

KAPPA PSI FRATERNITY

CONVENTION REGISTRATION INSIDE

THE MASK

Of Kappa Psi
Pharmaceutical Fraternity

Volume 90, No. 1

Spring 1993

This issue, our first of 1993 contains some more exciting information about the next Grand Council Convention, August 7-11, 1993 at Marco Island, Florida. Whether you have experienced the Brotherhood at a GCC or not, I am certain that attending this Convention will be a highlight of 1993. We will be charting the course of our Fraternity for the next two years and beyond, by passing legislation and electing new Grand Officers. The very future of Kappa Psi requires your attendance. Also in this issue you will find an article by Grand Vice Regent Paul Hiller on the value and importance of Grand Council Deputies. They are indeed the one sustaining strong factor that collegiate chapters depend on for a strong local chapter. The success or failure of the local chapter is directly related to the Grand Council Deputy involved. Have you thanked your GCD for a job well-done lately? You will also find an article by Past Grand Regent and Past Executive Director Bill Fitzpatrick on how his involvement in Kappa Psi both on an undergraduate and graduate level has helped him in his

Fitzpatrick awarded

William A. Fitzpatrick (Gamma Pi), past Executive Director and Past Grand Regent, has been selected for the Outstanding Achievement Award presented by the St. Louis College of Pharmacy Alumni Association. Bill also serves on the NABP Task Force on Therapeutic Interchange. Past honors for Brother Fitz are many including Missouri Pharmacist Man of the Year. He is currently president of the Missouri State Board of Pharmacy.

Clark T. Eldsmoe

Clark T. Eldsmoe, 98, a Gamma Kappa chapter member, died Tuesday, Nov. 3, 1992, in Sun City, Ariz.

He enrolled at South Dakota State College and graduated in 1913 from a two-year course in pharmacy, receiving the degree Pharmacy Graduate. He practiced retail pharmacy in South Dakota for several years. In 1927 he returned to SDSC for additional study, earning pharmaceutical chemist, bachelor of science and master of science degrees. In 1929, he became a member of the faculty of SDSC College of Pharmacy, and in 1940 he was named professor and head of the Department of Pharmacy, which position he held until his retirement as professor emeritus in 1964.

He is listed in "Who's Who in the Midwest" and in "American Men of Science." In 1985 he received from the South Dakota State University Foundation, the award of Distinguished University Benefactor. In 1988 the College of Pharmacy honored him as the first recipient of its Distinguished Alumnus Award.

He was a member of the South Dakota Pharmaceutical Association, American Pharmaceutical Association, Rho Chi Pharmacy Honor Society, Phi Kappa Phi Honor Society and Kappa Psi Fraternity.

professional career which has been filled with many successes. As always it is a privilege and honor to be your editor and your comments and suggestions about *The MASK* are appreciated and expected. See you in Marco Island!

NOTICE CHANGES IN DEADLINES FOR THE MASK

To better serve our undergraduate Brothers we are changing the production schedule of the MASK. This should allow most students to receive all four issues while their school is in session. Please make note of the following deadlines and mailing dates for *The MASK*.

Deadline	Issue mailed
July 1	August 15
October 1	November 15
December 1	January 15
March 1	April 15

Please remember that the deadlines for information are absolute and must be met to insure that *The MASK* is published in a timely manner.

Whole Number 349

From the Grand Regent

LIFE

We as pharmacists must learn to broaden our outlook on life. We should begin to experience plays, art exhibits, concerts and other cultural events and begin to see how the rest of the world lives. As pharmacists we are loaded with an enormous amount of factual information but this is really only the minimum we need for success in our profession and life.

Our real success does not depend on all the facts we are taught in the classroom. Sure these facts are necessary for the proper performance of our occupation, however real world experiences come from interaction with people. We must learn to be fully functional human beings capable of using our knowledge and real world experiences to achieve desirable moral and social values.

Because life is not a black and white issue but a series of gray events we must be able to transform facts and experiences into useful information and acceptable outcomes. We must be able to view problems from a different perspective and balance facts, knowledge, and experiences.

We demand facts and facts but we must also begin to develop a set of moral values to compliment those facts that will help us serve in the real world. We must treat people, students and patients as we would like to be treated. If people are treated with respect and honesty it permits their self esteem to grow. In turn we grow also as a person. It is imperative that we use our knowledge and values in

a caring manner. If we do so we may be able to better comprehend the myriad of problems facing our profession and the health care industry today. In our position of trust with the public we are in a unique position to demonstrate the type

of values that are worthwhile and the moral leadership necessary for the profession of pharmacy and the health care industry in general to progress into the next century.

Good morals and values are enduring. People recognize honesty, integrity and compassion. We have to do the right thing in all areas of our professional and personal lives. We must care about other people. We must be honest with ourselves as well as others and make an effort to be a caring and sensitive person and to make a lasting contribution to the profession, society and your personal life.

We should all strive to become respected and known for our morals and values rather than only for our monetary success. Respect, values and morals last a lifetime but monetary success can be fleeting. We can set the example and have that positive influence on people that is so necessary in our world today.

Volunteer at a free clinic, burn clinic, or some other charitable organization to learn a little humility. It will put you in touch with the community around you and the problems you may not know about or see. Leaders provide models for people to follow and gain respect by such actions. It is much better to be respected by people than to be simply liked. Respect is the most difficult attribute to attain and is also the easiest to lose. We must have values that are the same as our behavior. Mixed messages do not work. Nothing can take the place of respect, integrity, morality and honesty.

In closing let us all strive to make that lasting contribution, begin to develop those attributes that people really respect, and have a positive effect on someone. The rewards you will receive in your lifetime will far exceed any monetary compensations you will ever earn.

Best wishes in the coming school term. Hope to see you in Marco Island.

Fraternally,

Johnny W. Porter

About the Cover

After the Executive Committee meeting in August, 1992 in Mystic, Connecticut, a trip was made to Cheshire Academy in Cheshire, Connecticut. In 1879 the second chapter of "Society Kappa Psi" was founded following a football match with Russell Military Academy on Thanksgiving Day, November 30, 1879. Russell Military Academy was the site of the first chapter.

The History of Kappa Psi Pharmaceutical Fraternity

by Dewey D. Garner

In the Spring of 1993 *The History of Kappa Psi Pharmaceutical Fraternity* will be published by Maury Boyd and Associates, Inc. of Indianapolis, Indiana. The book will contain approximately 500 pages including some 100 photos. Maury Boyd has published many social fraternity histories and has published *The MASK* since 1981. The information in the book is intended to reveal something of the people and events in the history of Kappa Psi from its founding in 1879 through 1992.

This heritage of considerable complexity traces the Fraternity's evolution from its humble beginning as a New England prep school fraternity across twenty-six years as a joint medical-pharmacy fraternity and then through more than 65 years as a pharmaceutical fraternity.

The presentation of the Fraternity's organizational history is divided into three periods.

1. Prep School Era 1879–1898
2. Medical and Pharmacy Era 1898–1924
3. Pharmacy Era 1925–1992

The Prep School Era includes virtually all of the printed information on the Russell, Cheshire, and Hillhouse Chapters including photos of the schools. A detailed report of the Grand Council Investigation of 1912 into the early history including interviews with F. Harvey Smith's mother and a number of prep school members highlight this section.

The Medical and Pharmacy Era describes in detail the organization of Collegiate Kappa Psi at the University of Maryland School of Medicine (Delta Chapter) and Columbia University School of Pharmacy (Gamma Chapter), our first two collegiate chapters. From this discussion one can understand how the Fraternity moved from the prep schools to the college level and how Alpha Chapter came into being.

The Pharmacy Era describes the re-organization of the Fraternity into Kappa Psi Pharmaceutical Fraternity and Theta Kappa Psi Medical Fraternity. This section identifies the chapters and leaders at the time of the transformation and during

Grand Historian Dewey Garner

the years of the Great Depression, World War II, and the re-building of the Fraternity following World War II.

The book includes an extensive record of the history of the Collegiate and Graduate Chapters including a description of each chapter's installation and a listing of its charter members. The prelude to this section includes the founding of Alpha Chapter and the naming of the chapters. Another section describes the history of the Provinces from their beginning in 1910 to the present.

In the section on Fraternity government the Grand Council Conventions from 1900 through 1991 are described in detail. Another section is devoted to the Committees of the Grand Council including an extensive report on the activities of the Executive Committee.

The section on Publications and Certificates presents chronologically the history of *The Agora*, *The MASK*, *The Constitution*, *The Ritual Book*, *The Handbook*, and the **Membership** Certificates.

The section on Symbols, Symbolism, and Related Items presents the history of **The Insignia, The Coat of Arms, Official Jewelry, and other related items**, including the Fraternity sashes and robes,

flag, flower, and colors.

The biographies of F. Harvey Smith, Preston Eldridge, Henry Goeckel, Richard Bliss, Bruce Philip, Ray Kelley, Frank Eby, and Nicholas Fenney are presented in the chapter entitled: *The Legends of Kappa Psi*.

