details are incomplete at this time.

Fraternally yours,

FRANK SALARIO, *Historian*

P.S. Merry Christmas and a Happy New Year to you, our Brothers.

GAMMA NU—COLLEGE OF THE PACIFIC

We, of Gamma Nu chapter at College of Pacific wish to express our sincere thanks to all our new brothers for their wonderful letters and telegrams. I wish that I had time to thank each one of you separately. We had a most interesting and enjoyable initiation at our Chapel located on campus.

We would also like to thank Dr. Glen Sperandio who flew in from Indiana, and the officers from Beta Gamma in San Francisco, who came down to Stockton to carry out the initiation.

As of now we have 31 members and are planning to have a large pledge class in February.

The officers of Gamma Nu Chapter are: Regent, Robert Jackson; Vice Regent, Ralph Mounts; Corresponding Secretary, Ronald Clement; Recording Secretary, Richard Marshall; Treasurer, Walter Allsman; Chaplain, Bradley Freggar; Historian, Irving Danis; Sergeant-at-Arms, Henry Prado.

One of our new brothers, Michael Horasanian, who graduated last Spring was the outstanding senior in the School of Pharmacy. We would like to congratulate him for his good work.

We would again like to say thanks to our new brothers of Kappa Psi Pharmaceutical Fraternity.

Fraternally Yours,

RONALD CLEMENT, *Corresponding Secretary*

GAMMA PI—ST. LOUIS COLLEGE OF PHARMACY AND ALLIED SCIENCES

A hearty fraternal hello to all Brothers in Kappa Psi from Gamma Pi.

Many interesting happenings were enjoyed by those of us who resided here at the chapter house this summer. We were most happy to be host to one Alain Drouadaine, a Frenchman who makes his home in Paris. He was employed by our college and lived here at the house. His presence proved to be very rewarding for us.

More arguments for togetherness were brought forward recently by a few of our Brothers. The wives of Brothers Pat Thorpe and Larry Kimble each gave birth to little newcomers. Four more Brothers have taken the great step into matrimony. These Brothers being Steve Waltz, Harry George, Stan Jurgens, and Tom Kalkbrenner. Sincere congratulations to these Brothers and their wives.

What is this I hear about one of our Brothers thinking of putting a cowcatcher on his automobile? Rumor has it that Brother Krzystofczyk and a self-respecting cow had a little disagreement recently. Both parties are said to have lost heavily; Bob, his fender and grille, and the cow, her life.

Gamma Pi held an open house for the new freshmen and transfer students which was a rousing success. A few days later our Fall Smoker took place in the basement of the Chapter House. We were honored by the presence of Grand Regent James R. Thayer and Grand Council Deputy Gerald C. Henney. Each gave a short and interesting talk on the virtues of fraternities.

Now in signing off we of Gamma Pi wish all of our Brothers a rewarding and successful school year.

Fraternally yours,

PHILIP A. BANGERT, *Historian*

GAMMA SIGMA—UNIVERSITY OF FLORIDA

Our chapter was proud to award its second annual outstanding pharmacist award to Donald S. Evans of Orlando, Florida. Mr. Evans who has been outstanding in advancing our profession is very active in Central Florida both in retail pharmacy and in conferences for the promotion of Pharmacy as a career.

Along with Mr. Evans receiving awards at our Senior banquet last May were the following Kappa Psi brothers: Joe Ault—Pharmaceutical Specialties; Ed Guiteras—Pharmaceutical Chemistry; and Mike Krouskas Atwood Leadership Award.

Our new officers for the 1960 Fall semester are: J. Myrle Henry—Regent, Tom Daniels—Vice Regent, Tom Crawford—Treasurer, Ed Beck—Secretary, John Trotter—Chaplain, and Glenn Morin—Historian.

On September 22, our chapter had a Fall Smoker at which we met prospective members and extended invitations for membership. Coach Sloan, new Head Basketball Coach here at U. of F., was the guest speaker and discussed the prospects for our team this year. Six new pledges were chosen at the Fall Smoker and are presently going through the informal initiation period. Informal initiation is to be completed on October 15 and a banquet and formal initiation will be held later in October for the new and old members and their dates and guests.

Our chapter has high hopes of entering a car in the homecoming parade, and a contestant in the Mrs. University of Florida contest to help publicize Kappa Psi pharmacy.