A chapter is devoted to the personal experiences of many of the Past Grand Regents and Executive Directors including Nicholas Fenney, August Danti, Glen Sperandio, William Fitzpatrick, Dewey Garner, Ken Roberts, Patrick Wells, William Smith, and Robert Magarian. My thanks to each of these people for taking the time to write their respective sections. This chapter is certainly a highlight of the entire book.

Another section of the book is devoted to Activities and Awards. This includes: The Professional Fraternity Association, the KY Breakfasts and Receptions (1927–92), the recipients of the Fraternity's various Certificates and Citations, and the recipients of various awards and recognitions given by the American Pharmaceutical Association and other national pharmacy organizations.

A section is devoted to the **Official** songs of Kappa Psi. The background information on the Sweetheart Song, the Shield of Kappa Psi, and the KY Drinking Song is provided by Brother William Schofield who wrote the words to the Drinking Song and Harry Vaughan who wrote the music for both the Drinking Song and the Shield of Kappa Psi. Brothers' Odell Krohn and Ken Krause, who carried the Sweetheart Song to the Grand Council in 1953, describe the history behind this song.

A section listing all officers of the Fraternity with dates of service from 1898 through 1992 is presented.

These sections complete with pictures represent the efforts of many brothers over an extended period of time. It is your history and is compiled for your interest and pleasure. I hope you enjoy reading the material and viewing the photos as much as we have enjoyed compiling the data for you.

The History of Kappa Psi Pharmaceutical Fraternity

by Dewey D. Garner

The scope of Kappa Psi in its first century and beyond is captured in approximately 500 pages including over 100 photos. This heritage of considerable complexity traces the Fraternity's evolution from its humble beginning as a New England prep school fraternity across twenty-six years as a joint medical-pharmacy fraternity and then through more than 65 years as a pharmaceutical fraternity. Major sections include a chronological history of the organization, the Legend's of Kappa Psi, a record of the Chapters, both Collegiate and Graduate, Provinces, and Grand Council Conventions, the Official publications and songs, symbols, awards, jewelry, and Fraternity activities.

The book—a tribute to its more than 50,000 members—is available in hardback copy and in a pre-publication only limited deluxe edition. Availability of the history may be limited after printing deadline, so reserve your copy today at a special pre-publication discount. Send in the order form to The Central Office promptly.

Convention Update

Dear Brothers:

As promised in the winter issue of *The MASK*, this issue contains an updated agenda relative to the 46th Grand Council Convention to be held August 7–11 1993 at Marco Island, Florida.

It is my hope that all of you have set aside these dates and are making every effort to attend. If you have not, there is no time like the present!

Prior to the ASHP Convention in Orlando, Brothers Porter, Magarian and I visited the convention site at Marco Island. WOW is the best term to describe it!

Each collegiate and graduate Chapter will be receiving a packet in the near future. Please act upon the information provided as soon as possible. By doing so, you are aiding a Brother in need—me!

For graduates who are not affiliated with a graduate Chapter, I suggest you follow *The MASK* for further details. Better yet, if you are attending the APhA Convention in March, stop at the booth.

As we begin the New Year, I send every good wish to you and your loved ones and look forward to seeing you at Marco Island this August!

Fraternally,

Paul J. Hiller, R.Ph. Grand Vice Regent
Grand Council Convention Chairman

46th Grand Council Convention Marco Island, Florida August 7–11, 1993

Tentative Program

Saturday 8-7-93

- Registration
- Opening General Session
- Golden Bow Ceremony
- Welcome
- Keynote Speaker
- Introduction of Candidates for International Office
- Committee Appointments

THIRTY YEARS LATER

Having been a Kappa Psi Brother for over thirty years and spending fifteen of those years at the National level, I will always have a place for Kappa Psi in my life. Those were great years, and my involvement with Kappa Psi has always been special to me.

Most people view fraternity life as a social event during your collegiate years that gives you something to do between studying and working. I imagine some people look at it as a diversion for relieving stress. I may have felt that way initially, but I soon realized my fraternity activity was laying the ground work for my future participation in the profession I selected—Pharmacy. When I look back over the years there is a lot that comes to my mind concerning Kappa Psi. Kappa Psi is the reason I have been active in the Profession of Pharmacy. I feel that my personal satisfaction and success in my profession is due to my experience and involvement in Kappa Psi Fraternity during my collegiate years. This professional involvement is what motivated me to be active in the Profession of Pharmacy. I have always given credit to Kappa Psi as one of the strong reasons that I have been active and have taken a sincere Personal and Professional interest in Pharmacy. I want to emphasize that I give Kappa Psi a lot of credit and always acknowledge those were great years for me.

I enjoyed my collegiate years, participating in National Conventions and Province Meetings with the Fraternity. It was very exciting being elected Regent of Gamma Pi Chapter and representing the Fraternity at official functions. My collegiate activities gave me the appetite and desire to go forward with the Fraternity in future years. I remember all my accomplishments in the Fraternity were hard work because I was competing with the tradition which was a challenge to me. In my time, there were very few non-academia members that took an active roll in Kappa Psi after graduation.

I held many offices on a Collegiate, Province, and National level in Kappa Psi. The exposure I had and the opportunities that I took advantage of during those years turned out to be very rewarding to me as I practiced the Profession of Pharmacy.

I very clearly remember the years of the early seventies when I was the Executive Secretary for Kappa Psi and the mid-seventies when I was honored to be elected Grand Regent. The Fraternity had some very difficult times during the seventies. Our membership was dedicated and our leadership was committed. Because of these strong qualities, Kappa Psi weathered the storm of the seventies and kept growing.

You have a great Professional Fraternity and it offers a lot to its membership. I strongly encourage everyone to take advantage of the opportunities that Kappa Psi offers.

To succeed in life, you must have a positive at-

titude. To achieve anything, the thought and feeling that it is possible must first exist in your mind. If you are unable to imagine the possibility of being the best, then you have automatically put the idea behind your capabilities. This sets a force in motion that prevents the idea from becoming a reality. Fraternity life gives everyone the opportunity to be a leader in his own way. Kappa Psi offers maturity and integrity to all of its members. Maturity is important to a leader because leading is not simply showing the way or issuing orders. Leaders are born when they take what they have learned from family, friends, school, and society and used this knowledge for themselves how to be. Integrity is the basis of trust, which is not as much an ingredient of leadership as it is a product. I have been honored in many ways by my profession of pharmacy. I have been active in many professional organizations over the years and I can't over emphasize how my involvement with Kappa Psi Pharmaceutical Fraternity has contributed to my recognition and fulfillment of many of my goals.

Currently I serve as President of Missouri Board of Pharmacy and I observe many problems that our profession is having and numerous changes that will affect the future of Pharmacy. I am very impressed with the number of graduates that proudly acknowledge their association with Kappa Psi. Our profession needs leaders and everybody can be a leader. Kappa Psi gives you the building blocks to achieve these goals that are needed to improve our profession. I hope everyone takes advantage of the opportunities that exist and promote the high ideals of our Fraternity in their everyday practice.

In summary, the highlights of my professional years are the years that I spent with Kappa Psi Pharmaceutical Fraternity. Everyone has the same opportunity I had and I encourage you to take advantage of what is out there to be achieved. I leave you with the following, Think Positive, Be Creative, and Be Proud that you are a Brother of Kappa Psi—I am!!!

Fraternally,
William A. Fitzpatrick, R.Ph.
Past Grand Regent

ed. note: "The Golden Circle" is a series of articles appearing in *The MASK* authored by senior Brothers of Kappa Psi. This column is coordinated by Past Grand Regent Glen J. Sperandio.

The Golden Circle

William A. Fitzpatrick, R.Ph.
(better known as "Fitz")
Past Grand Regent of Kappa Psi
(1974–1979)

William A. Fitzpatrick is past Grand Regent (1974–79) and Past Executive Director (1970–72). He is currently President of the Missouri State Board of Pharmacy. He is currently owner of several successful businesses. He has also attended the St. Louis Cardinals fantasy baseball camp.

Chapter News

Gamma Omega Arkansas

Our new officers were installed at the spring formal. They had a very busy summer planning to make this year the best ever. We started the year off with our second annual "Hawaiian Luau" bash. We also had seventeen new members join our ranks this spring.

Our members have been very busy this year on a number of projects including: passing out copies of a videotaped cartoon showing the perils of drug abuse to local elementary schools; several members also gave drug talks to some area schools; and a dedication to **Dr. Lloyd Thompson**, a recently deceased faculty member, by helping his family with property maintenance.

Dr. Olsen, a Kappa Psi faculty member, presented the chapter with a fundraising opportunity involving an antibiotic efficacy experiment.

A Definition of Hazing:

As you plan your pledging programs for the 1992-93 school year, keep the following questions in the back of your mind.

Robert L. Keith, coordinator of Greek affairs at Ohio Wesleyan University, suggests that the following six questions be asked about individual pledge activities:

1. Will the individual achieve one or more of the predetermined goals of the pledge program?
2. Would you be willing to tell your chapter advisor about the activity?
3. Would you be willing to perform this activity in front of a university administrator?
4. Would you be willing to send the parents of the pledge involved a snapshot of this activity?
5. Would you be prepared to go to court to defend the merit of this activity? Would you feel ridiculous doing it?
6. Would you be willing to share a written description of this activity for other Chapters to use?

If there is the slightest question in anyone's mind about the activity, there is a quick and definite answer. Don't do it. It's hazing.

—reprinted from *The Key of Kappa Kappa Gamma*

Our chapter is also pleased to announce that one of our members, **William Hamill** was recently elected ASP alternate regional delegate at Oklahoma City.

This year we started an "Alumni" committee designed with the intent to open a communication line to past brothers and allow them to be more informed of various activities and goals of the fraternity.

—*J. Kelvin Rissinger*

Beta Xi North Carolina

We are getting our new semester off to a great start with new executive officers:

Regent.....**Mark Brown**
First Vice Regent.....**Bryan Blalock**
Second Vice Regent.....**Leigh Waddell**
Secretary.....**Emily Pulley**
Treasurer.....**C. Chad Wagoner**
Chaplain.....**Derrick Kimery**
Pledge Master.....**Eddie McDaniel**

Thanks to the old officers for a job well done, we appreciate your service.

We also have five new brothers: **Scott Chandler, Jonathan Earl, Charles Ingram, Gwen Stroud, Tommy Tyndall**. We are looking forward to having them in our brotherhood. On this note, we have already begun our rush activities and are hoping for a great pledge class; worthy of being Kappa Psi brothers.

—*C. Chad Wagoner*

Beta Chi Drake

We are proud to announce **Jodi Fredrickson** as our newest brother who went active at the onset of Fall '92 semester. She was Beta Chi's sole pledge during last spring.

This semester we have 15 new pledges who are set to go fully active early in Spring '93. This number shows the strong effort that

was put into Rushing this semester. A large group of potential pledges showed up for a night at the bowling alleys. A couple of weeks later the pledges were treated to a hay ride followed by bonfire bash.

On October 9th, members of the Beta Nu chapter at Creighton University met with our chapter in Atlantic, Iowa, for a half way party. This gave new members and pledges from both chapters an opportunity to meet with each other, a sort of preview to the event which was to follow on Oct. 30, 31. On these two days the six chapters of Province VIII gathered here in Des Moines, Iowa, for the province conclave. Province officers were elected and several common issues were discussed. Saturday Oct. 31st ended with a grand masquerade party to celebrate Halloween. The two day event was perceived to be a major success for the Beta Chi organization. We would like to thank members of the other chapters (Beta Sigma, Gamma Kappa, Beta Nu, Epsilon and Delta Zeta) who came to the conclave and help make it a success. We are now looking forward to the next conclave to be hosted by the Delta Zeta chapter at the U. of Iowa, during Spring '93.

Our activities this semester have included giving poison prevention talks to preschoolers in the community, and setting up hypertension screenings on our campus. Both of these activities are focused on expanding awareness through education. Our pledges have been involved in these activities as part of their professional projects. For fund-raising we've done a few pharmacy clean-ups.

Congratulations to the following Beta Chi actives who will be graduating in December 1992: **Lisa Siergey-Regent, Paul Kellogg-Vice Regent, Gina Feldmann-Treasurer, Rob Kathman-Sergent at Arms, Tracy Durbin, Wes Dunn**.

Beta Chi's booth

The following actives hold the other Beta Chi offices:

Jim Hudson-Pledge Trainer, **Steve Almeida**-Pledge Trainer, **Shamir Patel**-Historian, **Todd Nole**-Chaplain.

Our new officers for 1993 will be elected after time of going to press so the names of these new officers and the new actives will be announced in the next issue of *The MASK*.

—Shamir Patel

Iota Medical University of South Carolina

With Christmas rapidly approaching and the ever growing threat of exams drawing near, I would like to take the time to reminisce on a busy year for us here in Charleston. First, many brothers remained in Charleston this past summer to help out with the 116th Annual South Carolina Pharmaceutical Association State Convention held here at the Omni. In fact, one of our alumni brothers who is now a first year Pharm D. student at MUSC, **J. D. Wells**, was awarded Outstanding Student of the Year for all of his efforts in bettering the profession of pharmacy. Second, in early fall we held our traditional "Kappa Psi hot dog sell" in which we

Brothers and little sisters at Iota Chapter.

profited greatly and finished selling the top 200 drug cards. Finally, we completed this year with a "most excellent" rush. Thanks to the support of our little sisters and alumni brother **Pat Kennedy**, who is actively pursuing his PhD in Pharmaceutical Sciences at MUSC, we were able to throw the first annual "Hallowfest (Octoberfest/Halloween) Party. Other upcoming events in the works are our annual Kappa Psi Christmas party which we are jointly planning with the sisters of Lambda Kappa Sigma, a mixer with the Tri Delts at the College of Charleston, and of course initiation beginning in January. Finally, our new officers have been working very diligently in creating new and provocative ways to expand our efforts into more

community-based projects so that we may become more involved as a fraternity.

Our new officers are:

Regent.....	Craig Coker
Vice Regent.....	Bruce Mack
Secretary.....	John Burgess
Treasurer.....	Pete Milhorn
Historian.....	Robert Page
Chaplain.....	Bobby Tanner
Grand Liaison.....	Rob Woods
Pledge Trainers.....	Scotty Welch / Russell Huiet
Social Chairman.....	Jason Mailloux / Keith Cooper
Sergeant-at-Arms.....	Jody Allison

—Robert Page

Eta Philadelphia

The brothers of ETA chapter are proud to be 90 years old. We had a small celebration along with our traditional Thanksgiving dinner. After some minor plumbing work and some much needed carpentry, the house is starting to shape up once again. We are looking forward to the possibility of having pledges again this spring. Although we have not been able to rush, the turnout will be strong. I attribute this to the strength of our chapter and the quality of the brothers in our chapter. We have been participating in many community service projects including helping in safety demonstrations and volunteering with the poison control center. Our little sisters have been doing a food and clothing drive, and we appreciate it! I would like to thank graduate brother, **Ken Czar** for the donation towards the new bar.

—David M. Land

PROVINCE V

I write this letter after attending our midyear convention hosted by Beta Lambda

Brothers at a Toledo Storm hockey game.

The FUBAR family truckster.

in Toledo, Ohio. It was a truly unique experience. Our regrets go out to brothers **Pat Smith** and **Bill Hellier** who were unable to attend.

As far as the business is concerned, we discussed the future of awards on the province level along with ideas set forth by **Paul Hiller** about sponsoring national charities. The feeling I got from this discussion was that we ought to reward on merit as it appears and not make it an annual necessity. I personally give it two thumbs up. **Paul Hiller** expressed goals concerning charities. His opinion, along with other national officers I think, is that we should, on a chapter level, choose a charity and support it from year to year. That is not to say we are limited in any way. The theory behind this, excluding the obvious benefit the charity receives, is that Kappa Psi Fraternity as a whole can be scrutinized on our togetherness. What can this do for us? Professionalism will be instilled into the minds of people around us. Fraternalism becomes more of an unlimited word. Sponsors and companies will have further concrete evidence that we have a sound foundation for which they can build their image simultaneously. I believe this is a great undertaking we all should come together to do.

The brothers at Beta Lambda were very gracious hosts. They even allowed me to be seen pulling up to their houses with eleven people packed in the FUBAR family truckster. I, on behalf of all visiting brothers, give you a gracious thank you. The only sore spot of the weekend was their inability to have the Atlanta Braves beat the Toronto Blue Jays. Planning can only go so far. I'll leave you with the words of a great philosopher named Ted: "Be good to one another."

—Karl R. Fruehauf

Delta Zeta

Iowa

We held elections in October. Congratulations and good luck to the new officers:

Regent.....	Karen Bohmer
Vice-Regent.....	Monika Totoraitis
Secretary.....	Joan Gilchrist
Corresponding Secretary.....	Ann McLaughlin
Treasurer.....	Robert Fecik
Historian.....	Sara Vespa
Chaplain.....	Karen Johnston
Sergeant-at-Arms.....	Tony Caskey

Also, thanks to the outgoing officers for doing a terrific job in 1991-92.

Our pledge trainers, **Tracey Morgan** and **Elizabeth Moshos**, have been preparing for a busy pledge season in the spring, which will culminate in initiation at the Province VIII conclave, which we are hosting in the spring. Conclave should be extra-festive as it coincides with the celebration of our silver anniversary as a chapter.

Since all of that celebrating will be expensive, we have been working hard at fundraising to keep the cost of attending conclave low. So far we have sold College of Pharmacy baseball jerseys and are in the middle of conducting an alumni fund drive.

We also continue to be involved in both college and community activities, including hypertension screenings at a local pharmacy and volunteering for the Iowa City Hospice Road Races. Our plans for the spring include career day talks at local high schools and a food drive for a local food pantry.