**GAMMA SIGMA'S OUTSTANDING
PHARMACIST AWARD
RECIPIENT** 1326

Donald S. Evans of Orlando, Florida holds plaque designating him the outstanding pharmacist of 1960. This was the second annual award originated by the chapter. From left are Chaplain Henry, Regent Ashbaugh, Treasurer Magee, Evans, Secretary Allred and Vice Regent Cathy.

Gamma Sigma Chapter would like to extend all the brothers of Kappa Psi a successful and eventful year.

Fraternally yours,
GLENN MORIN, *Historian*

**GAMMA TAU—GEORGE WASHINGTON
UNIVERSITY**

As Dr. Schwartz of pharmaceutical organic so aptly put it, "Welcome home."

On July 31 the graduate chapter sponsored a picnic in Rock Creek Park. The weather was beautiful and good attendance made for a delightful afternoon.

The American Pharmaceutical Association held its convention at the Shoreham Hotel in Washington, D.C. in August. Gamma Tau Chapter had the pleasure of attending the Kappa Psi Breakfast. Brother Art Herrmann, president of the student branch of A.Ph.A. at George Washington University, spent a great deal of time at the convention. Art asked me to commend the Gamma Tau Brothers for their fine support at the convention and to urge all brothers to attend the A.Ph.A. convention whenever possible. It is an excellent opportunity for our student and graduate members to become acquainted with the national activities of the A.Ph.A.

Gamma Tau Chapter is holding its first rush party October 15 at Brother Ken Dwyer's home in Virginia. We expect six new pledges to attend.

The Brothers held their first chapter meeting September 26. We are eager to meet the challenges of the new year. May we wish all our Kappa Psi Brothers well in their work 'th's year.

Congratulations to Brother Haynes McDaniels, our Regent, on his engagement to Miss Ann Olive. They plan to be married December 23 and honeymoon in Florida. I would also like to announce

the birth of my daughter, Lorraine Marie, on July 7.

Fraternally,
RYLAND D. PACKETT, *Historian*

**GAMMA UPSILON—UNIVERSITY OF
ARIZONA**

He for the first '60-'61 semester from the Kappa Psi's of the University of Arizona.

Following Gamma Upsilon's summer inactivity we are again flexing our organizational muscles.

For National Pharmacy Week several Kappa Psi's assisted in putting up a Poison Control display downtown at Howard and Stofft. Those taking part included Regent Bill Wheeler, Glenn Orr, Greg Sinclair, Dennis Gallagher, Dick Guzman, Jerry Obermayr, and Frank White.

Rush week is from September 30th thru October 10th. An informal steak fry for rushees was held at Hank Winship's house this past Saturday. From there all went to Varsity Stadium and enjoyed the Arizona Wildcats thrilling upset 21-19 win over Wyoming. Next Sunday an afternoon swimming party for rushees is planned for the El Conquistador Hotel.

Sergeant Bill Dunn of the Tucson Police Department will kick off the semester's evening speaker series by completing a two part discussion on Narcotic Controls. The speech will be a continuation of his talk at the day's earlier monthly A.Ph.A. Luncheon. To add to his informative evening talk Sergeant Dunn plans to have at least one addict present to answer questions from the audience.

Hank Winship, ex-regent, attended the National A.Ph.A. Convention in Washington, D.C. last August. Kappa Psi's Pharmacy Dean Will's R. Brewer and State Board Member Rodney Partin also were there.

We are pleased to note that Kappa Psi faculty member Dr. Joseph Zapatocky, Chairman of District Eight American Colleges of Pharmacy, will conduct the annual meetings at Las Vegas, Nevada, November 6-8.

Fraternally yours,
NORT GOLDBERG, *Historian*

GAMMA PHI—UNIVERSITY OF GEORGIA

Gamma Phi welcomes all of its Brothers back for another school year, and we hope that everyone has had a very happy and prosperous summer. It is my understanding that several of our Brothers gained valuable experience this summer by working in drug stores in their respective hometowns.

Our first meeting was called by Regent Edward Brewton on September 27, 1960. Since classes had just begun the day before, our first meeting was an early beginning of what we hope to be a very successful year. The meeting consisted mostly of appointing committees to look into the various festivities on the school calendar and begin planning our activities for the year.

The first football game to be played in Athens this year was played on Saturday, October 1. We at Gamma Phi, in conjunction with Phi Delta Chi and Lambda Kappa Sigma, choose this weekend to get our social activities under way by having a "Get Acquainted Party". The purpose of the party was to give the students a chance to see old friends and make new ones. The party was given at our house on the Friday night before the football

game, and we estimate that we must have had an attendance of from one hundred to one hundred and fifty guests, including Brothers. The following night, after the game, was reserved for an informal get-together of the Brothers and their dates.