—Sara Vespa

Pocono Graduate

The Pocono Graduate Chapter met Sunday evening, October 4, 1992 at the East Mountain Inn, Wilkes-Barre, Pa. with a banner turnout of Brothers from far and wide. Through the generosity of Brother G (modesty prohibits identifying him), C. E. and dinner were provided at no charge to the Brothers. Elections were held and the following will serve for the new year:

Regent.....	Barry Kwasny
Vice-Regent.....	Brad Kessler

GRAND REGENTS CLUB

Charles A. Carden (<i>Delta Beta</i>)
Stephen G. Hoag (<i>Beta Sigma</i>)
Jerold K. Karabensch (<i>Beta Psi</i>)
J. Bruce Laughrey (<i>Gamma Kappa</i>)
John C. Marion (<i>Psi</i>)
Robert E. Martini (<i>Xi</i>)
Gregory R. Nazareth (<i>Mu</i>)
Anthony Palmieri III (<i>Beta Epsilon</i>)
Johnny W. Porter (<i>Delta Beta</i>)
Michael Ira Smith (<i>Epsilon</i>)
Dominic A. Solimando, Jr. (<i>Eta</i>)

Treasurer.....	Larry Olszewski
Secretary.....	Pat Wiegopolski

Another meeting is scheduled for the spring of 1993. Watch your mail for further details. If you have not been contacted, please send an updated address to Larry Olszewski, 11 Terrace Drive, Mountain Top, Pa. 18704. We'd love to have you!

P.S. dues are due!

—Pat Wiegopolski

Gamma Chi

Ferris State

Many of the juniors accelerated to avoid getting caught in the semester changeover. It was a good summer for going to school because the temperature never got high enough to warm the lakes up. Now the weather is turning cold and the trees have shed their leaves.

All is abuzz here with the ongoing community projects. Homecoming was a success. The installation of the Central Michigan Graduate Chapter took place at our banquet on October 24th. We like to thank everyone who attended and special thanks go out to Grand Regent, **Johnny W. Porter** and Editor of *The MASK*, **Anthony Palmeri III** for attending.

Soon after Homecoming we held our annual Halloween Party for Big Brothers and Big Sisters of Mecosta County. An enjoyable time was had by actives and children alike. We started the evening off with games, costume judging, and a small dinner. Afterwards our house was converted into a haunted house and the kids went trick-or-treating from room to room.

We have nine promising pledges this quarter. They are very enthusiastic and energetic, and will someday make excellent actives.

Congratulations go out to Brother **Ian Newton** and his new wife Marni Shelton Newton and to Brothers **Scott Jefferies** and **Pamela Sturm Jefferies** on their wedding.

On a sad note Brother **Leon Prokop**, a Gamma Chi advisor, passed away. We wish to send our deepest sympathies to family and friends of Brother Prokop.

—Doug Bellah

PROVINCE II

I am very honored to have been elected Province II Historian and to be reporting the events of our Province. We had a great turnout at the Fall Assembly and all the Graduate and Collegiate chapters were represented. Three of our Grand Officers were in attendance, Grand Vice-Regent **Paul Hiller**, Graduate Member-at-Large **Brian Furbush** and Collegiate Member-at-Large **Michael Steffens**. The Brothers of the Beta Omega chapter at Temple University should be commended on the fabulous weekend that they planned for all of us. Friday night the brothers hosted a party for all of us in attendance. This gave us all a good chance to kick back, relax and get acquainted with our fellow brothers. Saturday morning we all attended the Business Meeting and a lot was accomplished. The Spring Assembly will be hosted by the Beta Eta chapter at the University of West Virginia. I look forward to see everyone there. Also the election of officers took place and I would like to congratulate the following Brothers:

Satrap.....	Dan Wright
Vice-Satrap.....	Jean Beary
Secretary.....	Michael Starvaggi
Treasurer.....	Dan Wellhausen
Chaplain.....	Scott Edmundson
Historian.....	Della Marie F. Sildra
Past-Satrap.....	Tom DePue
Supervisor.....	Brian Furbush

All of the officers are looking forward to serving their terms to the best of their abilities. The weekend concluded with a lasagna dinner cooked by the brothers of Beta Omega and then a tour of the city. After that we returned to the KΨ house for some more late night partying. Sunday morning we all left with fond memories and expectations of the next Province Assembly. Thanks again to the Brothers of Beta Omega, they lived up to their motto as being the City of Brotherly Love.

One of my duties as Historian is to keep a province scrapbook. I would like for all of the

Delta Epsilon Brothers dance!

chapters to send me pictures so that I can have a scrapbook that represents our entire Province. Pictures can be sent to Della Marie Sildra, Apt. 417, 700 Forbes Ave., Pittsburgh, PA 15219. I hope that the past year for everyone proved to be a success and good luck in the coming new year.

—Della Marie F. Sildra

Delta Epsilon Duquesne

The latter half of 1992 was a very busy time for Delta Epsilon. Fourteen of our Brothers headed out to Philadelphia for the Province II Assembly held at Temple University. The Brothers of Beta Omega welcomed us all with a party at their house on Friday night. Then on Saturday we were treated to a lasagna dinner cooked by the brothers and then taken on a tour of the city. A great time was had by all and the Beta Omega brothers were perfect hosts.

The fall semester saw the addition of five new members into the Kappa Psi brotherhood. Congratulations to the following new brothers: **Aaron Buterbaugh, Amy Brigaman, Lisa Emmonds, Amy Daugherty** and **Dave "Norm" Andrewcavage**. These new brothers will prove to be a great addition to the fraternity. Our annual Fall Formal was held on November 14th. We had a very good turnout and we were happy to have two fellow brothers from Temple University in attendance, Brothers Andy Bersu and Ron Miller. Dinner and dancing was enjoyed by all and the evening was topped off with the presentation of the Asklepios Key. Congratulations goes out to **Scott Edmundson** for receiving this prestigious honor.

The fall semester also meant that it was football season. Kappa Psi's men and women's intramural teams gave a good performance. The women's team made it to the semi-finals but suffered a defeat. We're looking forward to the spring semester which

means Volleyball and Softball. The women's softball team will be out to defend their Championship title and see if they can make it two years in a row.

Congratulations goes out to 8 of our fellow brothers who have shown outstanding Scholastic Achievement by being inducted into Rho Chi: **Lucy Edder, Kris Santus, Ed Feldkamp, Brad Martin, Brian Miles, Nancy Rubino, Heather Dively** and **Della Marie Sildra**.

This semester will be filled with many new projects including an AIDS awareness program for High School students as well as a slide show presentation on informing the Elderly on the proper use of their medications. I would like to wish everyone Good Luck on the start of a new semester. Until next time.

—Della Marie F. Sildra

Delta Lambda Campbell

Fall rush period made for a fun-filled beginning to the fall semester with our three traditional rush parties. The Kiss and Lei Hawaiian party turned the "House" into a tropical paradise, complete with 12 talented hula dancers and the brothers and rushees decked out in their favorite beach wear. On August 27th, we held our Thornton's Creek Beach party. Everyone worked up an appetite for the hamburgers and hot dogs, while playing volleyball in the sand. The grand finale came off Sept. 9th when we hosted our annual Casino Night at Club Faces in Dunn. The rush period ended with 25 new pledges ready to be instructed and molded into fine Kappa Psi brothers.

On September 15th, Delta Lambda co-sponsored a campus wide blood drive with ROTC. The blood drive was a great success with a total of 125 pints given. A special thanks goes to the service project committee (Chair: **Kelly Sexton**) and all brothers who gave of their time and their blood.

The fundraising committee (Chair: **Wendy Gattis**) has been busy with a series of small fundraisers, whose purpose is to send several brothers to the GCC next summer. We have already had morning doughnut sales and bake sales, as well as a spaghetti dinner on Nov. 19th. Many other fundraisers are also planned for the future.

Kappa Psi made a great showing for the pharmacy school on Sept. 27th at the First Annual Pharmacy School vs. Law School Volleyball Tournament. Kappa Psi won the "Creek Cup" for the pharmacy school, where it is now proudly displayed.

During the fall the pledges were busy with tasks of the brotherhood. The pledges had a trash pick-up day in which they cleaned up our adopted highway. Homecoming week they sponsored our annual Car Bash fund-

raiser, the proceeds of which benefited the Hurricane Andrew victims. They also created a float for our Homecoming Parade complete with the bashed up car and their mascot—a goat!

Also during Homecoming weekend, Delta Lambda hosted our Second Annual Homecoming Volleyball Tournament. The tournament consisted of 2 divisions: a four man (all male) division and a four player co-ed division. This campus wide event was a great time for both the brothers and all the other students of the University.

Halloween was an eventful weekend for the brothers of Delta Lambda. Friday night, Oct. 30th was our 2nd annual Nightcrawlers Party. Halloween day several brothers visited the children's wards at Duke and Lennox Baker Hospitals with toys and treats for the kids. This weekend was also the initiation period for the pledges. Delta Lambda ritual was held Saturday morning Oct. 31st and at this time Kappa Psi gained 25 fine new brothers. The new brothers are: **Michael Adams, Craig Barlow, Laura Bumgarner, Shannon Cook, Tracy Crews, Johnna Enloe, Greg Fox, Helen Giannopolous, Annette Graham, Dina Hall, Angel Hedgepeth, Erin Huffman, Mike Jones, Taffy Klaassen, Jeff Lobo, Jennifer Maynard, Laura McArthur, Sandip Mehta, Jeff Mercer, Denise Moses, Jennifer Patterson, Bob Phillips, Danny Severs, Kristen Thomas**, and (last but not least!) **Ken Thompson**.

Congratulations to brother **James Strickland**, who was Brother of the Month for September, and to brothers **Kevin Gardner, Traci Roberts**, and **Ed Herring**, who were the Brothers of the Month for October.

This year Delta Lambda has the pleasure of hosting the Province III Annual Convention. This joining together of the brotherhood will take place the weekend of Feb. 19–21 at the Velvet Cloak in Raleigh, NC. We extend a sincere invitation to any and all brothers wishing to join us. You can reach the chapter

Delta Lambda Pledgemaster Kevin Gardner presents new Brother Danny Severs with the best pledge award.

by mail (PO Box 1106, Buies Creek, NC 27506) or by phone (919) 893-8190.

New officer elections were held on Nov. 17th. Congratulations to:

 Garrett Thompson.**

—Candi Shepherd

Gamma Psi

Mercer

Our new officers include:

IFC Secretary/Treasurer.....**Todd Davis**
 Regent.....**Mike Hackett**
 Vice Regent.....**Bill Elkins**
 Secretary.....**Boyd Collier**
 Treasurer.....**Mark Mullinax**
 Pledge Master.....**Evan Sykes**
 Historian.....**Tommy Padgett**
 Sgt. at Arms.....**Wade Quick**
 Chaplain.....**Ty Wheeler**
 Cos Representative.....**Mike Schwartz**
 IFC Representatives.....**Jim Richard, and
 Bret Carter**
 Parliamentarian.....**Rob Gulledge**

We'd also like to recognize and congratulate our newest members of Gamma Psi, **Joey Entrekin** and **Bert Branch**. They were great pledges and well deserving of the honor to become Kappa Psi brothers.

We kicked off fall quarter with a rafting trip down the Ocoee River. The trip was a great time for some of the brothers to get out and take advantage of the ending summer weather. Also this quarter we held our first country-western themed party. The Kappa Psi "Barn Bash" was held in a little sister's barn with a country DJ. The party went well and we're really looking forward to doing it again in the future. Within the next few months we're also preparing for our annual ski trip to Beach Mountain, NC.

The most important activities happening in the chapter are our community and service projects. We take great pride in getting involved in our community and helping in any way possible. Soon, we'll be having our annual blood drive in association with the American Red Cross and have planned many other projects including one with the Gwinnett Medical Clinic. This involves the brothers volunteering their time working with

physicians and pharmacists dispensing and recommending medication to those in need.

—Tommy Padgett

Beta Chi Drake

Greetings from the Brothers of Beta Chi. Our chapter decided to take advantage of Drake University's organizational fair in order to raise money for the history project. The organizational fair allowed the chapter the opportunity to sell chances for many various prizes (including such items as a free limo ride, and gift certificates from surrounding campus businesses). The fair was an excellent chance for the chapter not only to raise money, but also provided us a chance to stress the importance of our profession. We all enjoyed working at the fair; it provided an excellent environment to meet and interact with fellow students. We are all looking forward to seeing the finished product of all the chapters' efforts, and hope that everyone enjoyed their project as much as we enjoyed ours.

Beta Delta Albany

Well it's pledging time again. It is a time in our lives that remains very close to our hearts. Many enjoyed pledging, many disliked pledging but all can say that they will never forget pledging. The bond that is made within your pledge class is everlasting. Each pledge helping each other out, each standing behind each other. It exemplifies unity and pride, which is synonymous with KAPPA PSI. As we push through this pledging period we must keep the purpose and goals of pledging foremost in our minds. This is where we transform mere pledges into all omnipotent Kappa Psi Brothers. We must make sure that they understand the importance of unity and fellowship, that they believe that there is nothing they can't accomplish and that when a group of Kappa Psi Brothers stand together there is absolutely no task that is too large. If we try to instill a feeling of inner pride and self-confidence in our pledges then if and when they become brothers they can only be a positive influence on the fraternity.

—Sanjay Gandhi

Theta Medical College of Virginia

Theta Chapter would like to congratulate the newly elected officers of the 1992-1993 year. They are:

Regent.....**Ronnie Depue**
 Vice Regent.....**Jason Cahill**
 Secretary/Historian.....**Brandon Pace**
 Treasurer.....**Chris Woodfin**
 Chaplain.....**Clint Blanton**
 Sergeant-at-Arms.....**Terry Carroll**

The school year began with excitement and euphoria as we sponsored a local live band, The Fredds, for the enjoyment of our entire campus. The following day our graduate chapter hosted a pig roast for our newly arriving first year pharmacy class and brothers. It was correctly dubbed "The Feast of the Beast," and we chowed down on some of the best barbecue, slaw, and fixings ever! It was a terrific time for fellowship and welcoming the new class. Just recently brothers **Tim Lucas, Jason Cahill, Scott Blevins, Mike Doyle**, and myself volunteered to perform blood pressure screening at a health fair gala sponsored by Rite Aid. It was a lot of fun and the people we encountered sincerely appreciated the service we provided. Our chapter continues to perform car washes almost every weekend to fund our numerous endeavors. We look forward to a potentially successful Fall and Spring Rush.

—Brandon Pace

Gamma Nu Pacific

Many changes have been taking place under the new leadership in the Gamma Nu chapter at the University of the Pacific, School of Pharmacy. Through hard work and perseverance, funds were generated for necessary remodeling at the house. New carpeting was laid in, the walls were painted, a wooden entry way was put in, beautiful French doors were installed and after all the sweat and toil, the brothers can finally succumb to the simple pleasures of relaxing in brand new sofas, while gazing at a roaring fireplace and sipping freshly tapped brew. All these changes did not happen overnight, although rumor has it, brothers were seen in the middle of the night sanding and staining the wooden floor. The brothers of Gamma Nu also hosted the annual Luau in the Delta.

This year, the Homecoming banquet was held at the Castaways. After a "hot" meal, and a "marvelous" slide show, the Brothers danced to the tunes of live music. Congratulations to **Jeff Freund**, who received the Asklepios Key, **Tino Doan**, who was awarded with the Grand Regent's Letter of Recognition and **Sam Lun**, recipient of the Larry Carnegie Award. In addition, the Brothers would like to thank all the faithful Alumni for their support and generosity in our efforts in making the Gamma Nu Chapter an organization that we can all be proud of.

Our focus for the next few months will turn to prerussh activities. Thus far, all the events, parties and "Sister" functions have been very successful. Another major event was "Halloween Night," and brothers, **Rob Swart** and **Doug Niederreiter** collected spiders, snakes and black crows for this spooky feast.

—Fred O. Gregorian

Pi initiates

Oklahoma Graduate

Kappa Psi at the University of Oklahoma College of Pharmacy has really taken off lately. The Oklahoma Graduate Chapter needs support from interested alumni to help support the fraternity and most especially our collegiate brothers. If you are interested in the Oklahoma Graduate Chapter, please contact Irish Lytle at 2102-C South Marion, Kirksville, Missouri, 63501, phone (816) 665-7733.

Province VII is being held in Memphis, TN, and is hosted by Psi Chapter and should be a lot of fun. Please try to come and also let a student stay in your room or sponsor a room for a group. It is greatly appreciated when our alums get out and support the students.

I recently attended Province VIII's Conclave in Des Moines, Iowa, and I was amazed at their efficiency and their ability to get through all their business in record time. Province VIII is to be commended for these qualities of leadership and oneness that they very openly displayed and I was very impressed and will try to attend another of the Conclaves. All the other provinces might benefit from their example. Thanks for the hospitality!!

—Irish E. Lytle
Oklahoma Graduate

Gamma Phi Georgia

We would like to congratulate our new brothers: **Neil Wohlford, Kevin Woody, Chris Cook, Mark Gilmore, Mark Barbee, Alan Parker, Rusty Prescott, Michael Fox, Jim Holley, and Eric Macomson.** We all look forward to their contributions to our

brotherhood.

Congratulations are also in order for **Al Jones.** As Hypertension chairman, Al organized last fall's hypertension screening clinic. The clinic was held in the University's student center and it was a big success. We thank Al for all of his hard work.

—Ray Clark

Pi Purdue

Well, time is flying and so are our college days. I hope that all of the Brothers finished the last semester on a high note. And if you didn't end on a high note, I hope that you at least had some fun.

The Pi Brothers have been doing a few things socially this semester. For starters, the guys at the house threw a party for homecoming in October. Kappa Psi also held a Barn Dance for the pharmacy school. This turned out to be a really good time and a huge success. Many of the Brothers attended Beta Psi's HELP night in November. All of the Brothers that went had a really good time. Finally, we held our annual Senior Banquet to recognize our graduates. Good luck to these Brothers. They will really be missed at Purdue.