As I mentioned in the last Newsletter, Gamma Phi plans to sell white lab jackets to the junior and senior students. This project actually began during the last summer session and will be continued during this school year. We feel that the sale of these jackets is a worthwhile project and can be carried out so as to be in the best interest of all.

There has been some undecisiveness among the Brothers as to whether or not we should continue the project of showing educational movies of general interest to the student body. This project was begun last year and did not seem to be very successful. It was suggested that possibly the time of day and the day of the week that the movies were shown was not convenient enough for most students. One of the Brothers was appointed to look into the situation more thoroughly and help to determine the future existence of this project.

We are particularly pleased to acknowledge that the University is making arrangements to remodel our house. Although the exact extent of remodeling is not yet known, we do know that we are to have new floors, ceilings, lighting fixtures, and a paint job. The work is due to begin within a month or so, and we hope to make many changes. I am sure that this news comes as a welcomed surprise to all of Gamma Phi's Alumni.

Speaking of our alumni, Gamma Phi always looks forward to the opportunity of helping to keep its alumni informed of the latest news through these Newsletter publications. However, we are just as interested in hearing from you as you are in hearing from us. We realize that now you are out of school, working, and many of you have families and are very busy, but we would appreciate it if you would drop us a line or two from time to time. Please include any information about yourself or other graduate members that you think we would be interested in. This will help us to keep in better contact through the years, and it will hold strong our Brotherhood of Kappa Psi.

And now, Gamma Phi extends its best wishes for success and happiness to all during the new school year.

Fraternally yours,
DONALD C. DAVIS, *Historian*

GAMMA CHI—FERRIS INSTITUTE

Greetings from the brothers at Ferris Institute chapter of Gamma Chi.

Once again fall has arrived and with it comes the beginning of a new school year. For some of us it will be our last year in pharmacy school and then out in the big cruel world, but for most of us it means just another year of hard study and another step forward in achieving our goal, "an education."

This year's school activity has started off with a big bang. Homecoming this year is being held on October 22. This means building a float and rebuilding our push cart. Under the direction of Tom Clutts, our social chairman, we are building a float to the theme of "Say It with Music." Our queen candidate is Miss Janie Raymond an eighteen year old girl from Saginaw, Michigan. Will let you know how we make out in the next letter. The push cart race will be held before the

float parade. After the afternoon football game, and in all the confusion which is created on campus that day, we will be adding to it by holding an open house for all our alumni who come up to Ferris for homecoming.

Our sports program has started by entering a team in the intermural football league. Our manager John Lajiness has picked his starting six, they are: Larry Kerstein, Ed Wismer, Bill Mueller, Frank Cereska, Doug Richie and Jim Volk. John claims that this is a big improvement over last year's team. Sure hope so because we only won two games. Can't do much worse or can we?

Our open smoker was held last Monday night. It was one of the most successful smokers we ever held. Coffee, cake and cigarettes were served to some thirty prospective pledges.

Ronald Porter and Doug Richie were married over summer vacation. Robert Myscofski became a father for the second time on September 26 to a 7 lb. 12 oz. baby girl "Denise."

Well, men, study hard and have a very successful year both socially and scholastically.

Fraternally yours,
JAMES J. VOLK, *Historian*

MU OMICRON PI—WAYNE STATE UNIVERSITY

Greetings from the brothers of Mu Omicron Pi Chapter, as we begin the fall semester at Wayne State University. After an enjoyable summer its back to the books again although many brothers attended summer school.

With the start of the fall semester the new five-year program is installed at W.S.C. There has been no addition of pharmacy credits, only a change in liberal arts classes and the opportunity for the election of more humanities subjects thus producing the well-rounded pharmacist.

The summer did not keep activities of Kappa Psi at a minimum. The formal dinner was held in June at the Elmwood Casino, Windsor, Canada; with new members Frank Facione, E. J. Kamon, Arthur Lambke, Gerald Wagel, Leonard Sulisz, and Khamis Ziadeh joining the ranks of Kappa Psi. Also at the dinner, the graduating members Raymond Gibson, past-president; Louis Moakley; William O'Rourke; Albert Rizzo; and Gene Skrzypek were honored. A good time was had by all.

Also during the summer there was inspiring attendance at the Kappa Psi Picnic held at Camp Dearborn. Brothers, their wives and dates enjoyed the outing by participating in swimming and baseball. They also enjoyed the food cooked by the girls. Plans have already been made to make this picnic an annual event.

The summer semester also found the return of Leroy Lowe, a past member of the collegiate chapter. Leroy was drafted by the Army where he served an informative year and a half in Houston, Texas as an Army Pharmacist. Welcome back Lee.

Return to school brought into effect the new terms of officers of Mu Omicron Pi Chapter. They are: Charles Borg, Reagent; Regis Welch, Vice Regent; Douglas Acord, Treasurer and Social Chairman; Nicholas Pazzi, Secretary; Edward Randinitis, Historian; Leonard Sulisz, Pledge-master; Donald Carlson Sergeant-at-Arms.

Kappa Psi was well represented at the annual College of Pharmacy Picnic held at Belle Isle on October 11. The featured event was football and food with most members participating actively.

On October 12-15 the Eli Lilly Company spon-

sored a trip and tour of their plant in Indianapolis, Indiana. A total of eight members attended a most informative trip. Combining fun with education the members wish to thank the College of Pharmacy and the Eli Lilly Company for their fine arrangements and interesting tours.

Congratulations are in order for the marriage of one of our brothers the past summer. Brother Don Carlson and the sister of Brother Nick Pazzi were married last May. Also brother Doug Richie of Gamma Chi Chapter was married to Mary Ann Benham in August. Doug pledged Kappa Psi at Wayne State U. and transferred to our sister college at Ferris Institute. Good luck to both couples is wished by their brothers at Mu Omicron Pi.

These best wishes are also for those graduating seniors and the members for the coming semester of school work. And so until you stop by our new house (1120 W. Forest, Detroit) or until the next issue of THE MASK, I remain

Fraternally yours,
EDWARD RANDINITIS, *Historian*

BUFFALO GRADUATE CHAPTER

Hats off to the fraternity for a banner year! On Saturday June 11, 1960, the graduate and undergraduate chapters held its semiformal spring dinner dance at the Lancaster Country Club.

At 7 P.M. the brothers with their wives or dates began arriving for the cocktail party which preceded the dinner. Old acquaintances were reunited and everyone was welcomed in the brotherly spirit that always prevails at our occasions. The dance culminated a very successful year both for the graduate and undergraduate chapters.

The girls received sweetheart Kappa Psi bracelets and carnation corsages for the evening. The brothers received their customary carnation boutonnieres. After our cocktail party, we went to the dining room and began our full course dinner which consisted of filet mignon with all the trimmings. To say the dinner was superb would be an understatement. Brother Don Arthur of the graduate chapter was our genial toastmaster of the evening and credit should be given him for the aid he gave the undergraduates in helping them make the arrangements and contacts for the dance. Brother Dick Lamparelli of the undergraduate chapter presided as Regent at the official table, and we must commend him for his diligence and drive as chairman of the raffle committee, which for the second time in history our chapter successfully raffled a car. The proceeds of the raffle of the Ford Falcon enabled our fraternity to help set up a financial buffer so that they could operate efficiently until the pre-pharmacy students could get into pharmacy school and be pledged.

Undergraduate officers presented talks concerning the pharmacy profession and the benefits derived from our fraternity relationships both as graduates and undergraduates.

The graduate chapter conducted its election by ballots for the new officers of 1960. Graduate Regent Bob Davis introduced the newly elected officers with various biographical sketches concerning each candidate, and applause burst out as each new officer was introduced. Newly elected officers of the graduate chapter were Regent Don Arthur; Vice Regent Norman H. Barber; Treasurer William Kent; Secretary Jan Madejski; Chaplain William Bender; and Historian Jacob J. Carotta. The undergraduates presented awards to brothers

for outstanding achievements accomplished throughout the year.

After the dinner we all proceeded to dance to the music of Benson Sunshine and his orchestra. Dr. Ballard and his wife represented the faculty of the University of Buffalo School of pharmacy.

We now look forward to another banner year with plans for many social activities rotating around our special events such as the Kappa Psi Breakfast, Spring Clinic and our elaborate spring formal dance. Yours truly has plans for a graduate newsletter which we wish to distribute among our members.

With happy hearts we anticipate bigger and better things for the coming season and with the air of brotherhood which we possess we cannot help but have success.