Professionally, the Brothers have been pretty busy at Purdue. For Halloween, some of the guys participated in a reverse trick-or-treat with the pediatric wings of the two local hospitals. We also held our annual Drug Fair in the pharmacy building. This was very successful and congratulations are in order for Brother **Mike Molby** for a job well done in organizing this. Pi also donated canned food for the homeless in November.

Finally, our pledges are finished for this

semester. We held our Pledges versus Actives football game. Although the actives won 78-0, everyone had a really good time and the pledges really learned how to work together. They then started on their pledge project, which consisted of making a big brother family tree. This is on a 6' by 8' board and is really a site to see. All of the Actives were really impressed and proud. Finally, we had our HELP night for the pledges. We were glad that Brothers could attend from Wisconsin and St. Louis. Thanks again for coming. These new initiates include: **Eric Peak, Tom Maclean, Howard Schoffield, Ryan Kraner, Chris Davis, Brandon Kurz, Nathan Dickison, Matt Beach, Dale Sharp, Joe Branham, Mike Barnes, Neil Patel, Andy Hudson, Nilam Patel, Mark Liverett, and Tyrone Buckingham.** We are really proud of our new Brothers and we feel that they will really enhance the quality of Pi Chapter.

Most importantly, don't forget about Province Assembly. The Brothers here at Pi Chapter are really busy with the plans. It is going to be the best time you have ever had.

—Scott Bowsher

Beta Psi Wisconsin

Beta Psi has had a busy fall semester! Our annual Halloween Bash helped raise around \$600 for U.N.I.C.E.F. Everyone had a

Beta Psi new actives

great time!

In mid November our house mother, **Sandy Redding,** made everyone a huge "Packer Feast." Beta Psi brothers sat around watching a Packer game and pigging out on Mom's good food. Thanks Mom!

Beta Psi had a very successful end to pledging. Over 20 brothers from four different chapters helped us welcome in our new actives. Thanks everyone for the help—hope to see you next semester! Congratulations to

our new actives: **Bridgette Anderson, Stephanie Baird, Christine Brueckbauer, Jason Collard, Christine Densing, Kathy Endle, Matt Englerth, Jennifer Hack, Joe Hastreiter, Kirstin Krogmann, David Labs, Jami McIntyre, Michael Metz, Shannon O'Connell, Lance Swearingen, Elizabeth Tilkens, Evelyn Tonies and Angela Urmanski.**

The first week of December has traditionally become the week for Beer Bus and Treeing. For Beer Bus, we rent a large bus and everyone is carted around Madison. We have numerous stops at various establishments on and around campus. This is a safe and fun way for us to relieve a little pressure right before our final exams. The next day, bright and early in the morning, we go Treeing. We hunt everywhere for the perfect Christmas Tree.

We would also like to congratulate **Shelly Moureau, Patti Schmidt and Michelle Podrovitz** upon being accepted into Rho Chi Honor Society. Also, good luck to **Doug Englebert** who will graduate in December.

—*Rebecca Humbracht*

PROVINCE VIII

The Province VIII meeting was held on October 30–November 1 in Des Moines, IA with almost 100 brothers in attendance. A big thank you to Beta Chi for all of their hard work in making the weekend a lot of fun. Special thanks to **Irish Lytle** and **John Grossmanides**, our Province Supervisor, for attending. The weekend began with the south of the border party on Friday night and continued thru to Saturday with the dinner banquet and Halloween party. Beta Chi should be commended for finding not only an excellent dinner speaker but the quickest speaker ever known to mankind.

Much was accomplished at the meeting. It was decided to start a Province newsletter. "The Peanut Gallery" will be sent out twice a year and help us to keep in touch with the other chapters in our province about activities and events happening between meetings. Our first issue should be ready shortly after the spring meeting. New officers elected are:

Vice Satrap.....**Alan Reither** (Gamma Kappa) Secretary/

Treasurer.....**Michelle Otto** (Beta Nu) Historian.....**Christine Askew** (Epsilon)

Thanks to all the outgoing officers for all of their hard work over the past year. Congratulations goes to Gamma Kappa on winning the traveling trophy for having the most brothers in attendance.

We are now all eagerly awaiting our next Province Meeting which will be hosted by Delta Zeta on April 2–4 in Iowa City. See you there!

—*Christina Askew*

Gamma Kappa South Dakota State

Gamma Kappa extends its congratulations to three new brothers: **Nicolas Bobiney, William Darrah**, and the Outstanding Pledge, **Mike Wold**.

Gamma Kappa's new Brothers, Mike Wold, William Darrah, Jeff Kuper (pledgemaster) and Nicholas Bobiney

A pledge breakfast was held for them on November 10th, at the house, during Rush Week. Saturday, November 14, Oral Boards were held and on Wednesday, November 18, the formal initiation was held. Following this activation, a supper was held at the Pheasant Restaurant for the new brothers.

Congratulations also go out to **Alan Reither**, who became Vice-Satrap of Province VIII at the fall Conclave at Drake. Here, Gamma Kappa also held on to the province's traveling trophy for having the largest number of actives present at conclave.

The fall semester concluded with many activities. On December 7, election of officers took place, with installations on December 14. Thanks to all of the officers of 1992 for a job well done.

The Little Sisters were busy preparing care packages for Christmas, and were quite successful in this annual fundraiser.

Finally, a Christmas social was held at the house. Big Brothers and Little Sisters exchanged gifts, and later the chapter went Christmas caroling to the faculty homes.

—*Michael Freking*

Epsilon Minnesota

The Epsilon Chapter had a lot to be proud about this past quarter. We had a great pledge class (nine women), and many of our members received awards and honors that are worth mentioning. First of all, congratulations to **Christy Askew** who was elected the new Province VIII Historian during Conclave. We know she'll do a great job, plus she's got the pictures to prove it! She will be helping **Alan Reither** (Gamma Kappa, Vice-Satrap) with a new newsletter for our province. Congratulations to these members who were awarded during the Samuel W. Melendy lecture: **Mary Schroeder, Nancy Sommers,**

Dinah Howell, Ronald Simono, Gina Peterson, Katie Copeland, and Beth Ostergaard. **Gilbert S. Banker**, also Kappa Psi, was the honored lecturer this year. Congratulations everyone!

We held our fall dinner meeting at Toby's on the Lake, it was nice to see so many people. **Gary Schneider** (Regent 1970–71) gave an entertaining talk on what Kappa Psi was like when he was in school and seriously, the future of pharmacy. Afterwards, we went out for more socializing and dancing. Anyone needing dancing lessons may want to contact **Stacy, Darcy, Kerri, Beth, or Angie**, these women know how to boogie! Thank you, **Mindy Baxter** for putting the whole night together and **Todd Sorenson** for getting our speaker.

On the project side, our sweats and t-shirt sales are still going strong. Our newly modified STD talks are going more smoothly now that we don't need notecards to give the talks. We also give a short video on AIDS before the slides, hopefully this gets the kids to think a little more about the consequences of unsafe sex. We may be starting a new project soon. Brother **Caren Allivato** thought it would be a good idea to take pets (puppies and kittens) from the humane society out to nursing homes to "visit" the patients. It may only require one day per month, but it really seems to benefit the elderly tremendously. Just to prove her point, Caren brought a puppy to the meeting. No one could refuse to hold him, what a great idea!

Saving the best for last, we would like to welcome nine new members to our chapter: **Amy Beiswenger, Tara Ruffner, Tia Crane, Mary Claire Hyser, Jennifer Mandt, Joyann McCheseny, Ann Nelson, Lynn Nodine, and Shannon Klocke.** Thanks for such a fun pledge quarter and initiation, we appreciate your enthusiasm! We also look forward to seeing an old face again this quarter, GCD **Rory Rummel** should be returning from Scotland just in time to teach Instrumental Methods. Can't wait to hear about his trip!

—*Dinah L. Howell*

Beta Epsilon Rhode Island

Another busy semester is coming to a close at Beta Epsilon, and what a busy one it is as we finish preparing for the Province I Convention. Our chapter is still keeping up its reputation in our community with services such as Project Pumpkin, where the brothers helped the residents of Sparrows old age home with preparations for the winter. Some tasks included hanging the screens to storm windows and cleaning upper story windows. The chapter also provided the service of raking leaves for the professors and elderly people in the community.

Surprisingly, with this economy, we have been very successful with many of our fundraising activities this semester. First of all, our KΨ coffee and donut stand is consistently bringing in money (approximately \$60 a week). In addition, we have had a 50/50 raffle and car wash. At the car wash we charged three dollars per car and were able to bring in \$250. A new event has just been added also. In it we provide care packages to the students from their parents to help them through the hardships of final exams. It is also a nice way to help parents lend moral support to their children.