Fraternally yours,
JACOB J. CAROTTA, *Historian*

CONNECTICUT GRADUATE CHAPTER

Fraternal greetings to all Kappa Psi Brothers from the Connecticut Graduate Chapter. Our first fall meeting of 1960 was held September 21st at DeNicola's Restaurant in New Haven. Edward D'Adlona, Regent presiding, welcomed into the brotherhood of Kappa Psi, the long time associate of many of us, Joseph Altieri. Congratulations to him from all of us who enjoy so much this honor. Many fine points of business were discussed, among them the probability of a Long Range Planning Committee to investigate the feasibility of instituting new changes in the present system of too many meetings throughout the year. It is felt by many brothers that by combining the June banquet with a regular meeting, we could decrease the number by one. A motion was passed by the brothers concerning the bequest of fraternity pins to all new brothers who never before were members of Kappa Psi. It was felt by the brothers that these men who hold such high esteem for our fine brotherhood, enough to desire this same bond of fraternalism, should be graciously bequeathed with a fine symbol of our order to wear proudly as we all should do. An excellent turnout exemplified the fine interest which the graduate chapter in Connecticut has so dutifully earned throughout the years. See you all at the next get-together in November.

Fraternally,
CLIFF GINGRAS, *Historian*

DETROIT GRADUATE CHAPTER

The Fourth Annual Awards Dinner of Kappa Psi Fraternity was held June 30th at Paul's Steak House in Detroit. The address of welcome was given by Regent Tony Andrews. Each year the chapter awards a gold watch to the senior pharmacy student with the highest scholastic average at Wayne State University. An award is also given to the fraternity student with the best standing and also to the Kappa Psi member who has done the most to help the local chapter during the school year. The Awards Committee this year included: Clif Clay, Michael DeSimone, Jim Joseph, Carl Kyburz and Larry Maletta.

After a fine dinner and fellowship Jim Joseph presented the following awards: Gold Watch Award, Phyllis Newman; Gold Plaque Award, Steven Dwarzanin; Kappa Psi Key, Douglas Acord; Henry Melton Award, Alex McKenzie.

The dinner and presentations was attended by

many Kappa Psi Brothers and their ladies as well as many friends of pharmacy in the area.

Brother Howard W. Mordue Jr., president of Detroit Medical Arts made a trip to Columban Hospital at Mokpo, Korea to inspect the Roman Catholic hospital there. Mr. Mordue was accompanied by Dr. Sarah Schooten of Providence Hospital who will advise him on plans to isolate children from TB patients in the overcrowded hospital. Mr. Mordue also presented 10,000 doses of penicillin as a personal gift to start the fight against the ravages of tuberculosis which strikes 75 per cent of the undernourished refugees.

Brother Carl Kyburz helped maintain the "Careers for Pharmacy" booth at the State Fair one evening. More than three hundred interested young people signed cards showing their interest in Pharmacy as a profession during the week.

Brothers James Joseph and Lloyd Hunter were installed as members of the board at the D.R.D.A. installation Dinner-Dance. One source of information states that Mr. Joseph was one of the most relaxed members there. Not the way that you might think but because Jim is also a fine musician. . . .

John MacCartney has been named Director of Public Relations at Parke, Davis & Co. Mr. MacCartney recently attended the House of Delegates meeting of the A.Ph.A. in Washington, D.C.

William S. Hennessy of Detroit and Abe Bannon of Flint received awards in recognition of their contribution to Michigan State Pharmacy Association during the past year. Mr. Hennessy has made contributions to Kappa Psi and is owner of the Hennessy Pharmacy.

The local chapter has gotten off to a fine start again this year under the capable leadership of Regent Tony Andrews. Our first meeting of the fall season was held October 5 at the Frat House. We had a fine turnout to hear Drug Inspector Payne two weeks later. Mr. Payne had given a

few of the better stores quite low ratings and we enjoyed hearing from him. Our 50-50 Raffle netted us a little more extra cash and we hope to see more of the Brethren out for these meetings. IF you haven't been down to see our newly decorated Frat House you owe it to yourself to see what the real workers of the Frat have been doing. . . . See you again in January.

Fraternally yours,

CARL E. KYBURZ

TEXAS GRADUATE CHAPTER

The Texas Graduate Chapter of Kappa Psi held its semi-annual meeting in Austin, on October 1 and 2, 1960, in order to help the undergraduate chapter (Gamma Gamma) celebrate its 25th anniversary.

In addition to celebrating the 25th anniversary, the Texas Graduate Chapter provided the down-payment for the undergraduate chapter to start buying its own chapter house. We realized one of our primary objectives for the formation of the graduate chapter.

Attending this momentous occasion were the following members of the graduate chapter: Gus Steinken, Ken Blaschke, Vernon Green, Baylor L. Parsons, Frank Cosgrove, Eddie Serface, Johnnie Sacaris, James H. Herring, III, Wayman Smith (Gamma Gamma Regent) Wallace Guess, William R. Lloyd, James McCann, Henry M. Burlage, Luther Parker, Horst Ritzen, Lloyd McGrew.

Other graduate chapters will be interested to know that we financed the down-payment through the selling of bonds to our members at no interest. Through the fine cooperation of several of our members, we, thus, obtained the down-payment.

We hope other graduate chapters will be able to aid their brothers obtain their house in a like manner.

WALLACE L. GUESS, *Historian*

PROVINCES OF KAPPA PSI PHARMACEUTICAL FRATERNITY

PROVINCE I

(Chapters in Albany, Connecticut, Massachusetts, and Rhode Island)

Supervising Grand Officer: Third Grand Vice Regent Pierre F. Smith
Satrap: Norman A. Powers, Barone Rd., Niantic, Conn.
Secretary: James A. Donahue, Jr., 422 Beacon St., Boston, Mass.

PROVINCE II

(Chapters in New York City, New Jersey, and Pennsylvania)

Supervising Grand Officer: Grand Counselor John W. Schermerhorn
Satrap: Ronald F. Gautieri, 3223 N. Broad St., Philadelphia 40, Pa.
Secretary: Louis King, Rutgers College of Pharmacy, 1 Lincoln Ave., Newark, N.J.

PROVINCE III

(Chapters in Virginia, W. Virginia, North Carolina, South Carolina, and District of Columbia)

Supervising Grand Officer: Grand Secretary-Treasurer Frank H. Eby
 Satrap: Gust Koustenis, George Washington University, Washington, D.C.
 Secretary: John Andrako, Medical College of Virginia, Richmond, Va.

PROVINCE IV

(Chapters in Alabama, Georgia, and Florida)

Supervising Grand Officer: Grand Historian Earl T. Brown.
 Satrap: Jack T. Bryan, Howard College, Birmingham, Ala.
 Secretary: Robert Elrod, 2973 Shelby Dr., Augusta, Ga.

PROVINCE V

(Chapters in Buffalo, Michigan, and Ohio)

Supervising Grand Officer: Grand Ritualist John W. Martin.
 Satrap: John Lajiness, Ferris Institute, Big Rapids, Mich.
 Secretary-Treasurer: James Weiss, Ohio Northern University, Ada, Ohio.

PROVINCE VI

(Chapters in Illinois, Indiana, and Wisconsin)

Supervising Grand Officer: Second Grand Vice Regent Glen J. Sperandio.
 Satrap: Donald F. Gorski, 3059 N. Oak Park Ave., Chicago 34, Ill.
 Secretary: Richard Monkman, 1844 S. 57th Ave., Cicero, Ill.

PROVINCE VII

(Chapters in Arkansas, Kentucky, Mississippi, Missouri, and Tennessee)

Supervising Officer: Wallace L. Guess.
 Satrap: Gerald C. Henney, St. Louis College of Pharmacy and Allied Sciences, St. Louis, Mo.
 Secretary-Treasurer: William B. Swafford, University of Tennessee, Memphis, Tenn.

PROVINCE VIII

(Chapters in Iowa, Kansas, Minnesota, Nebraska, North Dakota, and South Dakota)

Supervising Officer: Executive Committee Member Paul M. Scott.
 Satrap: Frank DiGangi, University of Minnesota, College of Pharmacy, Minneapolis, Minn.
 Secretary: William D. Baillie, 1343-13th St. N., Fargo, N.D.

PROVINCE IX

(Chapters in Arizona, Louisiana, New Mexico, and Texas)

Supervising Grand Officer: Grand Regent James R. Thayer.
 Satrap: Gus Steenken, Box 977, Taylor, Tex.
 Secretary: Albert Picchioni, University of Arizona, Tucson, Ariz.

PROVINCE X

(Chapters in California, Montana, Oregon, and Washington)

Supervising Grand Officer: First Grand Vice Regent Herman C. Forslund.
 Satrap: Leo Sciuchetti, Oregon State College, Corvallis, Ore.
 Secretary-Treasurer: Edward Krupski, University of Washington, College of Pharmacy, Seattle, Wash.