On a lighter side of things and away from all of this work, Beta Epsilon has had a chance to relax and partake in some fun. Our Homecoming activities were bigger than ever this year with our annual Alumni football game, tailgating, and a party to follow at brothers **Dave Miller** and **Paul Preston**'s house. Everyone had a blast and we hope all the Alumni brothers will be back again next year for what we hope will be an even bigger and better celebration. Other events included a hayride, parties at sisters houses from ΔΚΣ, a Providence Bruins amateur hockey game, and we cannot forget to mention our fearless intramural teams: volleyball, co-ed volleyball, and basketball.

Our last adventure for the semester will be the initiation of our pledge class, a date is now being tossed around. The pledges **Tony D'Ambrosio**, **Peter Girgis**, **Aaron Howard**,

Jeff Isaac, **Todd Phelps**, and **Brian Quilliam** are doing well and we wish them the best of luck in their pledging experience. We hope to see everyone in February at the 1993 Province I Convention.

—John C. Thomas

Central Michigan Graduate

Greetings Kappa Psi brothers, from the newly chartered Central Michigan Graduate

Central Michigan Grand Regent Porter and Editor Tony Palmieri presented the Central Michigan Graduate Chapter charter to Regent Se Choi on October 24, 1992.

Chapter. Our chapter was installed by Grand Regent **Johnny Porter** on October 24, 1992 at the Homecoming Banquet given by Ferris State University's Gamma Chi Chapter. Grand Regent Porter presented Brother **Se Choi** with the official Kappa Psi Recognition Button for all of his hard work organizing the Central Michigan Graduate Chapter. Brother **Anthony Palmieri** was also present to help us celebrate this momentous occasion.

Our chapter members are: **Se H. Choi**, **Michael T. Cook**, **Dawn Marie Dietz**, **Sharyn L. Dillon**, **Stephen R. Erhardt**, **David E. Emeigh**, **Christi A. Favenyesi**, **Robert A. Franz**, **Fredrick S. Ghannam**, **Sherry L. Ginn**, **Kevin Hurn**, **Christopher Jackway**, **Scott R. Jeffries**, **Kurt M. Johnson**, **Richard Kelly**, **Keith Kocher**, **Larry Kobiska**, **Suzanne Welter Kobiska**, **Kevin Krawczak**, **Brad Lambert**, **John C. McLean**, **Shan McMurphy**, **Darren M. Miller**, **Lisa A. Miller**, **Terry Alden Miller**, **Don Olsen**, **Michael R. Orr**, **Lynn Pierzchalski**, **David A. Ridout**, **Daniel D. Smith**, **Richard Sturm**, **Pamela S. Sturm**, **Peggy Thompson**, **Julie Tornga**, and **Stacey L. Visockis**.

Our current officers are:

Regent **Se Choi**
 Vice-Regent **Larry Kobiska**
 Secretary/Treasurer **Darren Miller**
 Chaplain **Peggy Thompson**
 Historian **Chris Favenyesi**

For more information about the Central Michigan Graduate Chapter please contact

Regent Se Choi at 2948 Parkway Circle, Sterling Heights, MI 48310.

—Christi A. Favenyesi

Beta Upsilon Butler

First semester was very busy, and second semester promises to be one of the same! Our initiates are an encouraging group of people, and their successful raffle of a C.D. player certainly proved that! Actives are topping their enthusiasm from last semester's Christmas caroling and food drive with our famous BUCOP (Butler University College of Pharmacy) sweatshirt and new "scrub shirt" fundraiser. Also, planning is underway for our Handicap Awareness Week which is an all campus event sponsored by Kappa Psi.

—Katie McCormick

Beta Lambda Toledo

We began the year with a busy October starting with a "Welcome Back to School" party at the newly christened Beta Lambda House. The following week, pledging began. Later in October, Toledo was the site for the 1992 Province V Mid Year. This was the first Mid Year that Toledo has seen in quite a while. It will certainly not be the last. The Brothers of Beta Lambda would like to extend a special thanks to brothers **Paul Hiller**, **Maureen Evans**, **Dave DeSantis** and the rest of the Province V brothers who made the Mid Year such a success. Finally, the University of Toledo Homecoming game was held in October. Our alumni sponsored a College of Pharmacy tailgate party with a strong showing of Kappa Psi.

November brought with it, the annual Kappa Psi active/alumni football game. Unfortunately, the active's team "Burnt Crumbs" lived up to their name and fell to a crushing defeat against the alumni. Later in November, the 40th annual Kappa Psi Dinner Dance was held in honor of the graduating class of 1993. The Dinner Dance, hosted by Kappa Psi, is one of our college's grandest occasions. At this year's dance, we had the honor of officially announcing the activation of our new G.C.D. **Bob Calabrese**. Special thanks goes out to brothers **Matt Kirby**, **Jim Mackiewicz**, and **Mike Lacy** for making the dance a tremendous success!!!

—Michael Toth

Beta Omega Temple

Beta Omega will have finally had a chance to relax with the Christmas holiday after a very busy fall semester. On October 9–11, the Province II meeting was hosted by our chapter. It was overheard to be the most smoothly run meeting in a long while for the province thanks to chairmen **Ray Besecker** and **Jim**

PROVINCE VII ASSEMBLY

Kappa Psi Province VII Annual Assembly will be held on April 2nd–4th in Memphis, TN. Lodging, as well as all meetings will be at the Holiday Inn, Overton Square. Rooms are available by contacting the Holiday Inn at (901) 278-4100. For more information, contact Wesley Cowell at (901) 278-4515.

Central Michigan Graduate Chapter

Delta Lambda's homecoming float

Krenitsky as well as Regent **Mike Ristagno**, Treasurer **Ron Miller** and the entire kitchen staff. A welcome party began the weekend on Friday with the brothers from Beta Kappa, Beta Eta, Delta Epsilon, and Eta chapters. Saturday was the province meeting itself followed by an excellent dinner and a night on the town. I'd like to thank **Paul Hiller** for coming down for the meeting as well as Satrap **Dan Wright**, Collegiate member at large **Mike Steffens**, and Graduate member at large **Brian Furbush**.

During the week following the Province meeting, we held our annual Spaghetti dinner to get to know the prospective pledges. This year we have twelve pledges. They have begun a project to collect money in order to buy new toys for the kids in Children's Hospital. They have also thrown a party with a 60's theme. There was a good turnout except for the grad brothers who the pledges forgot to invite. The pledges include **Mike Hagan**, **Chris Byerly**, **Scott Kelly**, **Rich Jackson**, **Shane Wenner**, **Marlin Kester** affectionately known as **Jerry**, **Andy Balberchak**, **Dan Wozinski**, **Dave Watkins**, **Brian Quinn**, **Jim Cirillo**, and **Brad Ocker**.

Just before Thanksgiving, the fraternity sat down to a dinner of its own. This dinner has become a fast tradition of ours. The kitchen crew again turned out a tremendous dinner which was enjoyed by everyone who attended. The pledges even took dinners down to Hahnemann University hospital for the brothers that were unable to get out of work for the dinner. A special thank you must go out to **Mrs. Nichols** who was kind enough to bake nine pies for our dinner this year including pumpkin, pecan and derby pies. Thank you also to **Tim Nichols** who delivered the pies to us and to the mother of one of our pledges, **Mrs. Wenner**, who also baked pies for the dinner.

During the first week of March we will hold our annual dinner. I urge all grad brothers and brothers alike to attend this function if you have the chance. Please stay in touch with us for the exact time and place. The number at the house is (215) 225-9417.

Lastly on behalf of the brothers and pledges, I would like to congratulate **Jim Krenitsky** on his graduation this December and wish him luck on his boards and any future endeavors.

Gamma Delta Ohio Northern

Here in Ada we have remained active professionally by continuing weekly blood pressure screenings at Brother **Jim Turner's** store. We also have continued to put on the Red Cross Blood Mobile along with being the United Way affiliate here at Ohio Northern. In addition, KΨ has joined the Ohio adopt-a-highway program with cleanings of the highway four times a year.

We had a successful rush which brought to ΓΔ nine pledges. These young men will make fine additions to the KΨ tradition when they are through pledging.

At Homecoming our alumni announced they were reactivating the Ada Graduate Chapter. We welcome them back and wish them much success.

Plans are now in the process for our annual 1/2 Way Party and Winter Formal. The 1/2 Way Party is the biggest party on campus and celebrates the P3's being halfway towards graduation. Our Winter Formal will be held in Findlay, Ohio and is sure to be a success.

—Cameron Van Dyke

Delta Beta Southwestern Oklahoma State

We have initiated seven new members this semester. The new members are: **Shadd Atchley**, **Mark Brown**, **Chris May**, **Greg Perry**, **Alan Spies**, **Paul Thornton**, and **Eric**

Delta Beta Brothers

Young. I am sure the new members will be of great help to the chapter as we begin to plan activities for the spring semester.

Social activities that Delta Beta were involved in for the fall semester include, most notably, the annual tri-fraternity annual Halloween Party in which Kappa Psi, Phi Delta Chi, and Kappa Epsilon jointly throw a big costume party for the School of Pharmacy.

Our annual Monday Night Football Party was also a great success as can be seen from the accompanying photograph. Included in the photo at the extreme left is Dr. David Coates who was honored by the chapter at last year's Awards Convocation for serving twenty-five years as our Grand Council Deputy. The chapter wishes to extend the utmost thanks to Brother Coates for his service to the fraternity. Plenty of pizza and beverage was consumed at the party and we enjoyed a good football game.

Public Service activities that the chapter was involved in this semester include participation in the Adopt-a-Highway program in which each semester the pledge class picks up trash along a two mile stretch of Interstate Highway 40 in Weatherford. The chapter also distributed red ribbons to local businesses that were displayed to signify Drug-Free Awareness. Blood-Pressure screenings were performed by members at the Pioneer Center periodically during the semester as we normally do every semester.

As a fund raiser for the chapter, we sold Southwestern School of Pharmacy t-shirts and sweatshirts. This is usually a good fundraiser and we are planning to sell the shirts again during the spring semester. Anyone wishing to purchase a t-shirt or sweatshirt is encouraged to contact our Regent, Cory Fikes at (405) 772-6507 or Mike Thornton at (405) 772-5159. We have not yet decided on a time during the semester that we will sell them but we would be happy to send you one when we do.

Also in the planning stage for the spring semester is our annual spring picnic and camp-out at Red Rock Canyon State Park. This is our biggest social event of the year, all the members camp out on a Friday night and spend the day Saturday in brotherly fellowship doing anything from playing the guitar to playing volleyball. Any alumni or other chapters are welcomed and should contact Cory at the above phone number for further details.

—Michael Thornton

Pittsburgh Graduate

The Pittsburgh Graduate Chapter sends warm greetings to all brothers while we are looking forward to the end of winter in the Pittsburgh area. The Chapter has been most active since early fall and we take pride in relating some of the accomplishments.

Highlighting the fall was the beautiful October wedding of brothers **Rober Wheat** and **Sandra Saul** on October 3, at a peaceful suburban church setting in Butler, Pennsylvania. A large contingent of Beta Kappa and Pittsburgh Graduate Chapter brothers attended and thoroughly enjoyed themselves at the sumptuous reception. We all wish the happy couple a long successful life together and we hope the relatives have relaxed after experiencing Kappa Psi brothers at a wedding.

Beyond that excitement almost everything else pales by comparison, but the Chapter has continued regular meetings and activities throughout the fall and the holiday season just past.

October 9–11 saw many brothers in Philadelphia for the Province II Assembly hosted at Temple University. Several of our brothers were elected or re-elected to offices for 1992–93:

Satrap	Daniel Wright (Pittsburgh Graduate)
Vice Satrap	Jean Beary (Pittsburgh Graduate)
Secretary	Mike Starvaggi (Pittsburgh Graduate)
Treasurer	Dan Wellhausen (Pittsburgh Graduate)
Chaplain	Scott Edmundson (Delta Epsilon)
Historian	Della Sildra (Delta Epsilon)
Past Satrap	Tom DePue (Pittsburgh Graduate)
Supervisor	Brian Furbush (Providence Graduate)

Congratulations to all.

In late October, the Chapter helped Beta Kappa celebrate its annual homecoming which included a brunch, an afternoon at a football game and parties at the fraternity house which continues as a focus of activity and enjoyment for brothers in western Pennsylvania.

Roger and Sandra Wheat, Pittsburgh Graduates.

Fall also called for the election of Chapter officers and we are pleased to announce the continuation of Regent Wheat for an unprecedented fourth term. The officers for 1993 are congratulated:

Regent	Roger Wheat
Vice Regent	Tom DePue
Secretary	Bernadette Sowko
Treasurer	Dan Wellhausen
Historian	Bruce Martin
Chaplain	Dave Maszkiewicz
Sargent-at-Arms	Robert (Butch) Coffman

The activities of the Pittsburgh Graduate Chapter have created much interest in the area, so much so that pharmacists have approached the brothers asking for membership. After screening candidates for interest and sincerity in helping to reach the goals of Kappa Psi, the Pittsburgh Graduate Chapter initiated new brothers **John Patrick Minard** and **Robert Glenn Ruhlman, II** into membership. All brothers are asked to welcome them into the brotherhood.

Rounding our the last few months were: all night bowling on November 28, which included undergraduates of Beta Kappa and Delta Epsilon; deck hockey; a visit to the Province I Assembly February 5–7 in Warwick, Rhode Island; a February special trip to Atlantic City for a show and some salt-water taffy; a Pittsburgh Penguins game in December; attendance at two more fraternity weddings; and, of course, celebration of Christmas, Hanukkah and New Year's.

Pittsburgh Graduate Chapter wishes a very Happy New Year to all!

—Bruce D. Martin

The Family of Kappa Psi

by Di Gi Field, Gamma Omicron

Kappa Psi is like a family. It is a tight-knit group of people who support, celebrate, constructively critique, and help pull each other through the trivial and sometimes cruel ways of the world. In other words, Kappa Psi is

much like a tapestry. On the back side, you can see the single threads mixed of different colors, each thread representing the individualities and personalities of each member. But, turning the tapestry over, and putting all of the members together, you get a sense of working together to form an intricately woven piece of art. Every member is an individual, but all of the members put together are a team. This is exactly what we need as pharmacy students—a family, a home away from home, that sense of belonging, of feeling needed and important, of being a part of something larger than ourselves—part of a team, part of the family. And *that's what Kappa Psi means to me.*

Beta Kappa Pittsburgh

Last semester was very busy for the Beta Kappa Chapter. We've recently initiated six new Brothers: **Deanne Gimiliano, Brett Hall, Craig Hinden, Ryan Lenz, Jennifer Marchegiani, and Melissa Puposar.** They're going to make an excellent addition to our fine Fraternity!

Beta Kappa held it's annual Christmas Dinner and Gift Exchange on December 11th. Everyone had a wonderful time sharing in Kappa Psi Fellowship before the Holiday Break!

We are planning a Kappa Psi Skiing Weekend at Seven Springs Resort in the mountains outside of Pittsburgh. This will be held sometime in January.

Pitt is holding Pharmacy Week the 3rd week of January. This year's Kappa Psi Booth's theme will be to promote AIDS Awareness and "safe sex." The week will end with the Pharmacy School Formal on January 23.

—Evan L. Davis

Beta Gamma San Francisco

The rush events have definitely kept the Beta Gamma brothers busy this quarter. The events began with Chili Night on October 9 followed by the Halloween party, and the ice cream social where potential pledges enjoyed ice cream and a delicious array of baked goods made by the brothers. The enthusiasm of the many first year students that attended have made the rush events a great success.

The Lung Cancer project sponsored by Beta Gamma participated in the Great American Smokeout on November 19. In addition the OTC project has been working hard in preparation for the coming quarter. The next scheduled event is the Annual Ski trip which will be held on the weekend of January 9 at Lake Tahoe. With some cooperation from the weather it promises to be another weekend of excitement with its fair share of snowball fights.

—Sandra Suzaki

The Final Word

Pictured from left to right: GCD Dr. Fred Kohler, Andy Bersu, Ron Miller, Steve Simone, Jim Krenitsky, Grand Vice Regent Paul Hiller, Mike Ristagno, Mike Steffens, and Brian Furbush.

Paul J. Hiller Grand Vice-Regent

As I begin to pen this article, the skies are overcast, the weather is crisp and cool, the coffee is piping hot and the holiday season is rapidly approaching! Taken together, they combine to provide me with the perfect setting to do some reflecting—some thinking.

What I'm thinking about is how fortunate we are as a fraternity to have had predecessors with the foresight to establish within our organization a position which to me is a very important one, i.e., the position of Grand Council Deputy. While the office may not be that glamorous nor command the ink of other elected positions, this position is invaluable in terms of promoting the values of

our Order within the Collegiate Chapters and to some extent, the Graduate Chapters as well.

I speak from experience. During my collegiate days at Beta Omega at Temple University we were fortunate to have a Grand Council Deputy who, to me, epitomized all that the office represented. While an educator, researcher, department chair, husband and father, Dr. Ronald F. Gautieri was never too busy to be our GCD. He listened to us, advised us, participated with us and encouraged us to be the best we could possibly be. In retrospect, we as a Chapter were being the best we could be—or so we thought! We had just ended Phi Delta Chi's nine year dominance on the gridiron, had recently received the Scholarship Tray and were in the process of doubling the

size of our fraternity house. Not too shabby—right?!

We quickly discovered that while we had every right to be proud of our accomplishments, to rest on our laurels was a no-no to Dr. "G." Any hint of complacency on our part could result in a size 9 1/2 being firmly planted in our posteriors! (Just a figure of speech). His involvement with us made us realize that industry, sobriety, fellowship and high ideals were more than words.

As I travel the country, I tend to compare GCDs to Dr. "G." Is it fair? I don't know. I do know that there are many GCDs in our great fraternity that take the time to listen, to counsel and to inspire our Brothers with their example. To them, and especially, to Dr. "G.", I pen my final word—Thanks!
